

**QUESTION:** "When somebody tithes his income & makes a gift to another tithing family, does this other family have to tithe these gifts that have already been tithed?"—Michael; Europe. (*Yes, of course!—All income!—All WS income has been tithed, but we still give back most of it to the Fam!*)

**RECOMMENDED MOVIE:** "We saw the movie 'Excalibur', the story of King Arthur, Merlin etc. Altho' the movie had some 'off' scenes, it was moving & broke our hearts. Since we had all been seeing Singin' Sam a lot, the Lord spoke to our hearts comparing Sam to Lancelot. Lancelot loses faith in King Arthur for a time but then returns to lead the knights when they need him the most."—Joshua & Libertad; U.S.A.

**WIT & LIT IDEA:** "For those who find themselves going stale & crowds & donations diminishing, try dressing as a clown! People in dark dreary cities love clowns, esp. children. And being a clown means you can get away with doing crazier things. It's a great witness & the Lord blesses it so much. A clown outfit is very easy to get together. Be a fool for Jesus! Hallelujah! Also you only need to know a few simple songs—clowns have universal appeal." (*AMEN!*)—Samson & Faith; Australia.

**TITHING TESTIMONY:** "We tithed 300 rupees on gifts, & our income for the month was above 10 times that. Wow!"—Shaun & Zarina; India.

**TITHING TESTIMONY:** "God provides! Last month I was hesitant to send in the 10% as we had so little money left. I was thinking of sending half of it & the rest next month. But then I thought, well, God has just got to provide & He can't even increase my faith in that unless I do my part. So I said, alright Lord, You'll have to do it & use it to increase my faith by providing right away. So I sent the 10% & the next morning I received a tax rebate for 5 times the 10% I had sent, which was enough to keep our family of 7 for this month."—Matthew & Anna; British Isles.

**TITHING TESTIMONY:** "This month we put aside our Tithe in a little box each day & wrote down the amt. & source of it. Within days the Lord supplied enough to pay the back Tithe we owed. The same day our mailing came—a miracle as we thought they had been stopped. The Lord miraculously supplied the rent money due 3 days later. PG! 'God First' really pays! Also tithing every day we have had a larger income than ever before in one month!"—Cabbon & Isabelle; British Isles.

**QUESTION:** "Dad suggested we count lit by page. I was wondering how we should count the Fish Food & 'shirt-pocket' books. The pages are much smaller than the Mags."—Yuko Mtn. Maid; Japan. (*Pages are pages! Our stats don't know the dif!—A small page can be just as important as a big one!—Count'm!—D.*)

**QUESTION:** "I have a small carpenters shop where I work. I want to know if Dad thinks carpentry is a more Godly job than most. What does he think about carpentry?"—Ezequiel & Daniela; South America. (*Jesus & I were both carpenters, but we both forsook it for a greater job: Fish-er's of men! GBAKYAMYAB!*)

**MAIL BOX LITNESSING:** "I found it very convenient to walk gate-to-gate & put a bit of lit in each mail box. Riding a bicycle would be much easier. The best time to do this is when the Systemites are at work during the day. At night the dogs bark too much."—Hosanna & Naomi; Caribb. (*Better be very sure it's not illegal in your country! See 895.*)

**"AT OUR LAF SHALEM GOT THE VERSE,** 'He shall make his angels & ministers a flame of fire'. We got that these are the tongues of fire of the 2nd Pentecost, that they are more angels & ministering spirits poured on each of us to do the job."—Gabriel; S.E. Asia. (*AMEN!*)

**HEALING!** "My issue of blood which has been a problem to me on & off for ten years has ceased! TYJ! The Lord gave me the words to pray. We received some beautiful verses & at the end I got Dan. 10:12-13. The following morning I was healed! I need to mention that I also decided that instead of waiting in bed to be healed, as I had previously tried, I decided to go on the attack litnessing & witnessing. Since that day many have noticed how much better I look & feel. In the tape 'More on Faith' Dad says that when you're healed you're living on borrowed time. I've found this to be so true, as sometimes when I'm out litnessing the Devil attacks again & I have to keep reclaiming the healing Jesus gave me. I also received Ex. 15:26, which my husband also prayed over me later in the day. The Lord's doing more to me than just healing my body—I'm learning some lessons on praise & humility & being sober, which I've been a little slack on! Heb. 12:5b & 6! TYJ!"—Michael & Angela; Europe.

