

& barrage of doubts & lies, I broke down & cried out of sheer anger, exhaustion & desperation, crying out to the Lord in my heart. (There were 7 of them--excluding my mother & brother--who took turns working on me from wake up till midnight every night.) They took my crying as a sign that they were breaking my spirit & will, & making some progress. They immediately stopped their harassment & started pretending to love me up, bringing me food & drink or some supposed treat. They also called in my mother who hugged me & cried, which grieved me even more to see how totally deceived she was & had put herself in the hands of these devil-inspired people. I was then taken out of the room for the first time for a walk outside, accompanied by most of the others in case I would try to escape.

**THE DEPROGRAMMING OUTFIT CONSISTED OF THE HEAD DEPROGRAMMER & HIS WIFE**, their 16 yr. old son (a blue belt in Karate & brought up in this "business" since he was 4 yrs. old, the biker, the professor, a Dutch girl in her late 20's (an ex-Moonie), my mother & brother, & later a backslider.

**AFTER A SHORT WALK OUTSIDE WE RETURNED TO THE ROOM & THE INTERROGATION BEGAN AGAIN.** They would always start out low key, gradually working themselves up into a self-righteous fury as they fed the fires of the deception with all the venomous lies they were spouting off to me. Neither my mother or brother were included on these sessions & I only saw them at night or in the mornings as a rule. I slept with my mother at night with the door open & a guard sitting outside the door. They don't "recommend" that your relatives be present for these sessions as they know you might be able to get through to their hearts, possibly stopping the whole thing, & they are also smart enough to know that you won't particularly want them present either to hear all their lies which would freak them out even more than they've gotten them already.

**THE FEW MOMENTS I WAS ABLE TO SPEND ALONE WITH MY MOTHER**, I tried to get through to her & reason with her, but to no avail. She wouldn't even give me enough time to get through to her but would either turn away, leave or do something else.

devils & said that if I could convince them that what I was doing was of my "own free will" then she would be satisfied & happy.

**AT THIS TIME I BEGAN ANSWERING SOME OF THEIR SIMPLE QUESTIONS** as I was so tired of their harassment & constant barrage of questions & lies. I explained that I was just a Christian & wanted to serve the Lord & chose to do this with the Family, etc. Of course they didn't stop here but continued to push me for more information with more loaded questions. I then began answering all their questions with questions, leading them in circles. This really irritated them & made them more antagonistic as they saw they were not making any progress. When they started shouting in their ranting & raving I would remind them that they were doing so, & stopped answering any more of their questions. Some of them had to leave the room they got into such a furor & no doubt would have gotten physically violent as well, particularly the biker. He was their main spokesman in twisting the Word to use it against the Letters, as he knew the most Scriptures.

**AFTER BEING IN THE LITTLE ROOM FOR 4 OR 5 DAYS**, I realized that I wasn't going to be able to get through to my mother & that they were not going to stop at anything short of their goal. I prayed desperately what to do & received the verse, "Agree with thine adversary whiles thou art in the way with him..." (Mt. 5:25, 26). I had a real battle about this as just the thought of having to agree with any of their outrageous filth made me feel sick & went against everything within me, but I knew that that would probably be the only way I could get away. I just prayed for the Lord's grace & wisdom, knowing that there was One who could outsmart them all & that was Jesus!

**DURING THIS TIME THE WORD CAME ALIVE TO ME LIKE NEVER BEFORE!**--giving me the faith, wisdom, strength, guidance & answers that I desperately needed daily in my dealings with these people. I could not emphasise enough the importance of the Word & having it deep in your heart! I drank lots of water as the little time I had alone was on the toilet--during the night, & first thing in the morning before anyone discovered I was awake, I spent in desperate prayer & quietly reading my little New Testament which I kept in my purse

New Testament which left me with just the Word that was in my heart. I was very thankful to have worked on a little Word project for myself just before this experience happened. This review of the Word had helped sharpen my sword & quickened the Word to my heart & mind more readily. TYL! It was so vital to know the Word with which to combat the lies of the Enemy. Even through their worst attacks I had the peace of knowing that no matter what they did, they couldn't take away the Lord & His Words hidden in my heart. (Romans 8:38, 39):

**I BEGAN GRADUALLY AGREEING WITH THEM, MAKING THEM FEEL THAT THEY WERE SUCCEEDING**, as I continued to pray desperately for a way of escape. I claimed the latter part of 1 Corinthians 10:13 & my daily prayer was to be as wise as a serpent & harmless as a dove! I was forced to listen to many tapes & writings--testimonies of backsliders, speeches, lectures & various venomous spoutings by church people, rabbis & others--including discourses on the favorite subject of "mind control".

