KIDZ MAGAZINE REPORT!

Dear Family,
 God bless you and your little ones! We wanted to share with you some of the exciting statistics of our Kidz Mag Mail Ministry.
 After only 9 issues (at the time of this report), we have received letters from not only kids, but lots of other people too—sending in their suggestions and ideas which have helped to make the magazine a success. This report is based on some of the letters and contributions which have been sent in response to the English edition—however, Kidz is coming out in several other languages too, and therefore these statistics are by no means the total amount.
 So please keep Kidz in your prayers, and keep these letters pouring in! We love you and we love to hear from you!

Love, **Kidz**
