TEENS!—YOUR CALL TO ARMS!
—Faithy’s Reaction to “Hot or Cold!—Is It ‘Cool’ To Serve Jesus?”

This is a terrific challenge to our teens to “Come out from among them & be ye separate & touch not the unclean thing!” (2Cor.6:17)

I got the following quotes, “A Revolution is not a dinner party, nor an essay, nor a painting, nor a piece of embroidery; it cannot be advanced softly, gradually, carefully, considerately, respectfully, politely, plainly & modestly.”—Mao Tse-tung’, from the MOP! (109:19)

Also, “David’s rebels are on the way with his inflammatory incendiaries (See "Teens for Christ!" or "We Are It!" with actual dictionary definitions!) to set the World on fire! Hallelujah! What set our hearts on fire for Jesus as Teens for Christ was knowing that we had a special calling to fulfill, a special mission on this Earth to do something that no one else could do but us! And therefore, we had to do it no matter what the cost! And it started a Revolution for Jesus! Those words of our Prophet were fulfilled, & we did set the World on fire! And reached the Teens & youth of our day!

“Ours is a Revolution of youth, the young who have time to change themselves & to change things!”, & this is the same today, & must be true of our teens if they are going to carry on this Revolution that so many of us have given our lives for, & some have even died for, been imprisoned for, persecuted & driven from their homes, & had to die daily for!—And the World heard about us, because we were willing to pay the price! Will the World now hear about our teens today? Are they willing to pay the price?

“As the preacher known for his cussing said: ‘Listen, Sister (Teen!), the World’s heard about me!—Who the hell ever heard about you?’ (MOP 109:13)—For all of our mistakes & failures & problems & even sins, we have overcome by the Blood of the Lamb & the Word of our testimony, & loved not our lives to the death, being willing to die daily for Jesus! (Rev.12:11)

One thing our teens must accept is their challenge, too, & they themselves need to now do something!—To prove they are Revolutionaries for Jesus & can now stand up & be counted with the World-changers that made this Family what it is today, & most of all Grandpa the greatest martyr & witness of us all, who has never compromised his convictions to please anyone!—But who has—only sought to please the Lord & preach the Gospel to every creature, giving his life daily to do so!

What are you teens of the Family made of anyway? Are you made of Grandpa’s stuff, willing to live & die for the Truth like he is? It was our declaration of war against the Christless churches, our declaration of war against the God-damned commercial (Worldly!) system, which started this Revolution for Jesus!, & Grandpa did it all for us to save our generation of youth from physical & spiritual death in the God-damned System!—The same God-damned System that is trying to fool & lure some of you, our teens of this day, & which Grandpa has risked his life for 20 years to keep us free from its horror & bondage & death! He’s a fool for Christ’s sake!—Will you be the System’s fool?!

“The thing that really started the Jesus Revolution was an all-out declaration of war against the System & the churches! It was a call to arms: Come & fight & die with us for the Truth & the Lord!”, & Grandpa is now calling you teens to do the same!

But it will cost you everything because “Revolutions are not for the timid soul or the fearful they’re strictly for courageous folks who are willing to risk their lives for the Lord’s work every day!”

“That so few (teens) now dare to be different, marks one of the chief dangers of our time!” Will you, teens, dare to be different, a total non-conformist Revolutionary for Jesus, at war with the System & all of its idolatry & materialism that is enslaving the people & sending the World to Hell?

Have we suffered all of this in vain to keep you, our teens, from the hellish pit of the System, full of hate & injustice, filth & unfairness, violence & slavery, public schools & its brainwashing, System jobs & enslavement? We’ve risked our very lives to keep you free & to give you a life of purity & truth & love & service for Jesus!

Grandpa believes in you, & has started a whole new Revolution just for you, so yours is no “hand-me-down Revolution”, but a brand new Teen Revolution for Jesus that is going to really shake up this old World in these, the very Last Days!

We believe in you, teens, & your
parents have laid down their lives to raise you for this day & hour of your calling to be Teens for Christ, a Teen Revolution for Jesus, to help finish the job which they began, but perhaps couldn’t finish because you came along, & they had to give their lives & time & energy to training & raising you! So now it’s up to you, teens, to pay them back for their sacrifice & investment of many years, & to be what they can no longer be—the youth of your own generation, who can do what your parents can no longer do, reach the youth of your generation for Jesus!

We found during the first Jesus Revolution that it had to be teen-to-teen to reach teens, so the responsibility of the youth of the World now rests upon your shoulders! The question now is, do you believe in yourselves & your calling, & are you willing to risk your lives for the Lord’s work every day? You’ve been sheltered long enough, & perhaps too long, which has perhaps made some of you soft & complacent in some cases, or just plain ignorant of what we’ve dropped out of & all of its evils & horrors. You now need to face the System & that evil, ungodly World out there & stand up & be counted for Jesus now! We’ve protected you long enough in our Heavenly Homes, nurturing you as babes in Christ, until you could finally become disciples & real soldiers, strong enough to fight the Enemy yourselves! It’s now time for you to go to war, & live the life-&-death struggle of a true Revolutionary for Jesus, if you’ve got what it takes!