**THEY KNOW THAT THE REASON WE'VE JOINED THE FAMILY IS OUR LOVE FOR THE LORD & DESIRE TO SERVE HIM.** They are thoroughly familiar with all our beliefs & Family terminology. They have most, if not all, of the Letters & publications, including some of the Volumes, & are even receiving each issue of the Mag as it comes out, (undoubtedly from some "Judas" in the U.S.). They showed me several copies of Mags including the latest issue.

**THEY ALSO GLEEFULLY PRESENTED PHOTOCOPIES OF SOME OF THE HOTTEST LETTERS ON SEX, THE SPIRIT WORLD & THE JEWS.** These subjects infuriate them the most, accusing Dad of being a sex pervert (the "Devil Hates Sex"), an occultist, & hater of their beloved anti-christ Jewish brethren!

**THE SUBJECT THAT INFURIATED THEM THE MOST WAS SEX & FFING.** Before I began agreeing with them, they harped on this subject incessantly, throwing some of the hottest Letters & illustrations in my face, as they furiously raved about prostitution, child "pornography" & child sex, as well as accusing me of being a prostitute for Dad. They told me if I wanted to be a prostitute, fine, but not to send the money to M.D. & especially not

root on that one-- that anyone would dare show love through sex in Jesus' Name! The biker harped on this the most (probably his weakness), giving me practically every verse in the Bible on fornication & adultery. In the beginning I'd answered them back that my sex life was my own business & they they had no business telling me what to do & with whom & what I could talk about; & told them not to talk to me about sex as I'd been a firm "believer" in it since I was 14--ha!

**THE FIRST THING THEY HAD ATTACKED ME WITH WAS THE WORD**, trying to disprove the Bible with their churchy interpretation of the Scriptures, majoring on the epistles of Paul concerning the subject of sex. They also attacked the Letter on Abraham, the goddesses & spirit trips, with Scriptures on the occult, familiar spirits, wizards & mediums. As Dad said in one of his Letters, the church is so afraid of bad spirits (of which they have plenty) they completely discredit any good spirits including the Holy Spirit! Concerning the Jews, they picked choice quotes from Letters in which Dad blasts them for their wickedness, & they furiously defended the Jews as "God's chosen people" (Ugh!) The Jews have really outsmarted the System church on this one!

**ONCE THEY'VE TRIED TO DISCREDIT THE LETTERS** by using the Bible, then they also think they've proven that Dad is a false prophet, therefore you shouldn't be following his teachings, etc.

**ON ABOUT THE 4TH DAY THEY FLEW IN FROM THE U.S. A BACKSLIDDEN SISTER NAMED SURETY** (now Jane). She'd joined in Spain then went to India where she left with her husband because of FFing. She was eager to give me a Bible class supposedly disproving that Dad was God's Endtime prophet, as well as sharing her own backsliding testimony.

**WHEN THEY WERE FAIRLY CONVINCED THAT I WAS ON MY WAY TO BEING SUCCESSFULLY DEPROGRAMMED**, my having agreed with them thus far, they now wanted signs of betrayal to back up my denial. They asked a lot of questions about Dad & if I knew any other "leaders" & their whereabouts, as well as the location of any WS units, etc. I answered all these questions with, "I don't know." Their primary purpose was to personally deprogram me (for which they were being paid), but tried to get whatever information

1180  
mation they could in the way of betrayal, also asking me to write down my "thoughts". **IN THE BEGINNING I'D MADE A POINT OF ASKING THEM HOW MUCH THEY WERE MAKING FROM MY MOTHER FOR THIS.** They selfrighteously denied they were making profit but rather that they considered this their "ministry for the Lord"! As Jesus said, "Yea, the time cometh, that whosoever killeth you will think that he doeth God service." (John 16:2).

