

Sunday Fellowship At MWM!

How they conduct it!—Tips on encouraging children to participate & testify!

From Abel Seaman:

MANY HAVE ASKED IF WE COULD WRITE MORE so the Family can catch more of what's happening here. Charran of Job was saying we must tell the world of how we do our Sunday Fellowships, as it's so inspiring. Well, our tremendous unity in Sunday Fellowship, which is so obvious to the visitor, must come from our plural marriage, the "One Wife" situation of the Spirit that we have here at Loveville, the result of having enough love to be trusted with enough liberty to live life to the full! PTL!

HERE'S A GENERAL FORMAT OF OUR SUNDAY FELLOWSHIP: The whole body gathers together in our large communal tent around 4 p.m. for a wonderful time of song—"Music of the Martyrs" (classics of the faith from past centuries), old time Family favourites such as Psalm 100, Psalm 121, "We've come this far by faith" etc. After a half-hour or so we're all inspired & ready for our memory review!

THE CHILDREN BOLDLY QUOTE THEIR NEW VERSES, Chapters, Daily Nights (adult & kids versions) intermixed with the adults who have Chapters & quotes to share as well. It's truly a Memory Revolution! There is no leniency or half-heartedness in this memory time. One point Faithy emphasized was the delivery of what you memorized! This sometimes lasts a half-hour. **THEN COMES TESTIMONY TIME!** A chance to share with all some of the exciting things the Lord has done in our different lives during the past week—the products of progress—whether it be the finishing of a radio show for the Int'l. MWM Show, the completion of a video, the writing of a new song or article,

or the winning of a soul on the local battlefield—all have their chance to share what the Lord is doing in their lives. What a Family, & what a variety of work to do for the Lord! Again, we emphasize to our children the importance of how they deliver their testimony & make sure they dwell on the parts that glorify Jesus, not emphasizing the pizza they provisioned but the love they gave to the one who donated it & how happy he was to give. It really spurs us to get our kids out to a park or school to win a soul, or to visit an orphanage, so we'll have real tales to tell of ones we've caught!

THEN IT IS TIME FOR THE WORD, the oil which truly keeps us united. For this we've been blessed to have fresh tapes from Dad with personal counsel to us on different subjects on quite a few Sundays. But even on other Sundays we still center around the Word for a real Sunday Fellowship, with good prayer!

HOW INSPIRING IT IS ALSO TO GET FRESH PROPHECY

Lovely Charran, frequent visitor to MWM's Sunday Fellowship!

FROM GOD in the prayer requests & quiet time that follows, & how convicting also, as He always shows us how we can do more. After Mo Letter & prayer, **WE HAVE A WONDERFUL COMMUNION** & sing more of the classics of the centuries while our "usher" Dicon or Patrick distributes the bread & passes the

wine. It's always inspiring to sing "Break Thou the Bread of Life" or Psalm 133 while the bread is being passed. (It usually takes a while as we have up to 100 people here for Sunday Fellowship!) or while the wine is being passed to sing of the "Wonder Working Power of the Blood"—the only thing that can "Wash Away My Sins".

THEN FOLLOWS A GENERAL LOVE FEAST of hugging & kissing as we prepare ourselves for the Sunday soup or salad. After an hour or so of fellowship we then lead into a disco, a video or just a plain ol' Family inspiration time in which different ones sing—just a fun time. Usually by 11 p.m. or so most are heading for more intimate fellowship, which really keeps us not only one in Spirit but also one in flesh.

PTL FOR SUNDAY FELLOWSHIP! It's been providing quite a bit of spiritual strength & inspiration for all of us during the week that follows, as there is at times quite a workload, & Sunday is a way to get really restored! Thank God for Dad's wisdom in seeing the need for this!

I FORGOT TO MENTION HOW WE MAKE SURE THE MORNINGS ARE KEPT QUIET on Sunday, respecting the children with their respective families in the Word. This way we don't have a lot of children running around the camp who may disturb those trying to study & pray. We've also found it necessary to keep the children sitting with a parent or helper (or as close as possible) throughout our Fellowship Meeting, to keep them quiet & under control. They've been quite good at sitting quietly for these "long meetings" & have usually been a real sample, God bless them!

PLEASE CONTINUE TO PRAY FOR MWM that we'll be able to survive wherever we are to keep producing for the world! And do keep sending your donations to: C.P.O. 220, Athens,

Light In The Darkness!

Witnessing & winning victories from a small team in a closed country!

From a pioneering team in the East Bloc:

THIS IS OUR FIRST NEWS-LETTER FROM to let you know of the "great things the Lord has done for us" (Ps. 126:3), PHNI Upon our arrival here, let me tell you, the verse "The harvest truly is plenteous but the labourers are few" (Mt. 9:37) hits home like never before!

WHEN WE SEE ALL THE LOST SHEEP HERE & realise we are the only team here now, we wonder why we didn't come before!—"A hungry field just crying for the harvest" (No. 953:150)! We have about 20 potentials & last month we had 50 visitors. We can hardly handle them all! They come daily for fellowship!

THERE ARE SOME VERY POTENTIAL "LABOUR LEADERS" HERE! We see our main job as being to train some real leaders & shepherds who will be able to lead the harvest of their own people. TG for the LIT-PIC who have sent us the Letters, which are the leaders, & there's a desperate need here!

