

was sitting in our dish shelf that we had to leave behind.

THANK GOD FOR HIS PROTECTION & His little checks! We really thanked the Lord that He even allowed us to get home in time to save the caravan with all of our things. We were truly some of the most fortunate ones. God had miraculously spared & protected us. That night our tired bedraggled band of refugees were generously invited to take refuge at the campground at MMN, & we were so thankful to be alive & with our family.

AS MANY OF YOU MAY HAVE READ OR HEARD ON THE NEWS, the next 3 days the suburbs of Athens & many parts of Greece were plagued by hundreds of brush fires, & one night you could see the mountains aglow from the fires.

DURING THESE NEXT DAYS WE HAD TIME TO REFLECT ON THE SITUATION & what God had done, plus counsel with Paul & Marianne. It was such a blessing to have the fellowship of the brethren there at MMN, & it was a wonderful way to end our stay in Greece. God bless them!

WELL, LIKE ELIJAH OF OLD, we had been thru the earthquake, & now the wind & the fire, but the still small voice was not in any of these telling us to go on, & He was still blessing our work in Greece. But as Dad says, "First the boat has to be in motion before the rudder can take effect." And now that we were on the move, God was ready to direct our voyage!

FOLLOWING THE COUNSEL OF M., our very influential friend, we visited the customs office. After 2 days in the customs office, we got to the top man who told us that it would be impossible for me to keep or drive any vehicle in the

country after the 21st of August! If I didn't want to have my vehicle confiscated by the government we would have to leave immediately & remain out of the country for 3 months!

BOOM! JUST LIKE THAT GOD CLOSED THE DOOR, & we had such peace that it was time to move on as He had definitely shut a door that no man could open (even our influential friend). It was then that all the pieces of the puzzle fell into place & God's still small voice broke thru the fire, earthquake & wind, & like Elijah of old, we heard God say, "What doest thou here?" (I Kings 19:11-13)

THE LORD THEN USED A VERY SPECIFIC DREAM to confirm the place to which we had considered going. PG! With

such miraculous & supernatural leadings, we can only give God all the glory. We by no means feel that being here is the end of it all, but now that we're on the move, & after how He has so miraculously gotten us out of Greece, we have a deep-seated peace that nothing is too hard for the Lord, & we know that He'll show us the next step.

IN THE MIDST OF ALL THIS, Jay, our faithful translator, typist & proofreader, has completed 20 pages of new TKs, plus he translated the entire "Daily Micht" book & typed 5 months of it. GBH for his faithfulness to the Words.

WE LOVE YOU ALL & pray that this will help you in knowing God's will in your lives! (Amen! TTL! GBAKY!)

Getting Out To New Field.

A FAITHFUL FISH PROVIDES FARES TO OBEY "REFUGES"!

From Esther; S.E. Asia:

GBYAGJUN! I just want to share some testimonies of how the Lord got Michael & me out of Australia to SEA.

WHEN THE LETTER "REFUGES" CAME OUT, I started to pray about where the Lord wanted me to go. I felt led to go to S.E.A., but there are so many countries here & they all sound equally exciting. So, one day I felt so burdened to get desperate with the Lord & find out specifically where He wanted me to go. TTL He showed me to start off by going to Singapore & that He would lead me step by step from there.

THAT NIGHT I WENT OUT TO SEE A PRECIOUS FISH. F. He was to be in town for 3 days, so I thought, "Well, I won't tell him the first night that I'm going overseas," but the Lord had other plans, & I ended up telling him. I have never asked this fish for funds, but he has always given very generously on a regu-

lar basis. Well, I'd no sooner gotten the words out of my mouth when he offered, or should I say, insisted, to pay for the trip. GBH!

HERE ARE SOME EXCERPTS FROM ONE OF HIS LETTERS TO ME. He's been a farmer all his life & must be close to 70: "Many thanks for sharing with me over the past few days. As I have said many times, you are good for me. I am really commencing to think quite differently about things that matter. Also, your songs were a delight. Browsing thru Father David's booklet on the way home, one seems to be able to find many answers & new understandings. I believe I have started to comprehend your approach to life." GBH!

WE HAVE RECENTLY LEFT SINGAPORE FOR OUR NEW FIELD, & it is just amazing. There are so many sheep & the Lord is doing so much!

(PTL! GBY dear Ffens! New Letter coming soon for you! "The Last Resort!" GBAKY!)

SO IN SPITE OF MY PERSONAL EXPERIENCE OF SEEING DIRECT HEALING IN A MIRACULOUS

P.S. THE FEW DAYS I SPENT AT LOVEVILLE REALLY GAVE ME A VISION OF THE FAMILY that I never had during the year that I've spent in the house of David. A "blob" but a "blob for the job"! I was so thankful to find myself so close to the top, with people I had heard a lot about, especially Paul and Marianne & to be so well received that I instantly felt at home. It surprised & amazed me.

THEN I REALISED THAT VERSE: "Taste & see that

the Lord is good." I knew for the first time in my life, being there, that it was possible to live the Mo Letters, & it had the effect of a time bomb...of love! POC! The greatest victory that the Lord has given me this year!

ON THE 9TH & 14TH OF APRIL I DREAMED ABOUT DAD, & in each dream it was about war that was going to start, atomic danger & departure for us from this area of the earth. In the one of April 14, Dad was telling

D.V.!

OUR CHURCH MINISTRY ALSO PICKED UP, & we began singing & testifying every Sunday in a different Evangelical church, just the way Hosea describes in "Our Family History". It has paid off like never before in both friends & donations. One church lady asked Joy to come to her public school also.

JOY IS ONE YEAR YOUNGER THAN ALL THE OTHER CHILDREN, but far ahead scholastically thanks to Family Care, & is learning Spanish very quickly thru this additional exposure. She's a real shiner & eager to witness (and to refuse the sweets which everyone always wants to give to the "TV star").

WE HAVE ALSO BEEN SINGING IN KINDERGARTENS where we've won many souls, & the parents help out with donations.

It's such a miracle to see what the Lord is doing with our children. Thank God for Dad & the Word which never fail! And neither shall we fail if we follow them closely!

HE SURE HAS OPENED A DOOR BEFORE US TO A MOST EXCITING

LIFE, & it's such a thrill to live by faith! In one month our "knew" baby will be here, & then we'll be hitting the road booking MCV, DV! Hallelujah! WLY Dad, & we pray we'll stay closer than ever to the Shepherd's bosom.

NOW THE LORD'S BLESSINGS

REALLY BEGAN TO FLOW with both provisioning & cash income, & we know why!

WE WANTED TO RIDE OUR

me clearly to leave here at the end of September & in any case no later than the 1st of January, 1982.

AND SINCE THESE DREAMS, OTHER INTERNATIONAL EVENTS HAVE HAPPENED: the election of Mitterrand, pro-Jewish! (Do you know that his step-father is the head of the Freemasons in France?) With the Rothschilds he makes concentrated efforts (plans) in Paris. Brrrr!

ICHU TO GET OUT! WE DID! - FROM

FRANCE! Right after his election! - & Jan. 1 is our goal for our WS Units. D.V.!