**THEIR NEXT MAJOR STEP WAS TO THOROUGHLY INDOCTRINATE ME IN WHAT THEY CALL "MIND CONTROL"**. They cite various scientific experiments & examples from history & the present (including Communism) which they say "prove how through psychological methods your freedom of choice can be taken away without your even knowing it, & you can be made to think, behave & react according to the will of others."

**I HAD TO LISTEN TO VARIOUS TAPES & WRITINGS ON THIS SUBJECT**, culminating with their prize book entitled something like "Psychology of Mind Control & Totalism" by Clifton Wurr. This book was written about Communist China & their methods of brainwashing & mind control. The deprogrammers use chapter 23 of this book as their "bible". This chapter explains the 8 steps of mind control. It is very intellectually written to appeal to people's minds. (Ro. 8:7). The professor led this part of the deprogramming as he was the intellectual of the group. He doesn't claim to be a Christian & even disagrees with the others on the subject of sex.

**THE BACKSLIDER WHO WAS PRESENT FOR THIS "STUDY"**, was thoroughly familiar with this doctrine & eagerly provided examples of how she thought it was applied in the Family. How convenient for a backslider to accept this doctrine thus excusing themselves for their sins & backsliding by not having to take the responsibility for any of their own choices in the Family & why they made them! Undoubtedly it is the only way that some of these backsliders can live with themselves.

**IT WAS SO BLATANT THAT THESE SAME METHODS THAT THEY WERE ACCUSING THE "CULTS" OF USING**, were the very same ones that they were employing in deprogramming, just as the System does through its music, advertising, news media, businesses, churches & almost every aspect of life. What it comes down to is con-

trolling the minds & spirits of those not filled with the Lord & His Spirit & protected by the knowledge of the Truth in His Word. TTL that we can "try the spirits whether they are of God..." (1 John 4:1).

**BY THE TIME THEY FINISH THEIR DEPROGRAMMING** they have contradicted everything they've said & done, exposed themselves & their methods & undermined every principle in the Bible. As Dad said, if you give the Devil enough rope he'll hang himself!

**THEY DO NOT PERSECUTE THE MORMONS, JEHOVAH WITNESSES OR OTHER LARGE "CULTS"** which are bigger, more powerful & have been around too long for them to pick on. They do not consider these "destructive" as they do us, defined as those using "mind control". However they've even had Jews come to them asking them to deprogram relatives that had converted to Catholicism! However these particular deprogrammers do not mess with the big religions.

**AS THEY BECAME INCREASINGLY CONVINCED OF THEIR SUCCESS WITH ME**, they gradually gave me more "freedom" & less mental badgering,--only an hour or two of "study" a day. I was now allowed to walk about the house freely, eat meals at the table with everyone else, go outside, etc. They also began initiating their process of "rehabilitation" by getting me involved in different activities which were supposed to help me get back into "normal" life. They took me swimming, playing tennis, on outings & for meals out, etc. (which was definitely better than being locked up & tortured). During this time I talked to some of them, getting to know them & learning about them personally. I learned to start "loving my enemies" & I honestly felt a real pity for a few of them who seemed sincerely deceived, but pray that the Lord delivers them from their wickedness one way or another.

**AT THIS POINT I ALSO HAD A FEW OPPORTUNITIES TO ESCAPE**, but was desperately praying for the Lord's best opportunity, as an attempted escape that failed would probably have landed me in a worse situation maybe even than I began with. Getting to know them personally & showing them some love, as well as not having yet tried to escape, probably won more of their confidence.

**I WAITED FOR THE LORD'S TIME & IT CAME** when most of the group had dispersed & I was left with my mother, brother & the

head deprogrammer & his wife to return by car to the city in which I lived, where they needed to get a train to leave the country. The day before they had informed me that I would be sent to a "rehabilitation center" for ex-cult members in the state of Iowa, upon our arrival in the U.S.

