choice, He tries to persuade you. God uses love & persuasion & wisdom & truth to try to persuade you, like your parents do, because they love you. They try to get you to make the right choice.

16. WE OFTEN TELL OUR CHILDREN, "WHAT DO YOU THINK YOU OUGHT TO DO?" You know what’s right & wrong, you know what God’s will is, you know what God’s Word says, it’s up to you! You know what’s best, you know what’s right, what do you think you ought to do? And the earlier they learn to make those decisions on their own, & the right decisions, the better! Most young people of the World & the System don’t get to that point to where they become their own judge & make their own decision until they’re teenagers! Our children have already made’t & have already made most of the right decisions at an early age, beginning with accepting Christ when they’re about two. And once they’ve given their life, their mind & their heart to the Lord Jesus Christ, from then on they’re bound to make nearly all the right decisions, because they are guided by His Spirit. Our children learn very early to make the right decisions & are continually making decisions & the right decisions, thank the Lord! Isn’t that wonderful!

17. JUST THINK WHAT A TRAUMA OF A PSYCHOLOGICAL CRISIS THEY AVOID BY LEADING ALL OF THAT NOV INSTRO OF HOTING TILL THEY’RE TEENAGERS & their family finally sends them away to school or they finally get pretty much independent & on their own & can thumb their noses at their folks & go their own way because they’re big enough & hard enough & bad enough to say "no" to Mama & Daddy by that time. And of course a lot of families have so spoiled them by that time, they’ve never learned how to say "no" to their children, so they always get their way & they can do as they please. Then they’ve got a monster on their hands, an unleashed monster!—A human monster out of control who doesn’t know what’s right or wrong & doesn’t know how to control himself or herself or how to do the right thing, because they’ve been taught, "There is no right thing, there’s no right & wrong! There are no absolutes, do as you please. The right thing for you is me, myself & I!"—Blah blah!

18. THAT’S MAKING A GOD OF YOURSELF, & THAT’S WHAT A LOT OF EVEN THESE ORIENTAL RELIGIONS ACTUALLY TEACH & PREACH, "DISCOVER YOURSSELF, YOUR REAL SELF!"—And what they really find out is that they’ve got another self—And after enough meditation they may have two or three selves, sometimes four or five, maybe even a legion!—Because they never got themselves, God’s Self to keep all the others out! They start off with a bad self to begin with & & then they accumulate a few more evil spirits!

19. SCHIZOPHRENIA OCCUPIES MOST OF THE BEDS IN INSANE ASYLUMS THROUGHOUT THE WORLD TODAY, WHICH IS NOTHING MORE NOR LESS NOR SHORT OF ACTUAL DEMON-POSSESSION! Schizophrenia is a big psychological word meaning "split personality"—In other words, they’re two or three or four people. They’re not only themselves, but they’ve picked up some demons who’ve invaded them & taken possession of them, & part of the time they act this way & part of the time they act that way & sometimes they even speak in different voices, think of that!

20. WELL, WE BELIEVE IN SPIRIT POSSESSION! WE NOT ONLY BELIEVE IN DEMON-POSSESSION, BUT WE PRACTICE SPIRIT-POSSESSION, HOLY SPIRIT POSSESSION! And let me tell you right now, if you haven’t got the Holy Spirit, you’re apt to wind up any day with an unholy spirit, demon-possessed! Without the Lord to protect you, without His Holy Spirit to fill you to overflowing so there’s no room for the Devil, you have nothing! You’re empty, swept & garnished! Perhaps you even try to clean up your life, like these psychiatrists try to do, & try to clean out the rubbish of your mind & everything else, & you leave it empty. But then, in one case in the Bible the Lord said the demon went & got more demons even worse than himself & came back & inhabited the man & the last estate was worse than in the beginning! (Mat.12:43-45)

TEEN SEX!

(See also "Questions You Always wanted to Ask!", pg. 293.)

TEEN SEX!

1. I BELIEVE THAT THE LORD CREATED TEENS TO HAVE THAT GENERATION GAP, TO WANT TO GET AWAY FROM THEIR PARENTS & TO WANT TO BE INDEPENDENT, TO WANT TO BE ADULTS! They really feel like they are distinct, & I think God has given them that instinctive
feeling of being a distinct kind all their own & different & separate & new. It’s just like they sense that it’s the new generation, they sense that they’re the new leaders of tomorrow, & that’s one reason they respond so wonderfully when you get them away from the older generation who sort of tend to hold them down & not trust them, & who in some cases in the System & the World, even almost resent them! They are jealous of them in the World because they see that they’re coming up & they’re becoming competition & that they are going to literally take over!

