

In pretty nighties that'd soon be shed
 once we all get hoppin'":
 41. DAVID USUALLY WANTED TO STAY A
 "MOMMY BOY" BUT HE NEVER LOVED WHAT HE WAS
 having to share his pretty Mommy or me or
 even Alfred with others! All in all it
 seemed best for everyone if he weren't
 there, so even if other sweet helpers
 would take the children to the kitchen
 awhile for snack, etc., I'd eventually
 just take them to bed & a private "love-
 in" upstairs. Maria often, too, would
 use at least part of "disco-time" to
 read with David & make him feel more at
 ease & included during that time. She's
 so sweet!

42. EVERYONE ELSE SAID ENJOY THEM! DAD
 SAID: "I hope they don't think I'm too
 silly & foolish, playing around & horsing
 around like that! All the conservatives
 retreat & leave the little kids like us
 --me & Sue & Alfred & Path--who still
 play around. Alf & Path & Sue are the
 biggest kids in the family! Alf & Path
 are two of the biggest little kids in the
 bunch! They really are funny! I love to
 watch them, they're a scream! They get
 playing around like little kids!"

43. JACK & JEWEL WERE DOING PRETTY GOOD
 LAST NIGHT! And I thought love really
 blossomed out. It's amazing how brave she
 got last night--dancing around there made
 for a long time. She's cute! I didn't
 realize. I never hardly get to really see
 her, but she really is cute! She's got a
 cute little figure & she really danced
 around sexy, real cute! She & Dan were
 doing pretty good!"

44. DAD HAS JUST COMMENTED & PRAYED
 TOO, THAT THE WHOLE FAMILY IS ENJOYING

Loving prayers in the arms of the King.

THE LOVE & FUN & decent good dinners &
 blessings in the Lord's service that we
 are all enjoying here with HIM! And
 that's our prayer for all of you as well!
 You are in our prayers daily! GDF all!

IT HAD BEEN THREE YEARS SINCE A NEW
 BABY HAD "INVADED" DAVIDID'S
 WORLD when he was still the only
 child--& that was our little girl Davidi,
 who was by this time three years old &
 had a bit over four years. Of course,
 David knew that Mommy Maria was expecting
 little Tech, as we always referred to
 the soon coming newborn as the "Tech"
 with light-brown curly hair that Dad had
 dreamed about, or should I say actually
 met!

IT SO TECHI WAS ACTUALLY A PART OF OUR
 HOME LONG BEFORE SHE WAS BORN, HAVING
 BEEN "INTRODUCED" IN THE SPIRIT even
 years prior to her birth. We all couldn't
 help but be very excited about her ar-
 rival, as we knew that she would bring
 about a new Childcare Revolution just as
 Davidid did to our Worldwide Family in
 1976. Making preparations for her arrival
 kept us as busy-as-bees all this month of
 March '79, which was all compounded with
 the usual great work load that goes on in
 the house anyway!--It's fun--we all love
 it!

3. NEVERTHELESS, DEAR DAD & MARIA WERE
 ESPECIALLY CAREFUL WHEN DAVIDID WAS
 WAKING not to rave too much about the
 coming arrival, knowing that little David
 might feel jealous or left out, as most
 older children normally do with the ar-
 rival of a new baby in their home. David
 was spending personal, special time with
 his parents in their bedroom & hearing
 the very much favoured "Grandpa Stories"
 from Dad fairly regularly at this time.
 Maria was especially mindful not to make

mention of the baby too often, but to try
 to give David her undivided attention
 when time did allow for them to fellow-
 ship together.

4. HONESTLY, WE ALL WONDERED AT HOW
 MARIA'S STAMINA & STRENGTH SEEMED TO
 EVEN GROW along with the size of her
 tummy, for it seemed the bigger she got

IF YOU'VE GOT IT--GLAM! II!

the more exercise she was getting & her
 paperwork completed, etc. She wanted
 to get as much work done as possible be-
 fore the baby's arrival so that she could
 allow time after the birth for a restful
 convalescence & the adjustment of a new
 little one on top of all her other im-
 portant ministries! I don't remember that
 Maria ever made mention to David much at
 all about the newborn, nor excusing her-
 self to be ever too tired to play, nor
 explaining that it was the baby's "fault"
 that she should need to sit or even lie
 down to rest & read with David, etc. Ma-
 ria just seemed as chipper & excited
 about spending time with David as she
 ever did, so that David could probably
 not even tell the difference in her at-