**UPON ARRIVING BACK IN THE CITY IN WHICH I LIVED, WE WENT TO THE TRAIN STATION** so they could buy the train tickets & do some business. The head deprogrammer went to buy the train tickets while my mother & brother went to change money, leaving me alone with the head deprogrammer's wife. This was the time I'd been waiting for, so I got up to throw away a piece of trash & slowly started walking away. When the woman recognised what I was doing I took off out the door & away from the station along the tracks, running for all I was worth!

**I THEN CUT ACROSS THE TRACKS BETWEEN TRAINS** looking for a place to hide, & ended up locking myself in the WC of a deserted train. I stayed there for an hour before running across the remainder of the tracks & into the back of a building, which turned out to be a Post Office.

**BY AN ABSOLUTE MIRACLE OF GOD, IN WALKED 2 BROTHERS FROM MY HOME** who'd been doing some business in this huge main train station & came to this very same Post Office where I was! Hallelujah! Upon seeing me, they quickly rescued me & took me Home. TYL! A real answer to mine & the Family's desperate prayers for my deliverance. PTL. Who hath delivered, doth deliver & will yet deliver!

**THE DAY I WAS KIDNAPPED**, by a complete miracle I'd left my passport & other ID at Home & didn't have any addresses, tel. numbers or anything that could've pinpointed my Home's location. If they'd have tried to take me out of the country (especially overseas) they'd have had big problems seeing I had no ID.

**BEFORE MY ESCAPE, THEY'D SHOWED ME A LARGE STACK OF PHOTOS** of young people (that they'd successfully deprogrammed) with their parents, etc. The majority of these were Jewish and/or from prominent or wealthy families. The head deprogrammer mentioned some wellknown names, including the Dupont family, whom John Todd listed by name as one of the "500 wealthiest persons in the World" making up part of the pyramidal structure of the Illuminati!

**I'D ESPECIALLY LIKE TO WARN THOSE STILL REMAINING IN THE NORTH--THE**

**U.S. & EUROPE--TO GET OUT NOW!** This is just another one of the Lord's ways of getting us to move in obedience to what He's already told us to do. If you don't get out while you can now, you may not get a chance later. These deprogrammers are operating freely in the U.S. & are also very active throughout Europe, particularly Holland, Germany, Spain, England, France, Italy & even Switzerland.

**PLEASE BE SURE TO FOLLOW THE GUIDELINES IN THE LETTERS ON SECURITY** in order to protect your Home, family & ministry from such persecution. "Be ye therefore wise as serpents, & harmless as doves." (Matthew 10:16). These people usually arrive a week or two before a relative is scheduled to arrive, & will set up & watch your Home & get to know your schedule if possible.

**I PRAY THAT THIS TESTIMONY WILL BE A BLESSING, HELP & WARNING**, & that others will profit by my mistakes as well. The main mistakes, as well as lessons learned were:

\*The unguarded moment--thinking that it couldn't happen to me thereby leaving a place for the Enemy to get in & have it happen.  
\*Letting the Enemy distract me from the Lord's Work--compromising my convictions in letting my concern about my flesh family override what I knew was best for the Work. The Lord's Work always comes first, & what's best for His Work is what's right!  
\*The importance of knowing, & particularly memorising the Word.  
\*I know the whole incident would never have happened if I'd been as close to the Lord as I should have.

\*The serious responsibility each one of us has, "for we wrestle not against flesh & blood, but against principalities, against powers, against the rulers of the darkness of this World, against spiritual wickedness in high places." (Eph. 6:12).  
\*Thankfulness for the wonderful Family we have & the Heaven in our hearts & heavenly fellowship we have with one another! TYL!

**GOD BLESS & KEEP & PROTECT YOU ALL AS YOU CONTINUE TO WIN THE WORLD FOR JESUS!** "So keep us in the center of Thy will, Lord, doing Thy work, continuing to do the best we can to be a witness to the World in spite of whatever is happening. We believe You're going to protect us & keep us so we can continue to do Thy Work & be Thy witnesses as long as possible. TYL! "Through Him we have power over everything." (Daily Might: December 18 & June 28). ILY!
