

We went to Aeroflot, and the manager gave us a discount on each ticket, plus he promised us a discount on the overweight-luggage we brought with us.

So we set our departure date to Feb. 9th, and proceeded with selling out everything in the Lit-Pic-house. We put an ad in the local paper, and people came and bought just about everything - including the things we were ready to dump in the container! We ended up getting twice as much through the rummage sales as we had expected, without even selling the biggest, most expensive items! So TVJ!

As we were so many going to the same place, we pooled all the money we got in, and then divided it afterwards between us so everybody had their needs met. Doing it this way was really a uniting factor and helped us get out faster. (Acts 2:44-45)

Then - the caravans!: The second week we got the first one sold in Sweden, and the last 3 were all sold in the last week - on Friday, Saturday and Sunday - and we were leaving on Tuesday! And for every caravan we got a very good price - actually more than we had counted on! So PTL! The Lord did the miracles! PHN! And in the last week we also got the 2 cars sold - also for more than we had expected! TVJ!

When we phoned the Family in Thailand, they asked us to bring a few things that are hard to get here, so we phoned around and provisioned among other things self-adhesive plastic. One book-printer gave us 150 m of this plastic, plus 15 dollars on top of it as a donation to the work, GB him!

As we were going to ship a lot of heavy stuff, we phoned one shipping company and asked if they could help us - either for free or very cheap. So they said they would ship our things for the price, God bless them! Then the day we were to get the papers from them, they came and talked with us - to check us out - and then they said they would do it for free! Hallelujah! And not only that - they would send our stuff to their man here in Bangkok, thus getting it through customs for us! What a miracle - more than we could ever have dreamed of or hoped for! The Lord was just opening the doors wide for us to go through! In fact, one verse we got at the beginning when asking the Lord to help us get out, was Rev. 3:8, "See, I have set before thee an open door which no man can shut." What confirmations of this verse!

On Monday, the day before departure, we found we needed to bring a timer for darkroom work. We phoned up our good contact at Philips, and he gladly gave us a brand new timer - the model so new it isn't even on the market yet - God bless him! "God loves a cheerful giver", and we know that God truly loves all our friends who gave so willingly and cheerfully!

The Rewards Of Pioneering In Thailand!

FROM GILEAD & LEAH, THAILAND: After being in a beautiful northern city for almost 13 years, the Lord showed us to pioneer a provincial capital in the Central North. Previously there had been occasional road teams here, but the Lord showed us the need for a base home to also reach 6 nearby provinces, some of which hadn't even had a road team for years.

So our little team of Leah, 4 1/2 months pregnant, Samuel (2) & myself set out. Arriving in this new town, we stayed at a small hotel while asking around about houses for rent. After a few days the Lord supplied us with an ideal house. The owner is the principal of a Christian High School and had previously helped some road teams. They let us rent the house at a reduced price, without the usual deposit as well, and let us stay for 2 weeks free. FYI! What a miracle! The Lord had given us the quote, "There's nothing too small for the Lord or too hard for Him. Every little thing! Why do you worry, why do you fret? God's going to take care of every little detail!" (1:73) So we were now starting to fulfill His word. Then, through provisioning, the Lord supplied all our household needs - from food utensils to a fridge and electric fan. Plus over the next 3 1/2 months Adam from Australia, Lek & Moony (Thai Nationals) and finally, Peter & Robyn & Ruth 1 1/2 from Australia, all came to help reach the harvest here. So now there are 9 of us plus 2 new local members, a student and a teacher, who can't live with us yet.

In the 4 1/2 months that we've been here, our home has distributed over 800,000 pages of literature in 5 different cities, but we can't print enough fast enough to fill the vacuum of hungry hearts here.

We have also been to many schools where we take over English classes or do shows for the students. From these and personal witnessing over 12,000 souls have been saved since we started this new work for the Lord. This includes 7,000 souls won at Christmas through about 12 shows done at schools.

The sheep here are so hungry, that every day we have visitors and we've also been having "Sunday School" on Saturday mornings, and a weekly Church of Love.

The Lord also opened the doors for us to get into all the schools of an outlying district, when Leah & Adam met the owner of a private school there. We did a show at both the schools he owns, where nearly all the students got saved. He introduced us to the Principals of the 2 govt. schools, where we later sang and witnessed, with most of the students there receiving Jesus, too! In this district the students come a long way from small villages, so we were able to reach a vast area we usually wouldn't go to, by reaching the students at school. PTL!!

So the possibilities are limitless here. There are many provinces in Thailand that need teams to reap the ripe harvest before it rots. Will you come? Or if you can't come, we sure need your prayers and financial help to get out the W.W.W.'s here.

