The Sunshine Outdoor Theater presents

The Sun Is Always Shining!

A Prayer from Grandpa

The sun is always shining, even
when you can't see it.

Even when there is a dark cloud
in front of the sun, the sun is
still shining behind the cloud.

After the storm has passed
you will see the sun shining
brightly again.

The sun never goes away,
just like Jesus never
goes away!

Jesus is always there, shining and giving us His love and light, even when there are problems.

Just look to Jesus to receive His help, comfort and energy. He'll solve all the problems!

Hallelujah! Praise
You, Lord! Thank
You, wonderful
Jesus!

You did it,
Jesus!
Thank You!

We love
You so
much!

You are
wonderful!
