### HAIR CONDITIONER FOR DAMAGED HAIR

**NEED A GOOD HAIR CONDITIONER for damaged, split ends or dry hair?** Try **Castor Oil**! After spending 3 years in a hot tropical climate & then a pregnancy, my hair was in very bad condition, to the point I was ready to cut it.—Until we found a natural beauty aides book that suggested using Castor Oil.

**COMB IT INTO DRY HAIR**, tie it up & place under a plastic bag for at least one hour, then wash in warm water & rinse with a lemon rinse (1 lemon squeezed into 2 cups water). Rinse again in clear water. I now do this at least once a month to keep it healthy. I'd previously tried other oils, but I found Castor Oil to be the only one that works.

### KEEP DRY FOODS DRY!

**NEVER PUT A DAMP SPOON** into a can of dry milk or jar of coffee. Never get one drop of water into any dried food, as it contaminates them. That's why they're dried. They're preserved that way.

**DRY & WET ARE OPPOSITES** & if you get moisture into dehydrated foods you put them back into their original state & they go off. The powdered milk becomes real milk, & that milk will sour within a day! The coffee is a bit different, as germs are not as fond of caffeine as they are of milk.—Notes from a talk by Dad. (Moisture will cause the coffee to go stale & lose its freshness. Same with honey: A damp or dirty spoon will contaminate the honey & cause it to go off by activating the natural enzymes that are in it.—Editors.)

### HOW TO KEEP KIDS' DINING CHAIRS CLEAN

**IF YOU HAVE SMALL CHILDREN** who are old enough to

sit at the diningroom table with the big people, here's a good way to keep your nicely upholstered dining chairs free from spills & sticky hands.

**COVER THE SEAT IN CLEAR PLASTIC SHEETING.** You can often buy it by the meter at hardware departments. It comes in various colours, but the clear variety blends in with your decor. We've found a good way to secure it to the chair to be with packing tape,

not taped to the chair itself but overlapping the plastic sheeting & taping it to itself, to hold it securely in place.—F.N. Home

## DENMARK: Love Makes News!

caption: "We believe in love," said Lydia, when passing out "Love Letters" yesterday in Haderslev.

(From an article in the Danish newspaper "Jyske Tidende", 18/7/79) **SEVERAL HUNDRED "LOVE LETTERS" WERE DISTRIBUTED** when members of the family visited Haderslev. They strolled thru "the streets of Haderslev to evangelise their cause.

**"WE BELIEVE IN LOVE.** People should love each other. God's only law is love. Everybody ought to help each other & be concerned for each other," said Ray & Lydia from Odense. They had hitched from Odense to evangelise here.

**"WE TRAVEL OVER ALMOST THE WHOLE COUNTRY** to spread our message—God's Love. As a rule, we take the train or bus, but when we are short of money we go out on the highways & hitch. In this way we come in contact with a lot of people.

**THE "LOVE LETTERS" DISTRIBUTED YESTERDAY** were about "love children" & abortion is condemned. They maintain that abortion is murder. "We are religious but we don't agree with everything the church does. For example, we think that the church is too concerned with rules & traditions. The church ought to rather concentrate on the Love of God & teach people to love one another," said Ray & Lydia before leaving Haderslev. (Translated from Danish by Ray & Lydia.)

## God Is Still On The Throne

**How sweet the memory—as a child when disappointments came My mother's faith and courage sweet, that put my own to shame. For in the time of trouble deep my faith would weaken sore, While hers just seemed to thrive on trials and only grow the more. And then it was I'd hear her say as my doubts took to wings, "Why—God is Still upon the Throne and PRAYER CHANGES THINGS."**

**But, after years, I wandered from the shrine at mother's knee; For seeming wise and learned men had clearly shown to me That such a simple, childlike faith was now quite obsolete. Enduring just to give pass, today—'for fools' lives meet. "All this", they said, "is only myth and from gross ignorance springs. That God is Still upon the Throne, and PRAYER CHANGES THINGS."**

**Their way seemed well in weather fair but Oh! when troubles came it didn't meet the need at all—'twas such a futile game. "Now just hold on", the scoffer said, "there's nothing else to do." But that was just the trouble when there was naught to hold on to. For I had lost the simple faith that such assurance brings. That God is Still upon the Throne, and PRAYER CHANGES THINGS."**

**So I turned back with eager heart to the old-fashioned way; And now I KNOW that God is real, no matter what they say. For better proof could not be had than truly answered prayer. And answered too in such a way as to know—God is there. And where is greater happiness than the peace that this truth brings. That God is Still upon the Throne, and PRAYER CHANGES THINGS."**

## Returning To God's Work!

More dedicated than ever, after the hard road of backsliding!

From Giddel, Calif., U.S.A.: Dearest Dad & Maria,

**GBY BOTH! I AM WRITING TO TELL YOU THAT AFTER A YEAR OF BACKSLIDING** from the Lord's work, "eating husks" & being chastised by the Lord, that I want to return to God's work. **God's Family is the only place** for me, & the Bible & the **Mo Letters** are the only words that I want to read & live. **TY!**

**I AM SO SORRY FOR HOW I LET YOU DOWN**, the Lord & the brethren. Please forgive me. Backsliding was such a hard road, one that I don't want to ever walk back down again, by God's mercy, grace & strength.

