

"MY FISH HAS MULTIPLE SCLEROSIS. Two days after she asked Jesus into her heart, she had an attack! The last time it hit her she was out of commission for over a year. We were in a restaurant eating. She told me she wasn't feeling well & the next thing I knew she was falling under the table! I knew it had to be M.S. because of the expression on her face & her muscles had contracted & she was stiff as a board. So I grabbed her in my arms & started praying, claiming healing verses, & as soon as I said 'in Jesus' Name', she opened her eyes & she was healed! TYJ! Prayer is powerful!"

TITHING TESTIMONY: "Right after Dominique forsook his old car to MWM, the Lord blessed him with a brand new car unexpectedly by his rich father. We could have decided that technically we didn't have to tithe the new car as we had already given a whole car & caravan to MWM. But after counselling with W.S. the Lord put it in our hearts to tithe the car anyway. But we just didn't have the money to pay such an amount. So we decided that the first big donation we got we'd use for this purpose. The Lord is faithful. We asked Angela, Dom's fish, if she could help with \$250 to help us pay our bills. At this time she had just received a bonus her boss oc-

casionally gives her for her work. When we opened the envelope there was \$2,500! Right away we knew that the Lord wanted us to pay the tithe on the car, which we did. The tithe was \$575. We payed it plus another offering & a few days later we received another envelope full of coins & foreign money. When we went to the bank to change it all, guess how much we got? —\$575! So surely the Lord is faithful to pour out such a blessing that we have no room to hold it because in addition to all the finances He has supplied hundreds of liters of juice, hundreds of vitamins, clothes, shoes etc. So PHN! We never lose by tithing & offering!" —Hannah & Yanina; Europe.

JESUS BREAKS WITCH'S SPELL! "A girl living upstairs from us who is getting a divorce asked Dulcinea if she believes in witches. She said that a witch had cast a spell on her that was causing her marriage to break up & her new baby wasn't sleeping at all. The witch told the poor girl that for \$300 she'd take the spell off her, so Dulcinea asked her if she had ever received Jesus. She prayed with her right then. Afterwards they were both so happy they cried & the baby went right to sleep & hasn't had any problems since."

"WE HAD A VISITOR WHO GOT SAVED & delivered from heroin addiction, TYJ! He told us how his wife had been killed & how he'd fought in Viet Nam which was really plaguing him a lot. The next night we heard someone crying, first at one end of the house, then at the other. It was obviously a departed spirit. Then the Lord showed me that it was his wife who was crying to us to pray for her salvation. So we all desperately prayed for the Lord to save her. The Spirit was so heavy! Angel then heard the crying again & we both had visions of her in hell with demons holding her. Then an angel or Jesus Himself came & took her by the hands & pulled her up to Heaven. Then was a vision of her running freely thru those beautiful gardens in Space City! 'Your prayers can do mighty things!'"

QUESTION: "Someone here in the Philippines said, 'The Letter Refuges doesn't really apply to the Philippines...' Our Home is trying to decide if we should join a refuge here, but since there are four big U.S. military bases here with nuclear weapons, we don't know if it would be worth it. Any suggestions will be helpful. Tks!"

"THE LORD SHOWED US WE CAN HITCHHIKE ON PRIVATE PLANES, after reading Maria & Crystal's testimonies in Mag 35. We waited for 30 hours before we got a ride, but the Lord blessed our patience as we got to witness to two Senators & gave them some TKs & they offered to help support us when we go to S.A. Yes, it can be done, even in America!"
