because of this & you'll easily find yourself "inside the door" on many occasions. Again, we use MWM minstrels in our approach & always carry with us the MWM brochures, magazines, & cassette tapes, etc. This makes us more presentable & easily accepted by the public. Office to office & shop to shop fit in this category as well, being especially fruitful for a team of 2 sweet sisters!

AS WELL AS ALL PUBLIC INSTITUTIONS the schools are wide open for music programmes. This is an excellent way to reach the young new bottles, to win thousands of souls, & to distribute lit also. So far we have done 36 music programmes in this city.

FFING TOO HOLDS PLENTY OF POTENTIAL, especially in the larger cities. Your children, also, will be a real hit here! Indians love children & will welcome them with open arms. There's never been a children's show group, but we believe they could really go places!

IT'S AMAZING HOW OPEN THIS COUNTRY IS in so many ways. Of course, one must use a certain measure of caution as "those people" are definitely known here, but now with our new approaches & especially MWM

the Lord has opened many doors wide for us to march in & claim the land!

SINCE WE OPENED OUR HOME HERE the Lord has helped us to witness to 22,000 people & win over 14,000 souls! PHN! We've also been able to win 2 full-time national brothers to the Family, one of whom is with us now & the other has gone to Bombay to help distribute the WWW in Hindi.

PROVISIONING IS ALSO POSSIBLE & thanks to a faithful brother, who, when he left turned over all his contacts to us, we are able to provision fruits, vegetables & many staples as well! PTL!

OUR COL IS ALSO FLOURISHING with a dozen or so faithful young people who come every week to hear the Word. We've been able to cover the whole Daniel series using the FC Flannelgraphs. Three days after our Daniel 8 Class, where we showed that the AC would rise from Egypt, Sadat was assassinated. This really blew everybody's minds & impressed upon them the seriousness of the world situation & future events which have already been predicted in the Bible. We also have many sweet & sincere friends who come regularly for fellow-

ship & are willing to help out all they can. It's so inspiring to see the fruit of our labours! Hal! The Lord has also blessed us with 2 sweet fish who both love us very much & help out regularly. PTL & GBT!

AS YOU CAN SEE, THERE IS SOMETHING FOR EVERYONE HERE & if you feel the Lord is calling you, we'd like to encourage you to "step out"! India is waiting & we believe she's ready for a great & mighty harvest! She is love-starved & needs Jesus desperately! Remember the Maharishi? Maybe you could satisfy her! She needs you!

IF YOU ARE NOT ABLE TO COME but

feel led to help us help others here in India please send to the Indian CRO or designate your donations to Peter & Joanna in India on your TRF report. Your donations really go a long way here, enabling us to do a better, more effective job for Jesus! Thanks so much! We love you & need you! *Amen! Go or help! Much Love, Peter & Joanna. Love'r!)*

From Caleb, Rebecca & Esther, India:

WE HAVE BEEN HERE IN CALCUTTA FOR OVER ONE MONTH NOW & have just set up a Home from where we can work. Many of our old friends are still on the line & very happy to see us back home again. Some of them are saved & have really matured a lot & are introducing us now to other broken-hearted people, GBT!

IT WAS VERY DIFFICULT TO FIND A FLAT, so we asked the Lord to definitely give us one within three weeks if He needed us in this city. Looking at a flat a day without results, we were strolling around that last evening, when Caleb remembered the first flat we saw, so we passed by there. The landlord agreed to lower the rent which had been too high for us, & gave us the flat. It has surely proven to be God's place for us, as the 48 families in the building have warmly received us & we ended up singing love songs for them on their Puja, which is as our Christmas. They really liked it & joined in clapping their hands. It's surely different from the West

Beautiful Rebecca & Esther in Esplanade

where you hardly know your neighbours.

WE HAVE ALSO STARTED TO USE OUR VIDEO, recording MWM listeners, the city & its people & showing movies in clubs & for neighbours, which has proven to be a very good way to get to know the people. Videos are very scarce & a real status-symbol. If they only knew how "poor" we are. Right now we only have 30 rupees! Hal! We will soon finish recording our first cassette & will be able to send it off to be shared with others.

IT WAS A MIGHTY MIRACLE HOW WE GOT THE VIDEO. Three weeks before we left Sweden, we bought travellers-checks for all our savings & asked the Lord to supply our tickets & a complete set of video equipment. Caleb & Chris went on the road witnessing & Rebecca & Esther asked friends & family for help. We ordered our tickets & the day before we left we had money for both the tickets & the video. The Lord also gave us video cassettes, 36mm films, a guitar, guitar

strings, suitcases & other needs which was such a confirmation that He really did want us to go into all the World to preach the good news, & that obedience brings down the blessings of God! PTL!

CHRIS HAS STARTED SCHOOL HERE to become one, & we will start singing in schools & other places after the holidays. That means that by the end of this month we should be in full swing for Jesus. Please pray for us & come out here to help if you can. If you can't, maybe you can help us do our work here by sending a donation. Anything, big or small, will be appreciated & the Lord will surely bless you for it! We hope to hear from you soon! Ps. 25:5. Love, Caleb, Rebecca, Esther & children.

P.S. Please send your gift with your TRF to your Reporting Office, designated for Caleb, Rebecca, Esther & Family in Calcutta, India. Thanks! We love you!

(Amen! Bring or send Home Support!)

CHANGED BY LOVE!

God's Love & the Letters helped Rodney find a new happy life!

