ALL I CAN SAY IS THAT IT'S REALLY GOOD THIS NEW WAY, & I believe people will hear a difference & they'll be

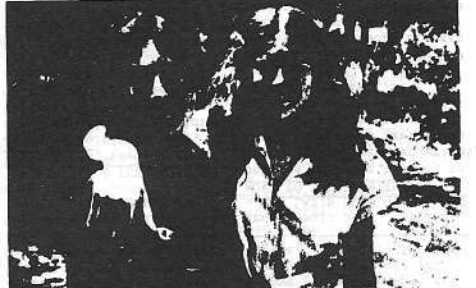

moved more, Lord willing! I am sure a lot happier using this method & I think every-

one is, & I know that will come across in the music. So thanks again so much for this wise counsel. I believe it's going to bear fruit!

Visitors At MWM Enjoy Sample!

GUEST MUSICIANS & HELPERS AT MWM EXPRESS GRATITUDE FOR THE WARM HOSPITALITY:

From 13-year-old Ivana; Europe: MY VISIT AT MWM TOTALLY CHANGED MY LIFE. One day a couple in the family in Italy received a letter from Angelo & Sarah asking them to go to Greece to record some Italian songs...

A pretty Italian mother-&-daughter team: Rosy & Ivana.

someone they had known in their life-time who had gone on before. WELL, I KNOW I WAS EXPERIENCING THE DEATH OF MOVING & especially the spiritual moving as the door to one place of my life closed & another was opening. How scriptural then to be met by two old friends & escorted to the camp. I was so happy!

the tent, some familiar faces from the past, some familiar only from the FN, & some completely new--but all smiling, friendly & so full of love! IN THE EVENING ZACH & LYDIA INVITED ME TO WALK WITH THEM TO THE NEARBY VILLAGE FOR DINNER. And when we got back to camp we sat outside for awhile & then said our goodnights...

From Gallo; Europe: I ARRIVED AT MWM FROM SOUTH AFRICA, & Solomon & Phoebe met me at the airport & brought me back to the camp where a beautiful little tent was waiting for me. I had planned to spend my first night in a hotel, because the plane got in so late & I didn't know how convenient it would be for someone to meet me.

The One-Take Revolution!

DAD'S COUNSEL TO MWM & MCV RESULTS IN QUICKER, MORE INSPIRED RECORDING SESSIONS!

From Windy; At MWM: CONCERNING THE NEW WAY OF RECORDING, all the instruments & singers together as much as possible, the quote that just came to me is this one from "Good Executive", the last paragraph: "Let's get it together and keep it together & always together in all ways together, with all of us,--always together!"

better & more inspiring doing it one-take than the way we were doing it with over-dubs. I was here for 2 1/2 months & only got 2 of my songs recorded--but then after receiving your counsel on the one-take rev., we went in & did 4 of my songs in one day, all completed & everything. They were much more inspired & much more exciting to do, & everybody feels a lot more fulfilled when they come out of the studio. We have had up to 9 one-takes done in one day, which is so incredible. We used to average only about one song a day when doing all the over-dubs.

IN MY "DAY IN THE STUDIO" with the one-take method was fantastic. We completely finished 4 brand new Spanish songs, & I never sang with such feeling and inspiration. As a matter of fact, I liked it so much better than the songs I'd done by the old method that I almost wanted to go back & re-do them all. The one-take rev. is the greatest thing that has happened to the recording ministry here & it just absolutely opens up whole new horizons & possibilities. Thank God for your faith & heavenly inspiration. TYJ!

WE HAVE PRACTISED A LOT & done our homework so that at the studio it can be heartwork, & we were ready for the one-take. It's so important to be prepared. I feel that it's really the Lord to do all things as much as possible together, even our recording, & with God all things are possible to him that receiveth & believeth His directions! Thank you for helping us to believe & receive His revelation & ways to win the world & to be even more fruitful & productive!

THE ONE-TAKE WAS REALLY A REVELATION FROM THE LORD. When we first heard about the idea, some of us were a little fearful to try it, but as we obeyed your counsel it was so miraculous how well it works. TYJ! The World probably would think we were crazy, but I never heard music more beautiful than this in the World. TYJ!

From Solomon Touchstone: GBY! ILY! THANKS FOR ALL YOUR LOVE & all your words & especially the recent tape of counsel to MCV. I'd like to say a few words about the recording method you mentioned. Well, I don't know very much about the technical side of things, but we tried it this way & it sure boosted the spirit.

AS YOU SAID, "THERE'S JUST SOMETHING ABOUT UNITY: It's like love-making: (recording!) The more you pump (play) together in the power of the Spirit, the more you are freed from the impotency & frigidity & deadness of darkness; & the final spirits of the Spirit in the power of the pillar make you one!--And this causes you to bear fruit: the Children of Light: (songs of light, love & life)" (DM 105(XLX))

I REALLY LIKE YOUR COUNSEL ON THE MATERIAL FOR THE SHOWS--the idea being that we should preach more love, & that if we are preaching love we are preaching God. Lord help us not to blow it before we even get our foot in the door of Latin America!