2. GOD HAS GIVEN THE TEENAGERS ALMOST LIKE AN ANCESTRAL RIGHT THE FUTURE, a feeling of being special & different & willing to be new & revolutionary etc. (Maria: But they don’t want to be different in the sense of responsibility. They want to take adult responsibility & they could be treated like adults.)--Of course! I don’t mean separating them from the adults with the idea of giving them any special babying, I’m not talking about that. I’m talking about separating them from the adults in order to let them grow up & take responsibility!

3. THEY FEEL A DEFINITE GENERATION GAP & USUALLY A FEELING OF RESENTMENT THAT THE ADULTS AROUND THEM WILL NOT LET them BECOME ADULTS & will not let them take responsibility. Dr. Fakima used to call it the age of responsibility & decision. If you haven’t trained them up in the way they should go by that time, it’s too late, because they are already adults even as young teenagers. They already have that feeling of being adults, that desire to be adults, that feeling of responsibility, that desire to make their own decisions & to, in a sense, set their own ideals & standards.

4. THEY’RE REALLY IDEALISTIC AT THAT AGE & THEY ARE PERFECTIONISTS IN A WAY. They look at the adults & wonder why they’re not perfect. They expect perfection of them & are disappointed & disillusioned in the adults around them because they’re not perfect, because they’re really seeing perfection. I’m talking about our kind of Kids & the kind of good Christian Kids that we used to have. They’re looking for perfection, they’re looking for the perfect Christians & role models, ideals, heroes & heroines etc.

5. THAT’S ONE OF THE ADVANTAGES OF THE HEAVEN’S GIRL STORY, THE TEENS ARE LOOKING FOR THAT SORT OF THING, someone to follow really. They’re looking for someone to be like & they’re great imitators. They’ll even see a movie & come home feeling & acting like one of the characters that they admire in the movie. I can even remember myself that I had certain favourite actors that I wanted to be like.

6. IT’S FUNNY, I NEVER REALISED IT AT THE TIME, BUT THE ACTORS I ADMired ALL TURNED OUT TO BE THE GENTLEMANLY, chivalrous, courteous, high-ideals & well-speaking European types, believe it or not, Chesterfieldian gentlemen like the English actors, & the very gallant men like the French actors etc., real hero types! But they were the more ultra-conservative, intellectual & suave types, mannerly with that type of European charm & polish, really in a sense knowledgeable, intellectual, wise etc.

7. TO ME THE AMERICAN ACTORS WERE SO BOORISH! They were all so violent for one thing & usually played violent parts, & to me they seemed to be juvenile & just act sort of ridiculous, typical violence & fights & blah blah blah. Whereas the Europeans could carry on a conversation & discuss the important things of life & the deep things of life. But the typical American ideal was the ignorant, rough, tough, gun-slinging, man-killing cowboy, & I really despised it! I just instinctively or Spiritually knew that that cowboy type was not God’s ideal!

8. MY HEROES WENT MORE TO THE OLD EUROPEAN KNIGHTS IN ARMOIR, days of chivalry, real ladies & all that sort of thing, the characters of Sir Walter Scott & various European classics. There just weren’t any American classics at that time. I read a lot of literature but I didn’t care too much for American literature with all its Wild West cowboys & Indians & wars & all the rest. Somehow or another it didn’t seem like I was an American! I didn’t like America & American ways!

9. AND WHENEVER I FELL IN LOVE IT WAS WITH A VERY, YOU MIGHT SAY, QUIET-TYPE CULTURED GIRL, intelligent, pretty, feminine with sort of a delicately refined type of beauty like the ladies of chivalry, the old European queen types, princesses & lovely fairy types of the fairy tales. Not the boorish, common, coarse, crude... I can’t get enough words to express it! --The type of Americans who were only interested in rough & tumble & fighting & killing etc.

10. SO THE REAL WOMANLY TYPES APPEARED TO ME, DEFINITE FEMININE TYPES OF WOMEN who knew they were women & wanted to be women & acted like women & wanted to be mothers!
I abhor this new kind of so-called woman who wants to be a man & who despises men. I'll tell you, I despise them! They're just despicable as far as I'm concerned! They're anything but God's kind of woman!

11. SO BACK TO THE SUBJECT OF TEENAGERS IN GENERAL. As Dr. Fakima used to say—and he was supposed to be an expert on the subject, an educator, school administrator etc.—he said you've got to give teenagers a little room. You've got to give them a little trust & responsibility & recognise that they are adults. They're not going to be adults, they're already young adults & they want to be trusted, they want to be given jobs, they want to be given responsibility. They may not always do it perfectly, but they have to be given it to learn, & they have to learn how to make decisions. You have to help them. You have to give them a chance to make decisions & carry responsibility, or they never learn. In a sense they're like apprentices learning a job.