FAITH LICKS "THE TROUBLE WITH THE TROPICS"

From Adam & Patience, Thailand:

I would like to testify of how I got healed from hepatitis in 3 days!

HEPATITIS HAD BEEN GOING AROUND in a couple of Homes, of which ours was one, so when I started having real-

ly bad diarrhoea and started feeling weak with a whirling feeling in my head, I knew it could very well be this that had started, but I kept rebuking it.

THAT EVENING AND NIGHT I WAS REALLY FEELING BAD and I remember, with a rising

Finally - the day of departure arrived! And it turned out we were not all travelling together anyway. So the rest of the Family followed 6 of us out to the airport. Here was the next hurdle: We were promised we would only pay 1.5 dollar pr. kg overweight, but now they said we should have been there early in the morning with the overweight-luggage (which we didn't know). So they said the official price was 18 dollars pr. kg overweight. So 18 dollars x 100kg overweight = 1,800 dollars! Whew! We sure didn't have that kind of money! So we prayed desperately while the Russians tried to figure it out. Finally they called their boss, whom we had talked to, and he said to give it to us for 1.5 dollars pr. kg overweight. The guy at their airport office came out to us and said, "I don't know what you did to him, but he said it was okay. Have a pleasant trip!" Hallelujah! So instead of 1,800 dollars we only paid 180 dollars! The Lord was sure helping us get out! "The king's heart is in the hand of the Lord, as the rivers of water: he turneth it whithersoever he will!" (Pr. 21:1) Then we had to board the plane, with A LOT of hand luggage - 4 guitars, 3 small suitcases for paper, a small backpack, flightbags, 1 typewriter and 10 kg cheese - a donation from the Family in Norway. And it went just fine - though we were a bit cramped!

So - we were on our way! We were so excited! The trip took 18 hours - the flight itself took 13 hours, with a 3 hour stop in Moscow, 1 hour stop in Karachi, Pakistan and 1 hour in Bombay, India. Next stop - Bangkok!

There we encountered the last hurdle: Customs. On the plane Priscilla had asked the Lord specifically that the customs officers would not bother opening our suitcases - and they didn't - just looked at the passports and waved us through, PTL! With Peter, they wanted to see his newest suitcase, which only contained his personal clothes, and didn't bother with the old one - which actually contained a whole darkroom! What miracles! The brethren were there to meet us, and now we are staying with Esli and Magdalena until we can find another house.

So - here we are, sweating it out! It is about 32-33°C in the shade, and very humid! But we love it, and are so thankful to be here - out of the cold warzones of the North!

Our vision here? - We would like to continue feeding the Danish sheep from here. It will not be on such a large scale as before, and so we'll also help reach the lost souls in Thailand. But - we'll have to stop here and tell you more in our next newsletter. - Love from up above - and down below where we all should go! So come & see, how free & happy - you all can be - if you'll obey every word He say! - Love, Valour, Kerenna & Priscilla

fever, how I kept searching in my memory for a verse to stand on. I prayed desperately that the Lord would heal me, and when I woke up early feeling even worse and after a restless night, Dad's words popped into my mind: "Jonah got out of the belly of the fish when he cried: 'Salvation is of the Lord' - so I did and within 10 min. I had thrown up and went to sleep much more peacefully.

GOD BLESS OUR BRETHREN WHO GAVE ME THE WORD THEN. Seeing how sick I was Adam put on the tape "Faith and Healing" and Jonathan handed me his little memorybook of only promises and healing verses. GB! One of the verses that my heart chose was: "Whereby are given unto us, exceeding great and precious promises, that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust." (2 Pet. 1:6). - I had heard it many times before, in Grandma's book "Streams that never run dry", but not until now did I really experience and feel what it meant! How beautiful! I kept repeating it to myself until it grew and grew within and I started feeling a part of this divine nature that is in the word.

I MOSTLY RESTED AND STAYED IN THE WORD THAT DAY, but did take a short trip to a

closeby clinic to take a bloodtest, and I am glad I did, since otherwise no one would have believed afterwards that I had hepatitis, but that is what it was.

THAT EVENING THE FAMILY HAD COMMUNION AND PRAYER and also came up and laid hands on and prayed for me. I got: "From that selfsame hour the girl was healed" - and I got that the Lord had cleansed out all disease out of our whole house. So even though I didn't yet feel or look healed, I had gotten the Word on it and had to stand on it. Oh yes, one of the first things I got when I became ill was: "Facts pulled up faith, and faith pulled up feelings" - showing me that