A few of our teens raised in the Family apparently haven’t got what it takes because they’ve backslidden & “copped out” as we used to say in hippie jargon, meaning they’ve taken the cowardly, easy way out, so they think.—You’d better think before you sink, dear teens, & end up on the brink! Of total disaster & insanity, which is where your teen selfishness & self-centeredness could take you if you try to end your link, & responsibility to God & His Family!

When we were teens, there was nothing more despised than a backslider-turned-traitor, & none of his friends ever trusted him again! In fact, he was disliked by everyone including his friends, because no one, not even the System, trusts a traitor. (See "There Are No Neutrals", MLF F.) That’s why Judas hung himself, because he had lost everything when he betrayed Jesus, & lost all of his friends. The System didn’t want him either after they had used him to be the traitor that they needed to get Jesus, paying him off with some silver, which didn’t last long either!

Who would be crazy enough to go to the Devil for their own selfish ends! Only a fool like Judas would, all for a dirty life in the System doing stupid things like proudly showing off your body clothed in System underwear in fashion magazines, like one teen backslider we’ve heard has done! At least this teen who has prided himself in body-building & being so manly could be doing an honest day’s work at manly labour, instead of the work of a sissy--& sassy fashion model! And what about you other teens who have followed such foolishness & been asked to follow him in this embarrassing "show of the flesh" down in the "fleshpots" of "Egypt", selling your bodies in the slavery & flesh markets of the System!

Why do you think a well-known Canadian male fashion model dropped out of it all to join the Family while his picture was still being plastered all over in the Metro walls? He gladly left it all behind the minute he met the Family in a park in Tokyo, & decided to follow Jesus on the spot, never returning to his job or apartment, liberated from all that silly, ridiculous, lonely, cruel, so-called "fashionable" life, where your agent or boss thinks he’s God & that he owns you, & can tell you to do whatever he wants to, & sell your body daily to whoever he chooses to, & all day long if he chooses to, once you’ve signed that contract!

This disciple, David, said that his agent kept him running from early morning until late at night the more famous he’d become as a high fashion model, & he was so tired, lonely & unhappy with it all by the end of the day, he would try to drink away his sorrows in the bars. Had he not been offered free dinners by the bars because he was a famous model, he would have starved on what they were paying him! Sounds like the
life of the Prodigal Son, doesn't it? Doesn't sound like such a glorious life to me!

David said that many of the models end up drug addicts & alcoholics, & some even commit suicide, because their dream of being a famous model only leads them to despair & loneliness & unhappiness & in many cases prostitution & homosexuality for the male models!

Ex-high fashion model David says that it is the new slavery & 'meat markets' for the youth of today who are stupid enough to get sucked-in by its lying propaganda, & then find out too late that they've been totally deceived & are no longer their own, but have been bought with a price--& a low one at that--by their System agent!

David followed the Family home from the park in central Tokyo after hearing 'You Gotta Be a Baby to Go to Heaven!', & never left, because he had found Jesus & the love & happiness that the high fashion pit couldn't give him, declaring to everyone at the club that night that he had decided to follow Jesus & change his name to David & be a true disciple! Hallelujah!

Why would anyone want to try the swinepit after living in God's Heaven-on-Earth, & like a fool, run to the System from which others, like David, are desperately seeking a way of escape from? That's just what the Prodigal Son did, because he didn't appreciate what he had in his Heavenly Home with his father, & just wanted to go & do his own thing & not have to listen to his father & obey leadership, & knuckle under to the hard work of working for his father & family, helping with the family work & business. He wanted to live it up & so spent his life in riotous living, just living wildly & vainly until he ended up with nothing but the pigs in a swinepit owned by another man, trying to fight the pigs for a few husks to eat, he was so hungry! How much better to be like the older brother who stayed faithful & worked hard, & was the real man of the house taking care of the family as a real man should, & he therefore inherited all that his father had because of his faithfulness! PTL!

Perhaps backsliding is what it will take for some teens to learn their lesson, that the System is not where it's at: To have to go out there in the Pit with the System swine, & eat husks for awhile, & live with the pigs, & see how selfish Systemites really live. (See 2Pe.2:19-22) Perhaps that's what it will take for some to learn to appreciate their Home & Family & the Father's house & all the loving care that they were given there. Good food, loving parents, Family fellowship, & an eternal work for the Lord of saving precious souls for His Heavenly Space Kingdom!

You, teens, are being offered the best job in the World with the best pay, & all you have to do to shine as real stars for ever & ever is to hold onto your crowns & be real Teen Revolutionaries for Jesus, by loving & winning souls right now into His Kingdom!

Where are the teens who will answer that call-to-arms that we answered when we declared all-out war against the System & started the Jesus Revolution, the greatest youth missionary movement the World has ever known! The call-to-arms that says, "Come, fight & die with us for the Truth & the Lord!" If you answer the call as we did & your parents did, the World will hear about you too! In fact, you'll do greater works that we did, & will be bolder witnesses than we were, & have greater powers than we had, & become the greatest Teens for Christ that the World has ever known, in power & witness & miracles, etc., all of which has been foretold by His Prophet, David! PTL!

Will you be a Teen for Christ of the End?--Or a Fool for the System devils? "Choose ye this day whom ye will serve! If God be God, then serve Him! If Baal (the System) be God, then serve it! As for me & my house, we will serve the Lord." (1Kings 18:21) It's still a Revolution for Jesus! "There are two kinds of drop-outs! Some from the wrong System, some from the right system!" Which Kind are you?