12. SO GOD HAS REALLY GIVEN THEM A SORT OF ANOINTING TO KNOW & SENSE THAT THEY ARE THE LEADERS OF THE FUTURE, that they have responsibility! They're very idealistic, they really want the best & to do their best. They have high ideals! They really try to reach for perfection. Of course, they can't always make it & don't usually make it for themselves really, but they seek role models & ideals, heroes & heroines that they can look up to, that they want to follow.

13. THE LORD'S MADE THEM VERY IDEALISTIC TO WANT TO MAKE A BETTER WORLD & BE BETTER PEOPLE & SEEK & FOLLOW AFTER BETTER PEOPLE THAT ARE TRYING TO MAKE THE WORLD BETTER! How do you think we got all of our teenagers in those early days? They followed me because I was preaching what they wanted to hear, that things are in a mess & there should be a better World & there was a way to find it & make it, & the Bible proved it, so they loved it! And they were revolution- ary, they wanted to change the World & make it a better World!

14. GOD HAS PUT THAT INSTINCT, THAT DESIRE & THOSE GOALS INTO THOSE WHO REALLY WANT SOMETHING BETTER, & it's a very common trait of teenagers who have been given any kind of decent or good rearing or fairly wise rearing. Take most of those teenagers that we had in our early days, they were from what the World would call 'good homes', in fact even wealthy homes, who had had a fairly good upbringing. Their mothers & fathers were upstanding members of the community, some of them church leaders & whatnot. In the case of others, their mothers & fathers may not have been the best, but they were good people, what the World called good people. There were very few of them, if any, who were sons & daughters of criminals & ne'er-do-wells, but they were kids who had ideals & who saw how the World was & wanted something better. They even saw how their parents were & wanted something better!

15. THAT'S ONE OF THE RISKS YOU RUN WITH TEENAGERS, THEY'RE ALWAYS SEEKING TO BE IDEALISTIC & LOOKING FOR PERFECTION, & OF COURSE THEY SELDOM FIND IT IN THEIR PARENTS.—Except in our Family they do find a lot of good. They may not find perfection, but they can certainly see that which is idealistic & that their parents are striving toward the good & the perfect, striving for better things! So I think they have greater respect, admiration & trust for their parents in our Family.—But their parents need to have greater respect & trust & admiration for them!

16. LOOK AT THE RESPONSIBILITIES WE Give Techi AT HER YOUNG AGE! We respect her talents & we admire her & praise her for her gifts & talents, we recognise them as being really of the Lord. We trust her with responsibilities, very important responsibilities! We expect her to do them & we have great expectations of her abilities. (Maria: You can reason with Techi.)—Yes, like an adult or a teenager! (Maria: She can understand things even better than a lot of adults.) She has great wisdom & insight & comprehension, because she's gifted of the Lord, of course, & is unusual, but we also have given her a lot of faith & trust & a lot of responsibility.

17. SHE TAKES HER JOB OF READING THESE YOUTH PUBS SERIOUSLY & REALLY READS THEM THOROUGHLY & WITH REAL DESIRE TO MAKE THEM RIGHT! She catches things even we don't catch & she's good at it! She's already really an accomplished proofreader for the young people's pubs etc. She'll probably get into the GN later on like the older children have, but right now it's just a little deep & a lot of it is sort of fine print & long & drawn-out & not quite exciting enough for her at her age, of course. Nevertheless, she has great understanding & comprehension of the meanings & needs of the children's & youth pubs. She asks the right questions, she finds the right mistakes, in a sense, & she sees how it ought to be. She corrects
art, and she strikes sparks where she doesn’t think it’s the way it ought to be & doesn’t understand it, & we correct it.—Because goodness, if she can’t understand it, surely some of the other kids can’t understand it!

18. I THINK WE’VE HAD THE EXPERIENCE ALREADY WITH SOME FAMILY CHILDREN who have been brought up right in the nurture & admonition of the Lord, that sometimes even with their own parents familiarity has bred contempt in both directions, so that their parents don’t really trust them enough to give them responsibilities. They still treat them as children, little children at that, & still aren’t quite willing to surrender responsibility.

19. IN THE CASE OF ADULTS IT’S A MATTER OF THEIR SURRENDERING A PART OF THEIR RESPONSIBILITIES & their authority to up-coming young adults that are going to take over from them one of these days. It seems sometimes that the adults & parents are a little jealous of their authority & their responsibility & they don’t necessarily like to trust the kids with some of those things. But if you never let a child learn how to swim on his own without a life-saver or an inner tube, he’ll never learn how to swim!

20. MARIA: WELL, ONE THING WITH OUR PARENTS THAT PUTS A LITTLE PRESSURE ON to where they have to surrender some of their responsibility, is when they keep having so many kids & the older children have to start taking over the care of the younger ones. The parents can’t do it all themselves so that’s what forced a lot of them to get help from their children & give them added responsibility.)—Exactly! That’s the way God intended it to be. He intended for women to have children nearly every year so that pretty soon they had so many they couldn’t take care of them by themselves & the older children had to take the responsibility & learn!