FOR EXAMPLE, A YOUNG MEMBER OF THE COMMUNIST PARTY was saved & comes over regularly saying, "It's hard for me to imagine that now I'm a Christian communist. If the other Party members knew they'd think I'm crazy!" Another man also comes over weekly for prayer, song & Bible study & helps witness to the other visitors. Please pray for them both. Thru' our teaching English, a 50-yr.-old schoolteacher, also a member of the Party, received Jesus into her heart & is now being fed from the Bible in her weekly lesson.

WE'VE ALSO SEEN ONE OF THE HEADS OF THE CHURCH here, who by the way,

"Our unity & living together is our greatest sample of His Love!"

has been thru' some recent persecution. He emphasized the fact that they can do nothing for the youth here & can only operate within their own four walls. He said for all our security's sake we need to be just autonomous families & not be associated with them.

HOW DIFFERENT FROM WORKING IN THE WEST! Let me tell you, the people don't believe in God & are very proud of it, & we really have to go slow & win them by our personal sample & His Love! It seems much like it will be under the Anti-Christ all over the world.

BUT PEOPLE COMMENT ON OUR UNITY & living together, & the children are such a sample as they daily sing & pour out to visitors. People say how much happier they are than their own children. We find that people here are more desperate & hungry than in the West, especially for the Endtime message.

WE ASK YOU TO PRAY FOR OUR MUSIC MINISTRY that the Lord will open the door for us to sing somewhere to bring the songs of the Spirit to this country. We have some songs translated into the local language by a dear brother & it really melts the hearts of the people to hear songs in their own language. DV, we will do a concert at the university.

WE'VE ALSO BEEN FF'ING WEEKLY at a hotel & the Lord has never failed to lead us to sheep, TYJ! One native-born businessman who now lives in the West came home for a sample & Family fellowship. As he left he said, "I now know God loves me!" We also met the director of a radio-TV station who said the next time he's in town he'd like to hear us sing & DV, put us on TV or radio! Also we'd like to get MWM on the air.

WE'VE BEEN GIVING ENGLISH & FRENCH LESSONS daily as a means of support, & it has also been a fantastic way to meet people & witness to them, also in helping us to get longer visas.

WE'D LIKE TO THANK ALL WHO HAVE HELPED US & who have even pledged monthly support. Thank you all & GBY! You don't realize how difficult it is to support yourself here until you arrive. Many of the "necessities of life" such as oil, margarine etc. are impossible to find most of the time. The Lord, however, is faithful to supply if we're faithful to feed His sheep. And please continue to pray for us as it's a real spiritual battle here every day against the strong spirit of darkness in this atheistic country. Love, an East Bloc pioneering team.

How To Do A Kid Power Show Where You Are!

Tips learned from making the first "KP" Video Show!

From Peruvian Manuel: MWM KP Show Pioneer:

THE "KID POWER SHOW" HAS THE PURPOSE TO UNITE ALL THE CHILDREN of your area as well as their parents to work together on the creation of a children's show to reach the New Bottles of your area with the message of God's Love!—Plus a way to train the children & use them as your major witness for the Lord wherever you are, developing their talents for the glory of God! Especially in areas where there are many Homes with many children, without any "important" ministry, you will be surprised how important your ministry can be if you take the time to train your children in the way they should go.

AS DAD TOLD US, "DO YOU REALISE THAT YOUR CHILDREN ARE GOING TO BE FLAMING TEENAGE PROPHETS & evangelists by that time—the greatest force on Earth—the most powerful witnesses the world has ever known! Do you realise therefore how important the training of our children is now, for the fantastic job God's got for them in the stupendous future?" (No. 156:41,42) Dad said "his 9 years ago, & the time is NOW! Many of our children are teenagers or nearly, & we are getting closer to the End!

YOU'LL HAVE A SHOW TO PRESENT ON TV, IN SCHOOLS & PARKS, TO PUT ON VIDEO for the whole world to see what you & your children are doing in your part of the world, to inspire our Family worldwide, & friends, & it's a good PR tool too! As Dad said, "When they see our happy families & wonderful children working together in peace & harmony they cannot help but

marvel..." (No. 315:3.) Do you have the vision?

HERE ARE SOME TIPS WE HAVE LEARNED thru' our personal experience during the past two months while we worked on producing our first KP Show for video:

1. BEFORE YOU START, find a brother or sister with the faith & inspiration to put the kids on fire, with a musical talent sufficient to teach the children to sing & dance for Jesus! (You can use the soon-coming MWM tape with pre-recorded musical backup!)

2. MAKE A LIST OF ALL THE CHILDREN IN YOUR AREA who can participate & separate them into groups according to their ages & talents. You can give each group a name. For example here we have "The Bamba Girls", "Lovelight", "Bobo & the Bluebirds", "Little Things", etc. The oldest children can also perform solo. Also be sure to use

the national children of your area & have as much colour as possible, as the world is going colour! Give them all equal training, they are all our children & each one has a different talent that needs to be developed.

3. PUMP PEOPLE POWER! Be sure you're using ideas & suggestions from all the parents, helpers etc. In this way you will draw their attention & cooperation as well.

4. PRACTICE: Have daily sing ing & dancing classes, keep the kids in good shape, take time daily to teach them a new song, a new dance etc., daily! (If you teach the best you can & expect the best from them, with a little extra practice & attention, the kids can do much better than normally, as a result!) Remember, our children are special—they have Jesus & the Holy Ghost & they are representing the Kingdom of God, Dad, you, the Family. Teach them conviction, performing quality, lots of love, & don't forget that it's the fire of the Spirit that really counts!

ON SINGING: According to the counsel Dad has given us, stick to childlike material, use
