

RAISING HOME SUPPORT:
"I decided to run a little ad in the classified section of the newspaper. When I phoned up, I was told it would be easier in the editorial section. Already one person has replied offering me \$50 every month when I go to India."
—Timothy Wildfire; Australia. (Good!)

QUESTION: "I'd like to read a Mo Letter on the subject of 'Baptism' because when out witnessing we're often asked why we don't get our children baptized in church. I can never give a very clear or direct answer."
—Thomas & Abigail; Europe.

(All of us are supposed to be baptized!—In the Spirit! Haven't U read our Ltrs? Water baptism is an old Jewish church custom. The baptism of the Holy Spirit is all we need! Mt. 3:11, Rom. 1:17.)

QUESTION: "I'd like to know what to do if a brother (or Home) who doesn't tithe but wants GP Letters or TKs for litnessing on the street. Should we wait for them to tithe before giving them lit to distribute (or selling)? Does it come under the category of those who want illegal lit? (I'm not talking about the Mags.)"

—Joan & Josette; Europe
(No! Of course not! "Even the dogs eat of the crumbs which fall from the Master's table!" Mt. 15:27. Give ye them seat!

QUESTION: "What is the possibility of selling MWM tapes on a voluntary basis at a suitable price DTD, as well as the TK Books?"
—Avak M'star; Caribbean.
(The tapes U can duplicate 4 donations but not sell! TK Books R only DTD not GP!)

QUESTION: "I've always found the Theory of Relativity fascinating, how time & light are related. It seems like the speed of light is the limit or boundary of this four-dimensional world. Is it possible time is light? God made light & darkness before there was time. Or should I say, light & darkness made or constituted the first day. (Gen. 1:4,5) It wasn't until 3 days later that the sun & moon were made (Gen. 1:16,18) In the new Heaven & new Earth there will be no time & the sun & the moon will not be needed, 'For the glory of God did lighten it & the Lamb is the light thereof', so then would that mean darkness constituted time as it seems there 'shall be no night there' (Rev. 21:23,25). People used to speak of the edge of the Universe, but is the edge the Spirit? Einstein said that when something is in motion its time is decreased & length is decreased & when it reaches the speed of light it's without time & without dimension. Dad, it would be wonderful if you could shine God's simple light on these physics problems as you did the

QUESTION: "Some people do very well financially here via 'can litnessing'. They have a can with a picture from the FN or of lots of kids & write 'please help' on it & put the lit inside, & if people want the lit they take it. But many don't offer the lit, they just show the can that says 'help us' & afterwards give out the lit. Doesn't this put the lit second place? The Letter 'Make It Pay' has Deb doing it at 3 years old. But I think grown-ups doing it gives us too much of a commercial look & turns many people off. What do you think?"
Hiram & Sarah; U.S.A.

(According 2 Uo faith @'s onto U—Mat. 9:29.)

"IF PARENTS LEAVE CHILDREN IN THE CUSTODY OF OTHER BRETHREN they should make sure the children have their papers, passports etc. & the brethren have a written permission from parents. This is especially necessary when having to cross borders or police checkpoints."

—Hezekiah & Ana; S. America.
(AMEN!)

"SOMEONE SUGGESTS WE COMPILE A LIST OF ELIGIBLE ADOPTOR PARENTS for Family kids left parentless. Also, in some cases, parents who feel incapable may want to let a faithful family without kids adopt one of theirs, at least temporarily."

—Shaul & Abiah; U.S.A. (Volunteers?)

economic problem in 'Richman Poorman' & 'Inflation Deflation.'" —Clay & Brunhild; Latin America.
(Exactly! This is why Einstein was bordering on the 5th Dimension—the spirit world—& Eternity! —Where there is no time!—Only the Eternal NOW! Also no stars are more than a light day away! See coming Letter.)

QUESTION: "I've been back in the Family four months now & would like some counsel about lovemaking between father & daughter. When I was living with my parents away from the Family for a while, my father began desiring me & tho' he never asked he would go into the bathroom which adjoined my bedroom & masturbate after he had looked at me lustfully. One night he came into my room & rubbed my legs, hoping I would open up to him. Tho' I feel much compassion for his needs, the thought of making love with my own father leaves me cold. I've really been seeking the Lord's will, asking for you to write something on this. I have asked a sister to FF my father & she said she would try. The relationship between my mother & father is not very good. (Keren Tommy says, 'I feel asking a sister to FF him is the best solution to these problems, according to your faith?')"

—N.; Brasil. (Mosaic Law is dead! Try Mt. 9:29 & 22:39.—D.)

"DRESSING REAL NICE WHILE OUT LITNESSING has helped greatly to win the confidence of the public & increased our donations! We keep certain nice clothes just for litnessing so they won't get ruined by being over-used & worn-out."