21. THE STORIES THAT I USED TO HEAR SO OFTEN WHEN I WAS YOUNG WERE STORIES WHERE SUDDENLY THE FATHER DIED, THE BREAD-WINNER OF THE FAMILY, & the older brother had to start taking care of the whole family. He was usually already working, & he became like a father to the whole family & had to take care of the mother & really became a real man. He was a real man already, able to do a man’s job & a father’s job & take care of his brothers & sisters, as well as his mother. Those were heroic days!

22. NOWADAYS THE SYSTEM KIDS ARE SO SPOILED & SUCH BRATS & so unprincipled & immoral & with no ideals! They have no role figures to follow except the worst kind of devils & demons & satanic influences! They don’t have enough brothers & sisters to learn any responsibility in taking care of them, so they’re selfish & all they care about is themselves. They couldn’t give a damn about anybody else, much less their parents! They don’t have any brothers & sisters or hardly anything to worry about.

23. SO OF COURSE YOU CAN’T TRUST THESE MODERN, SYSTEM-BRED TEENAGERS because they DON’T HAVE THE KIND OF TRAINING THAT MAKES ADULTS OUT OF THEM. They’re babied all their lives, they put’em all the way through college & post-grad courses & everything else because they don’t want to let go of them & let them out in the World. They don’t want them to get married young & have children so the grandparents will have to help take care of them & train them & teach them how to take care of their kids, they don’t want to do that!

24. THE PARENTS ARE SELFISH! THEY WANT TO HANG ON TO THEM & MAKE GREAT BIG BABIES OUT OF THEM AS LONG AS POSSIBLE! They get up to their late 20’s & 30’s & they’re still children! They’re still babies & spoiled brats & don’t know how to behave or take responsibility or take care of other people unselfishly or anything like that.

25. SO YOU CAN’T TAKE THE WORLD & ITS CHILDREN FOR AN EXAMPLE, THAT’S THE WORST KIND OF EXAMPLE, A DANDY BAD EXAMPLE!—Like that old joke at least they’re not completely worthless, they’re a dandy bad example!—What parents & children shouldn’t be like! But in the Family I think we’re a very good example of what parents should be like, teaching kids what’s right & about the Lord & to follow Him & His principles & His Law of Love & His rules & getting them reared up in the way that they should go, so that when they’re old they’ll not depart therefrom! (Pro.22:6)—And that doesn’t mean when they’re old&doddering octogenarians like some people seem to think, just before they die! It means that when they’re old enough, full-grown teenagers, they are able to take responsibility & not depart from the ways of the Lord!

26. OUR KIDS ARE GETTING LIKE THAT EVEN BEFORE THEY’RE TEENAGERS! They know how to work hard, clean house, cook, take care of babies & take real responsibility in every field of homemaking & home maintenance & all kinds of things! Our children in our own Home are more advanced, more mature, more
knowledgeable, better-trained, more reliable. Know better how to seriously take responsibility & do the right thing! Even our subteens are more like real adults! They’re serious-minded, thoughtful, unselfish, considerate, kind, helpful & all things that adults are supposed to be. They’re mature enough to get married & have children of their own at an early age, which is the way God intended for things to be!

27. Why else did He make boys & girls start being able to have children at the young age of 12 & 13? He expected them to be adults by that time, almost full-grown adults who are able to take the responsibility of children, to bear children & know how to take care of them & how to train them & how to lead them up in the way they should go! By the time they matured to be teenagers, even early teens, He made them physically capable of having children of their own. But the System has not trained them to be mentally, morally & spiritually capable of having children of their own because their parents have so babied them & so spoiled them that they can hardly even take care of themselves, much less think about taking care of somebody else!

28. God made teenagers to become almost full-grown & capable of having their own children at the early ages of 13, 14 & 15, the early teens! The girls are already having their periods, the boys are already producing semen & they are capable of impregnating the girls & getting them pregnant & they have children! But oh boy, how the System parents fight that!—Horrors! That is a calamity! That is the worst thing they can think of happening to their young teenagers. In some places it’s even against the law, they have to get special permission to get married from both sets of parents. The law requires all kinds of things to literally make it difficult for them to marry & have children of their own & take responsibility. And their parents have made those laws because they don’t want them to grow up. They don’t want them to grow up & to become independently responsible! They really don’t want them to. So the parents make the rules & make the laws & make it as difficult as possible for young teenagers who are at almost the sexiest age of all!