**I'VE RECENTLY BEEN VISITING A SMALL HOME** in L.A. where there is a brother called Dust, his sister Julie, her children & another sister named Robin. She's been like a lifeline to me, really sweet & precious.

**I'VE BEEN CATCHING UP**

**ON ALL THE LETTERS** I've missed & have been re-reading all the older Letters too, along with reading the Bible & reviewing my verses & chapters. The Word has such a new, real meaning for me now. **HALL!**

**I'M SO FED UP WITH THE U.S.** & the attitude of the people here. I want to make my second Great Escape before God's judgements fall. Dust & Robin will be flying to Europe by the end of Sept., so by God's grace I'll be coming with them. I still have a burden for Europe & the Mid-East, wherever the Lord leads.

**YOU MIGHT BE INTERESTED TO KNOW** that I went with some "other sheep" to hear David Wilkerson speak at his brother Ralph's "Melodyland" Christian center. What a joke!

**THEY'RE STILL FLEECING THE FAT, WEAK SHEEP** & building bigger buildings. David W. gave a "special" "revelatory" message, which was

nothing but a lukewarm warning-judgement message against America. It was so deceptive! **NOTHING WAS MENTIONED ABOUT ATTACKING IN THE SPIRIT** or living the Word, like witnessing. He was just trying to mildly warn people but tell them just to retreat back together to prepare.

**HIS TONE WAS VERY HARSH & LEGALISTIC**—don't smoke, drink, fuck etc. The System Church here is going to get more & more conservative & legalistic. Thank God that we are so far gone the other way enjoying & living the Truth of God's Word without sham or hypocrisy. Praise God!

**I'M SO THANKFUL FOR YOU BOTH** & for the Words of David, God's true prophet! Please take care of yourself. We need you so much! I love you both & look forward to our fellowship in the Spirit. Please keep me in your prayers. Tks! Love, yr. son Giddel.

## Confessions of a Former KQS!

Apology from Kenaz & Hodiah!—And plans for the future! "If we as fallen leaders' can stay faithful, maybe it will encourage Timothy & others!"

Dearest Dad & Maria, **ILY! I HARDLY KNOW HOW TO TELL YOU HOW ASHAMED I AM** to have failed you so badly after you've both shown such love & faith towards me. Honestly, I can hardly keep from weeping constantly knowing that my sin has brought you more pain & sorrow. The Lord & you both have shown me more mercy than I can possibly comprehend. I've been so weak, & with so little excuse. God help me not to fall prey to excuses—which I know only grease the path of the backslider.

**I'M SO THANKFUL**, we are so thankful, for this chance to bathe once again in the cleansing waters of His Word. Already the Lord has shown us so many encouraging things from His Word—the Daily Lights & Mights for the past few days (24&25) have been like direct prophecies to us: Examples from the Word of people falling but rising up again & coming thru' the testing fires finer gold & a testimony to strengthen others.

**THE LORD REMINDED ME OF PETER** when he sank beholding the waves, & yet even then, when he cried out for Jesus to save him, He did. I know the only reason I sank was taking my eyes off Jesus, but I'm so thankful that in His mercy He saves all who

cry out to Him—even tho' the sinking is their own fault. **WELL, WE'RE LOOKING AT THE TIME AHEAD** with a real sense of challenge & joy in knowing God is going to do wonders as we humble ourselves under His mighty hand & let Him remake & use us. We're looking forward to the opportunity once again to do more witnessing, litnessing, witnessing with the children, FF'ing, Open the Door, Church of Love & so many other things we've been unable to do for security reasons.

**NOT HAVING DONE SOME OF THESE THINGS** has also made it difficult for me to encourage anyone else's faith—but now, by God's help if we can do it, then I believe in this way we can be a sample that will encourage others with large families to make it as well.

**IF WE, AS "FALLEN LEADERS", CAN STAY FAITHFUL**, & as a result reap God's blessings & fruit, it may even encourage Timothy & others to go God's way. (DAD: Amen!) Anyway, we sincerely want to please the Lord, & are so thankful to Him & you for the mercy & encouragement we've been shown to continue on, perhaps eventually to greater usefulness than ever before, God willing.

**WE REALLY DON'T WANT TO LET ALL THE TRAIN-**

**ING WE'VE HAD GO TO WASTE.** In some ways I feel like I've been like Thomas, & you like Jesus have permitted me to feel the wounds & know that it is He, more than most ever do. It encourages me that even a doubter like he went on to pioneer India & win thousands of souls to the Lord there, & die a martyr's death! I pray the same will be said of me. Please forgive me & pray for me that, like David of old, tho' I sinned greatly, I will also repent greatly, & bring forth the fruits thereof. (DAD: Amen!) With great love & prayers & thankfulness, Kenaz. (DAD: GBY! We're hoping 4 btr things. WLY!)

**P.S. THANK YOU FOR YOUR HELP & prayers** for the kids. They are all improving daily by His grace. And thank you also for the pioneer loan to get started. I really pray I can repay it with interest. In fact, thank you for everything! I love you deeply! GBY!

From Hodiah: Dearest Dad & Maria, **I WANTED TO ADD A LITTLE NOTE** to thank you personally for your great love & kindness & understanding in seeing our needs & so mercifully giving them to us! I am so sorry for having failed you & the Lord & His work & Kenaz so badly, but I really pray & believe that by His unend-