From Rodney, India:

Hi Family,

MY NAME IS RODNEY, & I am 26 years old. I would like to tell you all how an example of God's Love changed my life.

I WAS BROUGHT UP IN A PROTESTANT, ANGLO-INDIAN FAMILY in India. My parents were very kind, simple & sweet & tried to sacrifice all they could to bring my sister Linda, who joined the Family last year, & me up in simplicity & love & a homey atmosphere. Even though they had done all they could to keep me happy & satisfied, they could not understand why I was such a rude, aggressive, dissatisfied young person.

I HAD A GREAT INTEREST IN ANYTHING MECHANICAL, speedy & noisy, especially motorbikes. But even after all those thrills my happiness was superficial & only temporary. There was a void in my life that I could not explain & my search for happiness & contentment went on & on. My unhappiness tormented me to the point of giving up, but at the same time I had an inner fear of death.

FROM MY YOUTH I KNEW THAT JESUS WAS THE WAY & the only One, but I used to get put off seeing the usual "Christians" who were not much different in their outlook & actions than everybody else. I got

so sick of all the hypocrisy in the church & the lukewarmness & top show. I became a literal atheist who never prayed & even tried to stop others from doing so!

MY PARENTS & SISTER USED TO TELL ME ABOUT JESUS but I would never listen because even they didn't have what I wanted.

Rodney, happy in his new life for Jesus!

I was a rebel since birth & never liked society & stayed apart from it as much as I could.

MY SISTER WAS A MWM MEMBER & one day the minstrels, James & Carmel, came to visit her. She was so impressed by their love & sample that she totally flipped out. She had never seen people flowing over with so much love & happiness & she knew she had met His true children at last! She also asked me to see them, but I wouldn't go, which I regretted afterwards.

A FEW MONTHS LATER MY SISTER'S BOYFRIEND PASSED AWAY & even though I had expected her to really break down, I found she had a real peace & look in her eyes that I had never seen before. (Jesus!) Since she had lost someone so close, I knew she was terribly broken, yet I knew I could do nothing for her. She just sat & read her Bible, meditated, & also read from a thick green book, the Basic MO Letters! I knew she was strong spiritually & had peace in the midst of a storm. She seemed at peace with herself & also contented. I rather envied her kind of peace, because I had searched & searched, but never seemed to find it.

AT ABOUT THIS TIME, LINDA WENT TO BOMBAY FOR A VISIT WITH THE FAMILY THERE. One night while she was gone, I lay in bed, feeling defeated & broken hearted. I cried out desperately to the Lord for help & said, "Lord, I'm fed up with my life & I know only You can help me to change my life like You changed my sister's life!" I then asked Him to come into my heart. TYJ! I didn't know what had happened, but it sure felt good!

A FEW DAYS LATER MY SISTER CAME BACK from Bombay & she told my girlfriend & me about the Family there. It really amazed us! We couldn't believe what she told us about the love in the Family. Seeing the change in my sister & me caused my girlfriend to ask Jesus in her heart also. PTL!

WE THEN STARTED READING THE LETTERS OF FATHER DAVID. I had never read anything like it in my life. It blew my mind & sent cold shivers down my spine. It contained what I knew was the truth about the church, & the world, Jesus & everything! He was the archeologist clearing away all the debris that had been there for years. His Letters explained the Bible as it really was & how Christians were ordained to preach the Gospel in all the World, as it clearly states in Mark 16:15. He also wrote how Jesus was a total

drop-out from society. Wow! What truth! I knew he was God's mouthpiece to the World as he wrote & warned of the end-time & what the Lord had told him to tell the World. TYJ!

THEN LINDA WENT BACK TO BOMBAY to do a teacher's training, but instead she joined the Family as a minstrel with MWM! PTL! My girlfriend & I wanted to drop out too & my parents could not understand what had gone wrong with us! We had become radical Jesus Revolutionaries, rebels against this World's system & we saw only one way to live, & that was to serve Jesus full-time. I knew this life wasn't worth living if I couldn't live it for Jesus! PHN!

MY GIRLFRIEND & I WEREN'T LIKED because of our revolutionary ways & ideas, & her parents forcefully broke up our friendship. We then decided not to join the Family. The Enemy was really fighting & I was really broken. My dreams were shattered. It seemed I had been better off before I got saved.

I SIMPLY COULDN'T GET MY MIND OFF THE FAMILY & all of the Lord's Love that shone through them. I went to see them again, for a month's vacation, & while I was with them, I was able to witness, to do a show in a school, to visit MWM members, go Office-to-Office, etc. It was so inspiring! I had never been so happy in all my life! The love that they had was a special love & this love they shared so freely.

WHEN I RETURNED TO MY HOME it was to give my factory a 2 months' leaving notice! My workmates were shocked, as I was well-liked & considered a skilled person with lots of future opportunities. My parents were calm & cool about my decision & only told me to think seriously about it.

I AM NOW SERVING THE LORD IN PETER & JOANNA'S HOME in Southern India & I'm so happy & content in His service with the Family. At last I know I am doing what I know the Lord intended for me to do. I'm so thankful for such a loving Family who understands me & loves me in spite of my failures. I'm so happy!

I WANT TO SAY THANKS SO MUCH TO YOU, DAD, for your encouraging & spirit-lifting words & for making this new life possible for me. I love & need you so much! In closing, if you would like to help us to help others, we could sure use it & appreciate all your help!

Rodney.

(Amen! GBT! PTL! He needs more like you!)