29. God made them to earnestly & passionately desire sex, because He made them to have children at that age! He wanted them to have children! He expected their parents to have trained them so well that by the time they are grown that big & are that many years old, that they are fully responsible adults, able to do an adult’s job & take an adult’s responsibility & seriously do hard work, the hard work of earning a living & taking care of a family & producing children & taking care of the kids!--Right? But oh boy, the System’s not set up like that! They want to keep them virtually all their lives to where they never let them out of the house. Selfish parents want to keep them there selfishly all their lives!—Unless they get so cantankerous they can’t stand them & then they throw them out! But that’s the way they made ’em. “Look at the way they made us!”—That old song the kids sing. Well, it’s a mess the way they made their teenagers!

30. But if we have reared our children right to learn all the things that they need to, first of all to grow up in the nurture & the admonition of the Lord & to know & love Him & love others, they will be capable of responsibility at an early age, at the age of early teenagers, young teenagers. Look at how our young teenagers can cook & sew & keep house & take care of children & can even make love if they’re given a chance!—And they can have children of their own if they’re given a chance. (Maria: Yes, but we don’t permit them to f**k until they’re 15!)—Because of the System rules, because of the laws. It’s just not according to the System, so we have to kind of hold them off. (Maria: The System is a little horrified even at 15, but at that age they’ll usually accept it.)—Yes.

31. We have to conform to the System in order to stay out of trouble with them! We have to sort of clamp down on some System rules. Oh, I think even 14 is not even looked down on so much. My sister got married at 14 & that was no great sensation, in those days it was pretty common. Good night, up in the Kentucky & West Virginia hills, so-called “child brides” were quite common among 12 & 13-year-old girls! (Maria: But not in the more “progressive” & “civilised” areas.) Well, so-called “civilisation” is really backward! You talk about “backward”, the mountaineers were more forward, whereas the valley people were much more backward about God’s ways & God’s Laws. The mountaineer teenagers were great big boys & girls who were adults & full-grown & able to make love, have children & take care of them too!

32. (Maria: We’ve got to talk about rules for our homes, rules for our teens who
ARE NOT ONLY IN THE STATES BUT ALL OVER THE WORLD! Yes, we have to be careful. (Maria: So 15 is the age you suggested, & in most countries I think it’s pretty wise. Even for all the supposedly ‘backward’ countries, 14 is still considered very young.)

33. OF COURSE IT’S SHOCKING & HORRIFYING TO THE SYSTEM, BUT YOU KNOW HOW I FEEL ABOUT IT! Frankly, I think as children, before the girls start menstruating & the boys start seminating, that’s their opportunity to have all the sex they want with no problems—as long as the System doesn’t know it—& to get their experience, & that’s the way God intended for it to be! He didn’t let them be able to have children until He thought they were old enough to take care of them. And apparently God thought they ought to be old enough & smart enough & responsible enough to take care of them at the ages of 13 & 14! But their parents & the System have not trained them to be intelligent enough, wise enough, godly enough & responsible enough to have children at that age. They’re physically able, but System children are not mentally, morally & spiritually able to have children & take care of them properly.—But ours are, they really are! (Maria: And the Lord gives them lots & lots of baby brothers & sisters to take care of!—Even if they can’t have babies themselves because of the System.)

34. BUT UP UNTIL THAT AGE THERE IS NO DAMAGE THEY COULD DO BY HAVING ALL THE FREEDOM THEY WANT in exploring each other & having whatever sex they can manage to have! Frankly, that’s my opinion. I don’t know if we’d ever be able to publish that, because that is what the System is horrified at already! They call it “child sex” & all that kind of stuff. But actually the Lord made children so they’re interested in it & they enjoy it with each other & they like to explore & have adventure! He made them able to enjoy it at those younger ages & they can even have orgasms!

35. GOOD NIGHT, I WAS HAVING ORGASMS WHEN I WAS TWO & MOST CHILDREN CAN, BOYS & GIRLS, IF THEY LEARN HOW!—And most of them can learn how on their own! When that little thing starts sticking up & feeling good, you know it’s doing it for some reason, & when fondling & handling it feels good, you do it! It’s perfectly natural! It’s the way God intended for it to be, for girls too! They don’t stick up, but they have those feelings & they can soon learn to massage & masturbate themselves if they aren’t discouraged from it! But the rules of the System & the mores of their System parents absolutely forbid it, it’s taboo!—And if you don’t mind their taboos, they go boo!

36. MARIA: SO FOR THE SAKE OF POTENTIAL PROBLEMS WITH THE SYSTEM, WE’VE SET A RULE FOR OUR GIRLS THAT THEY CAN’T F**K AFTER THEIR PERIOD TILL THEY’RE 15.) Yes, now you’re making the qualification. As I said, I think there’s no reason to discourage them having sex with each other until the girls begin to menstruate & the boys begin to seminate.—Not because there’s any danger in it as far as our Family is concerned & our ideals & mores & standards & rules, but in order not to horrify the System, which thinks it’s terrible for teenagers to get married & especially for young teenagers to have sex & children! So we have to be very careful at early teen ages that the girls don’t start having babies so young that they are shocking the doctors & authorities!

