

WE'VE BEEN HAVING QUITE A FEW FINANCIAL PROBLEMS the past few mos., & always had trouble getting together our 10%. But since the beginning of last month we started obeying the wise coun-

sel! Dad has given us so many times to faithfully put away His share every day, & as a result the Lord's started blessing. It's not all taken care of yet but we know it will be, & the Lord will keep blessing as we keep obeying. Also Hazi started litnessing like crazy & we're already seeing a lot of good fruit from it!"—Haz & Eve.

"WE HAD AN INTEREST-ING THING HAPPEN while out camping. We pulled into a camp spot right next to Joel & Carmel Wordsworth. They have 4 kids & are living in Richmond, Calif. right now. We didn't get to talk much more as they soon moved their trailer to a bigger spot. We didn't find out exactly what they're doing, but they're very well equipped for camping with a 17-ft. trailer & truck-camper as well. We prayed when we pulled in & asked the Lord to show us if we were meant to be here with them for some reason. Right then the park manager showed up & told them of a bigger spot to park, & they left. "THE DEVIL TRIED TO GET US NOT TO SEND IN OUR 10% as we didn't have enough for our 10% & living expenses. But we decided to trust *the Lord for the money. In less* than one hour the Lord supplied some extra funds that are to come in the mail next week. Praise God, He always supplies when we give!"—Shad & Misty.

QUESTION: "I may be wrong, but Dr. Turtle with all his theories on playpens, harnesses, schedules, babies sleeping in a different room etc. seems to me to be very far from Dad's spirit that we see in the Letters. If I'm wrong let me know. Thanks."—Maggie; S.E. Asia.

ANSWER: *TTL for Dad's spirit & Maria's sample! As Dad has said, we have to choose the good & eschew the bad when reading system books. We don't like Dr. Turtle's ideas on a strict feeding schedule either & rather leave it to be decided between each mother & her baby. The reason we did recommend Dr. Turtle's book is for the emphasis he puts on the mother's rest & the satisfaction of baby. He also gives helpful advice for parents-to-be. WLY!—Dora.)* ■

From Faith & Juan: Jonas shared with us how he & his family were caught by the deprogrammers when they went to the U.S. last year for a homegoing. He said that a guy called Cephas who wrote the "Kid-napped" testimony is a real deceiver & acts like he is with the Family but has allowed his house to be used to deprogram people. Those in the U.S. beware!

MIGUEL & ALEGRIA in Zaragoza, Spain, are leading people astray w/ their lies, some vicious & damaging. Pray for them, but be

—AND ALSO: Hans Kern, Bible name Ben Mountainman, Austrian, now w/deprogrammers in Austria.

WARNING!

"IT SEEMS THAT FORMER BRETHREN JORAM & JOIDA GYPSY are heading a group of backsliders in Houston, Texas. *They wrote us after we responded to their find-a-friend ad in the FN. It seems Deborah, Jeth & Eman Artist were visiting them recently. They offered us support if we would send them the FN. They don't want to help 'The Family' with 10% or any at all. They don't even want to read the Mo Letters. All they want to do is get the names & addresses of people from the Want Ads. It seems they have quite a following in Houston, so BEWARE!*"—Paul & Dulcinea; U.S.A.

"I WOULD LIKE TO WARN THOSE RESPONDING TO JORIM & JOIDA'S AD in Mag 21. They are no longer with the Family but like to contact the weak or those who have left the Family, to sow their evil seeds of doubts against Mo. Last year they had a meeting in their home headed by Jethro with backsliders like Sam, Esrom, Absalom, Matthew Parkinglot etc.. J&J usually first try to act like friends & sympathetic with the Family but soon show their true colors. Sad but true."—Pablo & Joyful; U.S.A.