**"I ASKED MY FATHER FOR A LOAN** of \$500 as we were so short of funds. Before we got it we'd already decided to tithe it by faith, & when it arrived my father wrote that it was a gift & not a loan. TYJ! Putting God first never fails!"—Paulo & Dove;

**TRAVEL TIP:** "DHL Worldwide Courier Express, Miami, Florida (tel. 305-592-8543), talk to Sandra. They will fly anyone free from Miami, as a courier, to Caracas, Bogota or Rio de Janeiro. They also have offices in Los Angeles (tel. 213-649-6100 & San Francisco (tel. 415-697-9025) & maybe other cities in U.S. that will fly you to other parts of the world for free! For those in Texas, they will also fly you from Houston to Miami. One problem is you have to pay for your own luggage, other than carry-on. You can ship it cheap by boat to your destination. DHL also has offices worldwide. I flew from Hong Kong to L.A. for free & I will be flying to S.A. the same! Also a round-trip ticket to Argentina gives U.S. citizens an automatic 1-yr. visa. Argentinian Airlines in Houston costs about \$1,220. But if you fly DHL you only have to buy your return ticket at about \$600."—Peter David; U.S.A. (*TERRIFIC!*)

**RECOMMENDED MOVIES:** 1) The Elephant Man, a beautiful story of 'love loves the unlovely' with Anne Bancroft who played Mary Magdalene in Jesus of Nazareth, playing a real love goddess or Nun of Love. 2) The Final Conflict: Shows what the Illuminati is feeding the people, ready to confuse & mislead the blind from the truth of forth-coming events."—Daniel; Australia.

**JOKE:** "A missionary was travelling thru the jungle to get to his mission. On his way he suddenly found himself face-to-face with a lion! As a man of faith he didn't panic but quietly knelt down & prayed, 'O Lord, instill into this animal Christian feelings', & immediately a miracle happened! The lion knelt down, joined his paws together, bowed his head & prayed, 'Lord, bless this food I'm about to eat!'"—Hazel Gypsy & Sarah; Europe.

**"LAST MONTH WE GAVE AN EXTRA GIFT TO MISSIONARIES** in Thailand & India. Wow! Did God ever return it! —100-fold! We got an extra \$450 in income tax returns. We found some flea bags at a real bargain marked-down price of \$10 each. Wow! We sold our trailer for \$900 more than we paid for it, our truck for \$650 more than we paid for it 1½ yrs. ago. Then we found a VW camp van with rebuilt engine, new tires, brakes & paint job at a bargain. Plus hundreds of other miracles, PHN! We got some new lit printed & are planning to leave soon for Central America. The fires of faith are starting to burn as we forsake all again & seek His will above all in everything we do. TYJ! We also booked MWM to reach approx. 2 million in Louisiana."—Caleb & Shiloh; U.S.A.

**"WE CAME ACROSS A REALLY GOOD BOOK** called 'How To Really Love Your Child' by Dr. Ross Campbell, a Christian professor. Published by Victor Books."—Megiddo & Mara; U.S.A.

**AIRLINE TRAVEL TIP:** "When we left the U.S., we were allowed two bags, 70 lbs. each, per person, & one 45-lb. bag for our infant. We flew Braniff. On our return we were only allowed 40 kg. per person, a big difference. The airline told us that the 40 kg. maximum was S. America regulations. The cost for our extra luggage would have been \$300, but the Lord touched the cashier's heart & she waved us thru."—Daniel & Faith Christian; U.S.A.

**"A HELPFUL HINT FOR KEEPING ROACHES UNDER CONTROL** is to sprinkle baking soda around the base of kitchen counters. It works much better than poisons & is safe for children if they happen to get into it."—Rephalah & Victory; U.S.A.

**HEALING:** "Abishag's doctor diagnosed a problem with 'pregnancy poisoning' so we prayed desperately & the Lord healed her. PG! Later the same doctor said that the baby, due in 5 weeks, was in a breech position. We had communion & claimed that God would turn the baby, & He did! PTL! His arm is not shortened that it cannot save!"—Samuel & Abishag; Scandinavia.

**"BOB DYLAN RECEIVED LIT!"**—'Did God Make a Mistake?' (whole Letter), 'Dropouts' TK, 'The Key of David' TK, the MWM issue of LIN & MWM tape No. 17. The former Norwegian State Minister received 'Give Us Our Sons' TK, 'Life After Death' TK & 'Sex Works' (whole Letter) & promised to read'm!"—Samuel Snowman; Scandinavia.

**GOD'S JUDGEMENTS:** "Martin & I were trying to provision a tape recorder, when in one store we were treated very unfriendly. I prayed the Lord would judge them since it also really affected Martin, & the next week the store went bankrupt!"—Grace; Scandinavia.

**TITHING TESTIMONY:** "The Lord showed us to give \$100 for the Tithe we had forgotten, but I thought to wait until I had extra money. But a few days later my billfold was stolen with \$20 along with I.D. & driver's license. A few days later I had another \$15 stolen. That makes a total of \$35. The Lord told us it was because we wanted to put our bills before Him. So we decided to give Him His due when we received our social welfare cheque. The next day we received a cheque for \$36. TYJ! He's so faithful!"—Janna & Genesis Living Word; Can.