37. I DON’T THINK THAT 14 IS TOO YOUNG, THERE WERE PLENTY OF 14-YEAR-OLD GIRLS GETTING MARRIED WHEN I WAS A KID, INCLUDING MY SISTER. Of course, she didn’t have babies right away, but she was even legally married. They didn’t require any proof in those days so they just lied about their age. She was 14 & he was 17. (Maria: But if they’d known she was 14...)—The preacher would have been shocked! (Maria: In most countries today it’s quite scandalous.) But my sister was quite intelligent & she looked mature & she looked like she could have been 16, which I think was the legal age then.

38. YOU NOTICE HOW THE MARRIAGE AGE USED TO BE PRETTY LOW IN THE OLD DAYS & THE RULES WEREN’T SO TIGHT.—Because parents were better & teenagers were better & were taught responsibility. Families were bigger & the teenage girls by that time had a lot of family experience at taking care of children & learning how to cook & keep house with their mothers & taking care of their little brothers & sisters, so they could be trusted to get married & have homes & children of their own.

39. BUT NOW, GOOD NIGHT, EVEN FULL-GROWN ADULTS IN THEIR 20’S & 30’S ARE STILL IME- CILES MENTALLY & ABSOLUTE DEMONS SPIRITUALLY! So who could trust them with having anything, much less the greatest responsibility of all, having children! (Maria: And many are abusing their body on top of it with drugs & drinking.)—Yes! They seem to think that childhood sex is child abuse, but it’s so ridiculous when they abuse the chi-
children more with all of their horrible lack of training & spoiling & the kind of television they let them watch! They poison them spiri-

tually, which is the worst kind!

40. THEY EVEN LET THEM HAVE DRUGS ON A LOT OF THOSE SCHOOL CAMPUSES IN CALIFORNIA THE TEACHERS & AUTHORITIES DIDN'T EVEN MIND! Just like Jeremiah said when he started passing out tracts & the school principal called him in & bawled him out & the teacher scolded him: "You saw me out here peddling speed & drugs & you never said anything, but the minute I started preaching the Gospel, then you all began to rave!" It shows you how anti-Christ the educational System is!

41. WE'VE HAD MANY PARENTS SAY THAT, "WE'D RATHER HAVE OUR KIDS BACK ON DRUGS THAN HAVE YOUR KIND OF RELIGION!"—Really! That's how perverted the System is! So how could you trust the System with anything? They've made a mess out of their kids, a mess out of the World, a mess out of themselves & everything! So with all their hellish ideas & hellish laws & hellish immorality & all the rest, how can you conform to the System? Thank God we're a revolution & thank God we have rebelled against it! But on some things you've gotta conform or you're going to be in trouble with the law! (Maria: Exactly, or they might even take the babies away)!—Yes! They can declare you an unfit mother or father & take away the children, & they've done it in a lot of cases.

42. THE SYSTEM ITSELF IS WHAT'S UNFIT! They call us unfit fathers & mothers & then they take the kids & put them in orphanages & in what amounts to reformatory & children's homes with a bunch of devils & demon-possessed adults & devilish children & they call that more fit! They call us unfit when they're the most unfit of all! It's just the Devil's whole System!

43. BUT BECAUSE THE SYSTEM IS SHOCKED ABOUT TEENAGE SEX & TEENAGE MARRIAGE & TEENAGE MOTHERS, I certainly think it's very wise for us to be very careful to guard against our girls getting pregnant at too early an age for fear you're going to shock the doctor & shock the System & cause your- self trouble. It all depends a lot on the situation & the country you're in & just how shocked they would be to have a teenage mother. Some of the developing countries, the more so-called backward countries, they're not all that shocked about it. They're used to it themselves because they live under more primitive rules & laws etc.

44. PANDITA RAMABAI WAS MARRIED WHEN SHE WAS 12 YEARS OF AGE, & MANY OF THE INDIAN BRIDES WERE BETROTHED AT THE AGE OF 7! I told you about Rosa, she was a Muslim living in Trinidad & she was betrothed to a little boy about the same age at 7 years of age! So when he was playing marbles & she got around too close & was bothering him, the little boys said to her betrothed, "Tell your wife to go home!" They were serious about it, it wasn't any joke! She was betrothed, she was supposed to marry him.

