

THE NORTH INDIAN EXPLOSION!

From Paul and Morningstar Kings,
DAs of Northern India.

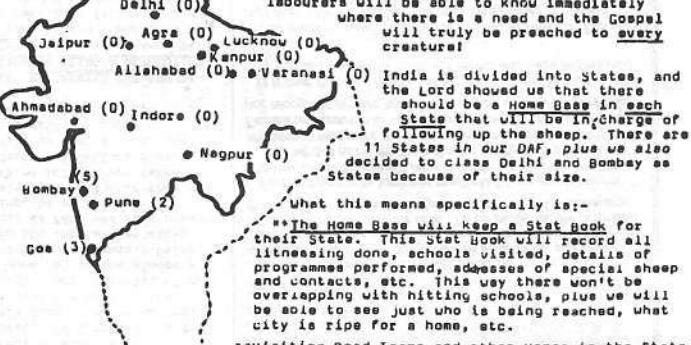

We pray this testimony will inspire
everybody about the greater works the
Lord has for us to do here! Hallelujah!

Well, as you can see by this map, our
DAF area is gigantic. Inside the map
we have only listed the cities with a
population of 500,000 or more (under-
estimates!), and how many Homes there
are in each city. The harvest truly is
plentiful, but the labourers are few.
only 17 Homes....

THIS YEAR - INDIA!

The major victory that came about from our beautiful
DAF in December was our pioneering plans, and
that is what we want to share here. Our vision is
to reach the area effectively by having a united,
organised effort at pioneering. Newly arriving
labourers will be able to know immediately
where there is a need and the Gospel
will truly be preached to every
creature!

India is divided into States, and
the Lord showed us that there
should be a Home Base in each
State that will be in charge of
following up the sheep. There are
11 States in our DAF, plus we also
decided to class Delhi and Bombay as
States because of their size.

What this means specifically is:-

**The Home Base will keep a Stat book for
their State. This Stat Book will record all
litnessing done, schools visited, details of
programmes performed, addresses of special sheep
and contacts, etc. This way there won't be
overlapping with hitting schools, plus we will
be able to see just who is being reached, what
city is ripe for a home, etc.

**Visiting Road Teams and other Homes in the State
will turn in their stats to the Home Base to be
recorded in the Stat book.

**The Home Base is in charge of following up the
MWM members in their State, plus organising MWM Parties.

**The Home Base will take care of MAIL MINISTRY to the sheep in their
State. Visiting Road Teams will hand in addresses. The other part of
the mail ministry will go to the MWM Members in the area.

PTL! - A GREAT ORGANISATIONAL IDEA! - G.O.Y.

Praise the Lord! One of the blessings that will come from this is that
has been done in the area will be written down in the Stat Book. -Amen!

WOW! TYJ! What an exciting time it is in India right now!

PREM KIRAN - the Hindi MWM - is now being broadcast each Saturday. They
got 60 responses from the first show! PTL! Hallelujah!

Here is sweet Ruth, recording a song for the Bombay
Family's MWM TV programmes, a dynamic half hour show
broadcast at the end of December on local TV, seen
by millions! Beautiful And POWERFUL - My new Indian Goddes!

PUNE is also exploding with two prodigies returned,
plus two new disciples. They joined when the Lord
really had need of them, as we all attacked the
schools with a host of programmes, 5,000 souls saved
and 10,000 pieces of lit out over the Christmas period.

Both Bombay and Pune had super inspiring MWM Christmas Parties. A lot
of the really hungry MWM Members are coming regularly to CUL and are
really growing in the Word.

Here are Ross and
Sharon, two precious
Indian sisters from
Goa. They're really
on-fire withers, also
faithful with
"What is that in
Thine Hand" - Ross's
two cute kids.

As the DAF ended, two
couples arrived from the
West and we now have two
new Homes in God, such a
ripe field from where many
of our disciples have come.
One couple, Eli and Miriam,
donated a complete darkroom
set-up to the Hindi Lit-Pic.
GBM!

Hallelujah! Thank God for all of these miracles! How often we claim
this quote:-

"I KNOW WITH GOD'S HELP YOU CAN DO IT, BECAUSE I KNOW
THE LORD AND I KNOW HE CAN DO IT. HE CAN TAKE ANYTHING
TO DO IT WITH IF HE WANTS TO, EVEN YOU!" (675:11)

This is the team from Chundrigar, a town near
Delhi. God bless Simon, Jeanine, Jonathan and
Idee Jonathan; they came 1600 kms to the DAF! Jonathan
is leaning on the Lit they took back
with them. Quite a stack as you can see, but
drops in the ocean compared to what we could
get out if you can help us! We just need the
funds for printing. With \$200, we can print
100,000 pieces of lit. Can you help us
substitute this country with the Wonder Working
Words? -Amen! SEND IT, FAM!

If the Lord's calling you, come and help us, but if not... then send your
gifts with your Report designated "Northern Indian DAF - Lit for homes"
c/o Indian CRD.

TKS! WLYSM! Keep praying for us!

Dear Family,

God bless you, we love you all sooo much.
After reading the letter "God's Guarantees" we wanted
to write a short story about some of the mighty miracles
the Lord has done for us since we decided to leave Europe
2 years ago to Indonesia, the country with which we've
just totally fallen in Love.
We know we're just strangers and pilgrims in this world
and we don't know how long the Lord will allow us to be
here but we hope and pray that it will be a long time.
I'll start my story from when we arrived in Amsterdam 2
years ago after being in Switzerland for 1 year.
While in Switzerland I had a dream about us arriving
here in Indonesia and after an inspiring visit from
Faithy and Jusen who were very positive about this country
and its' possibilities, we decided to step out by faith
and we set ourselves a dead line of 2 months and left for
Amsterdam.
When we arrived we only had money for food for the first

few days but we really prayed that the Lord would do a
miracle for us and we put the little faith we had in
action by telling everybody that we would be leaving the
first of September.

I'm sure people must have thought we were crazy, telling
everybody we were leaving for the mission field within a
few weeks without having any money on hand, with a little
1-year-old girl and I was 5 1/2 months pregnant when we arri-
ved in Holland.

We started going door-to-door every day, called all of
our friends from before, telling them about our plans
and inviting them to come and see us before we left.
Different people tried to help us but they weren't very
rich and every donation we received was a step in the
right direction but it was so little compared to the
enormous amount we heard was needed to arrive in this
third world country.

We put together a P.R. prayer letter that we distributed
to interested people we met and we sent it to everyone
on our mailing list. I also put a copy on the bulletin
board of the library. A few days after we put this letter
up we got a telephone call from a very sweet, kind of
simple-minded man who read it. I went to see him with
Etoile and Melody from Lemb and Zscheus with whom we
were living then and sang songs for him and told him
some more about what we wanted to do here for the Lord,
and he promised he would help us if we would write him
from our new field.

We also sent our prayer letter to all the newspapers in
the district I lived before I joined the family with a
little extra note, asking them to print this letter for
us, because through the paper we wanted to say good-bye
to all my system friends whom I hadn't seen since I
joined the family.

I didn't get any responses from any of these old "friends"
but the day before we left we got a sweet letter from
a 72-year-old man who just lives from his pension. He
wrote us that he was so sad that his own children didn't
have any love for the Lord and he felt so happy when he
read that we were young people who still wanted to help
others that he decided that he would help us and support
us instead of his own children. This old man is still
one of our faithful supporters and sends us a good
donation every 2 or 3 months.

Well, after we did all we could, 2 weeks before the first

of September we just had enough money to pay the 10%
deposit on the plane tickets so by faith we went ahead