WE TRIED IT FIRST WITH AN INSTRUMENTAL NUMBER in which there were 4 violins, a piano, acoustic guitar, electric guitar & drums, & the feeling was so beautiful to play it all together. I looked around the room & everybody was smiling and really being moved by the Lord's joy. There's power in united prayer, & there seems to be a lot of power in united playing & recording too. (Amen!) WHEN IT'S ALL PLAYED TOGETHER it is so much easier to feel the emotion of the song. Doing it the old way was much more difficult because you had to try to imagine so much, not already having heard it as it's going to be. But with this new way you can really

From Fisher of Men; At MCV: GBY! WE REALLY LOVE YOU & ARE PRAYING FOR YOU. I just want to thank you for all of your new tapes & counsel for us here. It has helped our music greatly. (TTL!) THE "ONE-TAKE REVOLUTION" HAS REALLY BEEN A REVOLUTION IN OUR MUSIC. It is so much

From Watchman; At MCV: THE "ONE-TAKE REVOLUTION" WOW! What an inspiration!! It has so revolutionized our recordings & multiplied both our inspiration & productivity! The quality, spirit & even quantity of what we have produced since we have initiated this method is so superior to what we had done before that it's almost like night & day. Hallelujah! It works! (PTL GBY! ILY!) MY PERSONAL EXPERIENCE

I guess I'd say that the true spirit of love is manifested here--love in action! It's that multinational love that Topaz sings about in "Love is an Emotion", everyone looking out for the things of others.

sweet, soothing & loving voice on tape! I love you both so much.

I FEEL I GOT CLOSER TO YOU, to Jesus & the Family; it's wonderful! Did you get to see me telling you my testimony on video? Also on Heavenly Hours? I hope that in spite of my nervousness & shyness you still liked it. I'm sorry that in my dance I didn't smile enough & moved too fast; please forgive me. I've never been much of a dancer, besides it was only the second time in my life I ever did a disrobing like that, but I enjoyed it & hope to do more.

fellowship with God & each other!--So, our task here is to work towards that, not wait until then, but to live it now to the fullest we possibly can on earth as living proof to "draw all men" as well as prepare for new responsibilities.

ALSO, EVERYONE SEEMS TO BE REALLY ANOINTED FOR THEIR MINISTRIES, & whether great or small, there is mutual respect for that anointing--such a picture of the body fitly joined together, governed by the Holy Spirit! I could never express what a privilege it is to be here, but I'm beginning to understand what the verse means about preferring to be a door-keeper in the house of the Lord!

THANK YOU SO MUCH FOR LETTING ME STAY AT MWM & for being so good to me! It was a spiritual rebirth for me in every way! (Beats it!)

TRULY, "WITHOUT A VISION THE PEOPLE PERISH", as we were "in a dry & thirsty land" before coming here for this refilling. Being able to record my songs has been tremendously inspiring--I think feeling appreciated & wanted has done more to encourage my heart than anything since getting saved & finding Dad. It's almost like I looked at the promises "afar off" & couldn't enter in & fully partake for fear of rejection--really damnable lies of pride & fear that still need a lot of breaking down, but thank God the "umph" to overcome is back after being pretty "weary in well-doing". Thank God for such a supernatural revolution!

I'D ALSO LIKE TO TAKE THIS TIME TO TELL HOW SORRY I AM FOR HOW I'VE STRAYED IN THE PAST FEW YEARS. Although I never stopped reporting or tithing, I surely backslid in spirit thru my disobedience & compromising & was just going thru the motions--had gone to sleep & left my engine running.

THE FIRES ARE BURNING AGAIN, only with more intensity than I thought I'd ever see or feel in this life! Wow! Like you said in the Revelation video on Space City(Wow!), in Heaven we'll be restored to full

ROY, YOU JUST WALK AROUND THE CAMP & it's awesome--the anointings, such as the world has never seen, but they're going to, face to face! And seeing Dad's face can only make one want the whole world to see it--the undeniable prophet of God, with the World's most broken heart pouring forth the passion of God almost uncontrollably! (TTL! TYJ! ILY! ILY! ILY!)

SO I KNOW THAT IT'S ONLY GOD'S MERCY THAT HE EVEN LET ME SET FOOT IN THIS CAMP: "The goodness of God leadeth thee to repentance." (Ro. 2:4) These few short days have been a life-changing experience, & I'm so thankful for it. I'm sorry I'm not exactly a prodigy, but I'm happy to be a prodigal son back in the Father's house! I love you & hope I can be a blessing wherever His service leads! (UR!)