45. (Maria: The thing is, worldwide "protection" of children has swept the world!)—Yes, & it's the Devil's Kind of protection! It is the Devil's protection of his own children to want to make devils out of them & to keep them under his control, that's the whole thing. (Maria: But it has swept the whole world. Even the so-called backward countries now have raised their marriage age way up.)—Exactly! They think they're uncivilised unless they have the same rules as the so-called developed countries, the rich countries. So they're trying to get away from child brides. But thank God our Family is in these less developed countries where we're missionaries & they're not quite as particular about it as they are in the countries of Europe & North America. But you take ultra-Catholic South America, they're pretty strict about some of those things, although they have pretty young marriages!

46. (Maria: Look at Dion in the Philippines, he went through all kinds of things to be able to marry his 16-year-old wife! He was 17 & she was 16. He had to get written permission from both his parents & his Embassy, & the girl had to get written permission from her parents & it was quite a big thing!) That's how they control 'em! Boy oh boy! Well, the Philippines probably couldn't give a hang, it's probably the American or British Embassies that insist on this sort of thing to try to control their so-called citizens even after they're out of reach!

47. BUT BECAUSE OF THE SYSTEM Ideas & Rules & Laws & THEIR Concept of Things, which are all contrary to God's rules & laws as I've mentioned before—God's laws are against man's laws & man's laws are in vio-

lation of God's laws—because of this we just have to be careful in our revolutionary living & our radical ideas & our liberties & freedoms which the System doesn't have & sometimes doesn't tolerate. We would cer-

tainly be wise to try to avoid letting our girls get pregnant at too early an age for
the country we’re in. We probably should try to keep the sex under enough control that the girls don’t get babies at too shocking an early age, God willing!

48. BUT HOW ARE YOU GOING TO TRY TO INTERFERE WITH THE LAWS OF GOD? That’s literally interfering with God’s laws & God’s natural instincts & His ways of doing things when you’re trying to lay down rules for our young teenagers not to fuck? (Maria: Well, we have to do that with a lot of other things too. We can’t walk around naked in our Houses if the neighbours are too close & are going to see us. We have to modify our actions because of the System. It’s not going to hurt them not to actually fuck for a couple of years. But they can do everything else, & they can enjoy themselves, & they have oodles of babies & sisters & brothers that they can take care of, so it’s just the fact that they can’t actually fuck for two years, & it’s probably not going to hurt ’em.)

49. MOST GIRLS START MENSTRUATING AT ABOUT THE AGE OF 13, THE TEENS, & MOST BOYS DON’T HAVE SEMEN UNTIL ABOUT 13. I started having semen at 12, but not all boys begin then. Anyhow, from the time they begin menstruating & semenating, then they’re going to have to be very careful with each other, especially the girls. Boys with semen are going to have to avoid fucking girls who menstruate. There are plenty of other kinds of sex they can enjoy even with each other, without actually fucking. I’d say in a case like that, if they must have sex, it might even be wise to give them enough sex education, & as the System calls it, “Family Planning” knowledge, so that the boys learn how to use condoms & the girls insist they do, if they must or if they should.—Not because we’re trying to avoid having children for our sakes or interfering with the laws of God, but just to avoid trouble with the System!

50. SYSTEM PARENTS NOWADAYS ARE GETTING SO ACCUSTOMED TO TEENAGE PREMARITAL SEX AMONGST THEIR OWN CHILDREN that mothers are simply insisting that their daughters go down to the doctor & be fitted for a diaphragm almost as soon as they start menstruating, because they just know they’re going to fuck. So maybe we’ll have to do something like that. (Maria: The funny thing is that these devices aren’t absolutely sure!)—Neither condoms nor diaphragms are sure, there is no real foolproof system of so-called “birth control”!

51. (Maria: I went until 23 without fucking & so did others & it didn’t hurt us a bit! So I don’t think two years where you can’t actually fuck, if you can do everything else, is going to hurt then! Why should they have to fuck? I don’t think that’s putting too much of a restriction on them.) Well, let’s hope they don’t fuck, but if they do, that they don’t have a baby & that it’s not at such an early age that it’s going to cause the family trouble with the System. Let’s put it that way. Let’s hope they can get by with all other kinds of sex to satisfy them, which they could.

52. I NEVER FUCKED UNTIL I WAS 25 & MARRIED! I had my own little do-it-yourself kit of 4 fingers & a thumb which was very satisfying when it was necessary. And if I had known then how to satisfy the girls, I could have easily satisfied them like I do today! I’m not always able to fuck any more myself now, but I’m perfectly able to keep the girls happy, & they’re able to keep me happy anyhow without fucking, mutually satisfying! Even you & I don’t always fuck! We do sometimes, but we know how to satisfy each other & how to really enjoy sex together & love & loving-making & be completely fully satisfied! (Maria: And that’s more important! That way they’ll learn real loving & giving sex without just jumping & jumping off!)

