Reaction to Dad's Videos:

"YOUR CLASSES ON VIDEO ARE THRILLING, & to get to see you for the first time there couldn't be a better subject than Revelations! The same goes for those gorgeous beauties to begin with,—they are very revelatory & there couldn't be a better introduction to the most sexy leader of all ages! & also to the Truth of God's Word, which you expose there in all its naked glory in such a simple way that even a child would understand!"

"YOUR APPEARANCE ON SCREEN IS ABOVE THE MOST IDEALISTIC CONCEPTION I HAD OF YOU! You look so healthy, wise, serene & majestic, yet at the same time so simple & natural & close to us that by some kind of spell I didn't feel that TV equipment between you & us, & felt your voice very close like coming from inside me."

"YOU'RE EXACTLY WHAT YOU SAY & A LIVING TESTIMONY OF WHAT YOU WRITE, making it hard to see you & not believe you. Thank you so much for allowing them to come out & inspire, educate & edify us. I'm sure they are a greater danger to the Enemy than they are to your security because they are bringing out so much light, humour, love & life—all those things that the Devil generally hates & fights."

"GOD BLESS YOU! HE SURELY BLESSED US WITH YOU & a beautiful family. Love Forever," (Jean; Europe)