THIS MONTH I RECEIVED A CHECK FOR \$500 from a car accident I was in. We decided to send it all to W.S. because we owed some back tithes from reports that didn't get thru'. Well, then we decided to get a few needs & send in the rest. The Lord wasn't too pleased about the decision because less than 2 hours later I either lost or had stolen \$200! Boy, did we get desperate, especially when we read 'Irfers Beware'. So we sent in all our remaining money & one of the brother's whole pay checks, & it equalled exactly the tithe we owed. It really made us feel so good to give, a real relief actually. Now it seems that the Lord has given us so much more financially, more than we've had before. We're paying off some bills we owe & then we will be getting a camper & all our survival needs. —Nathan & Daystar; U.S.A.

"SINCE WE BEGAN PUTTING A FORM FOR SHEEP TO WRITE IN on the back of our distribution lit, we've had lots of responses & sweet letters. So now we have a growing mailing list & also 12-15 regular sheep whom we are corresponding with personally & feeding the Letters."—Daniel & Miriam, Grant & Lydia, Indonesia. (*Excellent idea!*—D.)

"ONE NIGHT AT 11 P.M. about a dozen men & one woman came into our camp with chains & other weapons & said we were COG & asked for the leader. They beat & tortured Belte seriously & threatened to kill him & his family & us. They wanted addresses & threatened to kill us if we didn't leave. They were in their 20's, looked like Marines. Altho' we said we didn't know what they were talking about they knew who we were & only left when other campers came to our rescue."—Daniel & Ruth Noah; Hawaii. (*Ed.: That's the U.S.!*)

"I FEEL THAT KEEPING COSTS TO A MINIMUM IS VERY IMPORTANT in the FN, & perhaps we could do without full-color covers, double-size pages & heavier paper, also with less repetition of past Letters. I also feel the Komic Editions should be in addition to, not in place of, regular bi-weekly feedings."—Solomon & Shannan; N.Z. (*Ed: Aren't you interested in ministering to others with a better magazine, extra books like the Mobile Handbook & Komic Editions for the children?*) (*We're doin' our best!*—D.)

"THE LORD SHOWED US HOW WE CAN BE MORE EFFICIENT IN DONATING to the mission field. When we put aside

our 10% in a special envelope, we have another envelope in which we put 5%. Thus at the end of the month we have a goodly amount which we've been sending to 3 or 4 families which we've 'adopted' in S. America. This works better & is more efficient than just random donations here & there."—Uriah & Sharal; U.S.A. (*Amen!*—D.)

"I HAVE HEARD OF MANY INSTANCES OF TEAMS CHANGING MONEY ON THE BLACK MARKET in countries where the exchange rate is 2-3 times the official bank rate, because of the government's tight restrictions on foreign exchange. This is completely illegal & can result in heavy fines &/or imprisonment. Maybe Dad could give his views, as this seems to be a common practice in some countries."—Jephthah & Milcah; Eur. (*Dad: "According to your faith be it done unto you."*—Mt. 9:29.,

"ANA (1 YR. OLD) WAS HEALED OF ALLERGIC BRONCHITIS (a sickness which can last years). The Lord healed her in a few days thru' prayer & fasting of Enrique & Ester."—Enrique & Ester.

"WE REALLY LIKE THE TRUE KOMIX, altho' for me (Genesis) the women with hearts dotted all over are revolting."—Gabriel & Genesis; Eur. (*RU jealous? We thot it was beautiful!*)

"THE LORD HEALED ROSA WHO WAS PARALYZED for a whole year. She had a spirit of fear & didn't want to go out of her house & was always in bed. But a brother, Juanjo, prayed with her & the Lord healed her! The boss of one of the print shops where we sometimes have lit printed received the Holy Spirit, has been witnessing & winning souls all he can & now from this month on he wants to TRF, tithe his 10%!"—Jasper & Maria.

"THE LORD GAVE THE 5 OF US A FREE BOAT TRIP from Madeira, Portugal to the U.S.! We witnessed to the captain & crew all the way across the Atlantic, & when we arrived he arranged for us to talk to the owner who said we didn't have to pay anything!—A savings of \$1,000 which we didn't have & couldn't have paid anyway! TTL, where He guides He provides. We've come to the U.S. to get a trailer & then head South."—Bart & Alicia; U.S.A.