53. BUT CONSIDERING THE SEXUAL ATTRACTION BETWEEN YOUNG TEENAGERS, BOYS & GIRLS, YOU’RE GOING TO HAVE A FIGHT TO TRY TO KEEP’M APART! We don’t want to keep them apart, but you’re going to have a fight!—Because in that extreme passionate moment it’s the natural instinct of the boy to want to get on & fuck the girl!—And it’s her natural instinct too! So you’re going to have a hard time to fight it off!

54. (Maria: Well, it was the same instinct with most of us who are now parents when we were growing up, but our parents certainly knew how to throw the fear of God into us & the fear of them & the fear of the System, that if we ever fucked it would be hell to pay & everything would go crash, cause horror of horrors, we’d get pregnant! And that was sufficient to keep most teen girls away from fucking! Most teen girls didn’t fuck because of that very reason. So if we throw enough fear of the System into our kids & motivate them to abstain because they are afraid to hurt the Lord’s work, I think most of our teens would do it.)

55. WELL, I THINK THAT EACH SITUATION
Each group & each individual has to pretty much find out what the Lord wants them to do under their situation & conditions & the country they're in & the mores of the culture they live in, & conduct themselves accordingly to that which will keep them out of trouble in that particular area. So we do have to be extra careful, especially with these young teenage menstruating girls & seminating boys, I agree. They're going to have to solve the problem somehow because they're extremely sexy at that age, as I was, & extremely desirous of sex. And they're going to have to learn either to satisfy themselves or satisfy each other without actually fucking, if possible. And it is possible, as you say & as others say & I say. You went till you were 23 before you fucked & I went till I was 25 before I fucked! —So hang on, kids! Gay! Ly!

THE EARLY TEENS!

THE EARLY TEENS: 1962 8/84

--The Crucial Years!—The Age of Decision!

THE AGE OF DECISION!

1. THE EARLY TEENS, 12, 13 & 14 ARE REALLY THE CRISIS AGE FOR TEENAGERS. It seems like if they can make it over that hump, then they'll be okay. They're even recognised by the educational System as the most difficult disciplinary age in school. They can be the wildest, most boisterous & most difficult to control. They become about as big as adults, but in a way they still have child's minds, so they've got that big body with that little mind pulling it around doing silly foolish things!

2. AND YET MY FATHER & SOME PREACHERS USED TO CALL IT THE AGE OF DECISION, because it was by that time most children had made their decision to receive the Lord & follow the Lord. It's an age of decision. After that, by actual surveys, the proportion of young people receiving the Lord declines. He used to illustrate it on the blackboard with the age of decision beginning at a fairly early age, at least the stats that he had, somewhere around five, six or seven—which is the earliest most church people seem to think their children can accept the Lord. They haven't quite got the faith for age two like we have!

3. THE CURVE OF THE PERCENTAGE OF RECEPTION OF THE LORD CURVED UPWARD FROM THOSE EARLY YEARS & REACHED A PEAK AT 12. The largest number of young people receiving the Lord was at 12 years of age, & then declining after that until when it got in the 60's & 70's it was almost nil! It declines from 12 years of age on down, fewer & fewer receive the Lord as the years go by. Apparently they get harder & harder & less receptive & responsive.

4. SO YOU MIGHT SAY THOSE SUBTEENS & EARLY TEENS ARE REALLY THE HEIGHT OF DECISION when they're making a lot of decisions of which way they're going to go. So they're extremely important years in which they choose the right direction, & in the System schools they're considered the very most difficult age for discipline, the most rowdy & the most disobedient & naughty & getting into all kinds of trouble. It seems if they get over that hump into the upper grades like senior high school, they've sort of made their decision of what they're going to do & what they have in mind to do with their lives, & they sort of settle down & get with it & go to it & really work at it. But in those early teen years they're still almost little children, a little too playful & foolish & haven't really gotten control of themselves yet.

5. DR. FAKIMA, THE FAMOUS CHRISTIAN EDUCATOR I OFTEN QUOTE, SAID THAT THAT'S THE CRUCIAL AGE, THE AGE OF DECISION, but if they can make the right decisions at that age, the right direction, from then on it gets easier. At that age they're extremely restless & want to go places & do things & are dissatisfied with home & parents, that's why I've often contended that that's the age the Lord intended for them to marry. He made it possible for them to marry & even have children at that age, & that helps to really settle them down.

6. AS YOU CAN TELL BY MY DIARIES, THOSE WERE REALLY CRUCIAL YEARS. Of course, I don't think my Diaries began before I was 14 when I was beginning to make it & take life seriously & the Lord seriously & His work seriously. I was really idealistic & tried to really do something with my life. I realised I was no longer a child, but that I was becoming a man & I had to make something of myself.

7. SO AT THAT AGE THEY'RE REALLY TRYING TO FIND THEIR PLACE IN LIFE & WHERE THEY