—Ezra & Sharon; U.S.A. (Amens!)

"TO KILL RATS give them Coca Cola to drink. They can't burp so they explode. Also, they must drink it soon after it's put out or it loses the carbonation."

—Tim; U.S.A. (Or use rat poison!)

"HOW TO GET RID OF

ROACHES: Mix boric acid with flour (or mashed potatoes), about half & half, & roll into a ball of about 1.5 cm. in diameter & put it in the corner or where you often see roaches, on a little piece of foil. It lasts about a year. Try it & see!" —Simon & Tirzah; Japan.
(Editor: Keep out of reach of children & pets!) (Amen!)

"WE SUGGEST TO ALL BRETHREN COMING FROM U.S.A. to, if possible, carry with them electrical articles since Mexico is very expensive & many of the Homes here don't have tape recorders to listen to MWM tapes or driers which could be easy to provision in the States or even buy very cheap."

—Heber & Betesda.
(We never heard of a Family Home w/o a tape recdr! This is a must for witnessing & inspiration!—Don't go w/o one! We're sending U 10 tapes!)

PRAYER REQUEST: "I thought I had won the battle w/ drugs & cigarettes, but I didn't as I have gotten back into it & don't know what to do to be delivered. Please help me!"

—Pedro; Spain. (Pray!—& Quit!)

QUESTION: "We'd like to have more guidelines on music, what should we listen to & what should we not listen to. If we should listen only to MWM we will, but since we don't have many Family tapes we listen to other music such as Earl Klugh. Please, more guidelines on what is good & what is not."

—Newsong & Falthy; Japan.
(Read Letters No. 326, 326A, 774, 948! We're now sending all TRFers 10 tapes a month free!)

I BELIEVE THAT I HAVE BEEN GIVEN insight into the "mark of the beast." I'm an electronic technician & work with computers. The "mark of the beast" will not literally be the number 666 in any spoken language but will be the number 666 in computer language. The computer language that I work with is called "hexadecimal" and is based on sixes and the alphabet thru F. The previous computer language that I worked with was based on the number 8 but is now almost obsolete because it required more components to function. You can take this for what it's worth but it fits in with other information that I have. Please pray about this before sharing it w/ others as I don't want to mislead anyone in such an important matter. May the Lord's will be done! Simon; Europe
(I don't doubt that the "6" will be manifest in a number of different ways.—Dad.)

QUESTION: "A few years ago an advisory was sent warning the Family to be careful to whom they were giving the 'Thoughts From MO' booklet, but we have seen people litnessing openly with them. What does Dad think about this?" —Josue & Noemi; Europe.

(This is a condensed Basic Book designed for JEs like disolps, cats etc not GP!)

"IN SINGAPORE JUST THE LOCALS ARE ABLE TO LITNESS because of gov't. restrictions. In this case we wondered if it would be ok for foreigners to letterbox litness, as it would be better than no litnessing at all. Formerly we had a lot of fruit from letterboxing here: the start of our mail ministry & 1 TRFer. But we don't want to do it unless cleared by Dad." —Zeb & Shiloh.
(According to your faith!—Mat. 9:29. It's very dangerous & illegal & could land you in jail in the USA—a Federal offence!—But may not be so serious where you are. Do what works & is fruitful.—D.)

SOLOMON WORKS NIGHTS AND DOESN'T always get to read the new wine right away. So I started taping the ML's so he could listen to them when he comes in. It's great for us both as we can listen to the same Letter several times. Great for tired Moms & Dads, both! You can reuse the tapes for new Letters, too. Solomon & Faith; U.S.A. (GBY! Good Ideal)

Portable Microphone & Hi-Speaker P.A. System: I have just discovered a new gadget for singing teams. All you need is that wireless microphone, which has a built in transmitter (& antenna) and a FM radio and you have your complete portable hi-speaker p.a. system. The mic is powered by a small AA battery & has a small wire (12 in. long) as antenna. Cost-\$20-30. We have used it successfully singing with the children. The one that I have is made by Piezo and it comes on any FM radio on an unused frequency w/out interference by regular stations. Matthew & Renee; Canada

WAS WONDERING IF DAD GOT SOMETHING from the Lord about the death of John Lennon? It seemed somehow significant to me. Eli & Celeste; U.S.A.
(It was certainly significant to John Lennon! At the height of Beate's fame he said, "We're more popular than Jesus Christ!"—I wonder what he thinks now!—He!—Dad.)

"WE RENTED A POSTAL SERVICE BOX which provides us with both a P.O. box no. & a street address for I.D. & papers. It is very good for forwarding mail & you can do all your business with them by phone or mail. For a service in your area, look under 'mail handling' in the phone book." (Excellent IDEA!—D.)
