

The doctor, who is a Christian, said it's a miracle." — Michael & Lori; Australia

"OUR DAUGHTER FAITH (1) WAS HEALED OF PNEUMONIA after 5 days in the hospital & desperate prayer. 'Greater Victoria' & 'Prayer for the Children' were comforting & faith-building for us during this heart-searching time." — Zatthu & Morningstar; Australia

"GETTING OUT SINGING WITH THE KIDS—obeying the busing Letter really resulted in the Lord's blessing with souls too!" — Joseph & Lamb; Pacific

"WHILE ON A ROAD TRIP TO VISIT A CLOSE FRIEND we were able to do 2 shows with the children—one at a school & another at the biggest hotel in town with over 500 souls saved in all. We did a show for 2000 uni-

versity students in Songkhla. We also found a radio station that wants to air MWM, plus we can sing live over the air which we did already for 1/2 hr. with the kids. The show reaches all of S. Thailand." — Gibeah & Mercy; S.E.A.

"USING THE OLD TKS, I MAKE A SIMPLIFIED VERSION OF THE STORY OR CONTENTS with words easy enough for the child to understand. I also make a point of giving a star to the child each time she completes her reading & words for the day; & put it on a chart—when they have 10 stars, they get a reward. For memorising—I made up circles, w/ 4 verses on each, all on the same subject. As they repeat the verse, I have them look at the reference along with the verse. This method has worked best for my two children for retaining references." — Christina; S.E.A.

"PREVIOUSLY I WAS WORKING ON A DRILLING SHIP off of Sicily for 28 days. My desire to witness was so great I prayed & God showed me to write poems & enclose them in bottles. I sent 2 bottles with Love & Salvation poems. A few months later I received a letter from the Director of the German school in Benghazi, Libya.

He & his wife on a walk on the beach 25 km. from Benghazi found the first bottle. They wrote me a very nice letter & I wrote them back a witness. I now believe more than ever that God can use anything for a witness, even a 'message in a bottle'." (Joppa; Europe)

## Five-Year Wait Rewarded!

—Knew disciple conceived after adopting a baby! 7 years on the mission field!

Now we're 4! Miriam & Daniel Newlove with adopted son Sammy—21 months & newborn Seth Philip! "It is indeed God who causes the barren to be a joyful mother of children. So don't give up, girls! God will give you children in His time if you're faithful & it's His Will! It's only Jesus!" Photo by Michael.

From Daniel & Miriam Newlove; Indonesia:

Dearest Dad & Maria,

### GREETINGS OF LOVE FROM INDONESIA!

Since your loving concern touched our lives so personally in the Letter "Frustrated" which we desperately needed to straighten us out & get us back on the track, we have had some victories in our lives which we are so so thankful for & which we'd never have gotten if it had not been for your taking the time to correct us.

### "FRUSTRATED" SAVED

**OUR LIVES!**—In such a special way, as you know, Thank the Lord for you, Dad, that's all we can say. We love you so much & love your Words so much. They are so true & like God's Love, they never fail!

### THE LORD BLESSED US WITH A KNEW DISCIPLE US

in January. This is such a miracle, because as you know, Miriam hadn't been able to get pregnant since we got married 5 years ago. The Indonesians believe

that if you adopt a baby that it will help you to conceive one. And it sure did!

### LESS THAN ONE YEAR AFTER SAMMY WAS BORN

& came into our lives, Seth was conceived. Hallelujah! We can't tell you what an exciting experience it has been for us to go thru the pregnancy, delivery & breast-feeding—things we missed with Sammy.

### GOD BLESS DEAR MORN- INGSTAR & ZATTHU

for their sacrifice in giving us Sammy, which got the ball rolling. TYI! It could happen only in the Family—that kind of love! Most of all, we know it's all been the Lord & His Love & goodness to us & we are just so thankful for everything He's given us, most of all for the privilege of following Him & being able to know His Prophet & to have the true Words of God for today & to be able to be on the field here in Indonesia. We just extended our visa (by a total miracle!) for our 7th year here! PTL! That's God's number

so we hope it will be an exciting year!

**WE JUST CLOSED DOWN  
OUR OLD HOME** which was too far out of the city. We were just discussing how we felt the Lord wanted us to give up our nice place we were so attached to & step out by faith again. Then we received "Shove Off" which confirmed everything & really helped us to give up our "Miami".

**LAST WEEK WE MOVED IN  
WITH ANOTHER COUPLE IN  
THE CITY** who have been on their own for a while & where there are a lot more sheep "passing under our window" to be fed. Hallelujah! Thanks again for everything you've done for us. We love you both & all the others who are close helpers there & we pray for you every night before we go to sleep! "Kami cinta padamu (ILY in Indonesian)! — Daniel & Miriam Newlove, with Sammy & Seth. (PTL! GBY! "Be not weary in well-doing for in due season shall your reward come.")
