MUSIC WITH MEANING CPO 220 ATHENS, GREECE

### MWM OFFICE-1981 BLESSINGS:

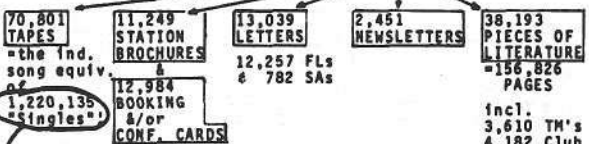

Dear Ones,

SBY: WLYSM: Last year you wrote us, "We know it's a lot of work but we believe that, DV, it will grow into the biggest & most far reaching Mail Ministry the Family has ever known, helping to preach the Gospel to all nations, as well as setting up the working foundation upon which the local language MWM's will base all their procedures & techniques, PTL!" -19 Dec. '80

So we wanted to share with you our statistical highlights from 1981, as follows:

NUMBER OF PIECES OF MAIL RECEIVED/PROCESSED - **10,924**  
 Received mail from 80 Countries!

NUMBER OF PIECES OF MAIL SENT OUT - **31,784**

**We deserve a Gold Record!**  
**- We've passed the One Million Mark! - HALLELUJAH!**

Note 1: It's interesting to note 1 piece of incoming mail in essence generates 3 pieces of outgoing mail, as a general average. - Besides the Tape Mailings to Fam., another reason is one incoming letter may include several aspects: for example a gift requiring a TRU, an order requiring tapes, plus a question requiring an answer, or a booking card meaning sending tapes & letters to a station, etc.

Note 2: In one 'average' day in the Office, therefore:  
 We sent out: 256 tapes, plus 41 station brochures & 47 station cards, plus 47 letters, plus 9 NL's, & 138 pieces of lit (=568 pages)!

P.T.O. ....
