Reactions to the final TRF Reports

"THIS IS A GREAT NEW FORM. GBY for taking some of your very important time to spend on it!" (Henry & Kitty; USA)

"THANK YOU FOR THE NEW TRF. It's really inspiring to fill it & very fast!" (Michael Fighter; Europe)

"THIS FORM IS VERY GOOD & SIMPLE, but where do we put the number of lit distributed? I didn't find it. Did it get lost? I think it's a more important stat than the pages, because it shows how many people got the written word. It doesn't matter to a litnesser like us how many pages we give to a person, but how many people we give something to & what it is. What do other litnessers think about it & what does Dad think about just giving the number of pages printed?" (Samuel & Yana; Europe) (That's in "Other Personal witness")

"WE THINK THE VOLUNTARY TRF IS FOR RECEPTION HOME COUNTRIES or Southern countries where the Family should move. That's why we didn't fill it in! Is that OK?" (Andrej Kihot; Europe) (Re: OK!)

Peaceable Fruits of Repentance

Letter of rededication from Josh, one of the Family's first disciples!

Dearest Dad, Maria & Family,

I REALLY LOVE YOU ALL & PRAY WE ALL STAY FAITHFUL TO THE LORD, DAD & MARIA. My name is Josh & I'm now 40 yrs. old & have been in this wonderful family for 16 yrs. Though my heart was elsewhere at different times, the Lord in His Love & Grace has miraculously kept me in spite of all my problems & failures. I've found the answer to keeping close to the Lord is very simple--it's to do what the Mo Letters say. I've seen people come & go, but the Lord & Dad's Letters keep moving right along with those who choose to follow all the way. The reason for Dad's faithfulness is because he loves the Lord above all.

I'M VERY HAPPY & THRILLED TO BE IN THIS BEAUTIFUL FAMILY, & having the priceless privilege of receiving Dad's inspired Letters. I feel great physically & my spirit is inspired from morning till night. I feel young in heart! As soon as we started to obey the Letters we got physically & spiritually better, & it's still getting better every day. TY!

I KNOW IT'S BECAUSE WE'VE TRIED TO OBEY & LOVE THE LETTERS, especially in areas where we have failed in the past. We still have a long way to go, but we want to do our best as we know the same results will be given only in a greater way. More love, freedom, peace, happiness, joy, love for God, love for our Family & fellow man. I really know the fruits of disobeying, & if you're God's child you'll only be miserable & living in total delusion for not receiving & obeying the truth.

I REALLY APPRECIATE ALL THE GOOD HARD SPANKINGS THE LORD GAVE ME THROUGH DAD MORE THAN EVER. All of this is much better explained in Dad's Letters, but as a testimony & in thankfulness to the Lord, Dad & Maria & all of our precious family, I want to say I really love & respect Dad & Maria more than ever. By the grace of God I want to follow their excellent sample & God-inspired Letters full of love, truth & everything we need.

ALSO, I'D LIKE TO MENTION THAT FAITHY HAD A WONDERFUL INFLUENCE ON MY LIFE, as she is so much like her father in many ways. During the years we were to-

gether she lived a very dedicated life & truly loved lost souls & inspired the sheep with an unusual anointing from the Lord, with her father's encouragement.

THE LETTERS ALSO KEPT US FROM GOING INSANE & getting too deep in the System rut while trying to survive in our spiritual desert, which was our own fault & making. The Lord kept us & protected us from falling apart & neglecting our children & each other's needs. Dad's Letters were a continual source of help, guidance & strength, even though we didn't fully obey in the past.

HOWEVER NOW THAT WE'RE BACK ON THE FIELD (thanks to the Lord & the Letters), my precious mate Heidi & our three lovely children are doing better than ever before, & each day only seems to get more inspiring as we watch with amazement how these little diamonds of dust sparkle & grow leaps & bounds in every single phase of the Lord's work. The Lord's family has them & us surrounded by pure beautiful freedoms & lots of love, not the horrible pollution of the System. So, to keep this short, in conclusion we want to thank God for Dad & Maria & our worldwide Family.

THANK YOU, DAD, FOR THE TRUTH. It might have looked like you were losing a son, but I'm yours, Maria's & the Lord's forever. By His grace I want to follow as a lamb to the slaughter. Don't give up hope on many others--God's spirit is faithful & your Letters are too! I'm sure He & they are working on all the other prodigals out there, so all who belong to David's fold will return, that the Father's house will be full.

Your Son, Josh

P.S. AFTER I WROTE THIS & WENT TO BED, THE LORD GAVE ME THIS PROPHECY FOR YOU: "Even as a babe cries out for its mother in the middle of the night, so shall these cry to thee in time of trouble."

I'M LEARNING HOW TO BE A DADDY. What a wonderful calling to see the children get all this from childbirth. Please keep on keeping on. You & Maria are truly the Lord's shepherds for this last generation. Your Son.

Tribute To Our King!

A Birthday poem to our precious king from a thankful son!

Dearest Dad,

IN ALL OUR HOMES, YOU'RE THE UNSEEN HOST,
And besides the Lord, we love you most!
On your Birthday to you we toast,
The World's best Dad, in this we boast!

YOU ALWAYS GIVE US THE RAW TRUTH!
You thresh the World with your sharp tooth,
To rip away the pillows of those at ease in Zion,
You are our very favorite Papa Lion!

AND ON YOUR FARM WE WANT TO LIVE,
For you have taught us how to give,
Our all for love without any limit,
To love the World & those who live in it.

YOUR 7 F'S AND KEYNOTE ADDRESS,
Has helped us all to undress,
To become uninhibited & totally free,
The way you & the Lord know we should be.

SO INTO THE SOUTH & EAST, HERE WE COME!
Until our job for the Lord is done,
And all the multitudes of souls shall be won,
As we finish the work which you have begun.

WE'RE SO THANKFUL YOU'VE GIVEN US THE VIDEO VISION,
And the "Fellowship Revolution" to cure any division,
Our love to you, we send with this emission,
And pray it finds you in good & healthy condition!

WE'RE ALL PRODIGALS YOU RESCUED FROM THE CORN & HUSKS,
Exchanged for a life of Heavenly fucks!
Please don't think Dad, you're ever too raw,
We love it so, it makes our spirits soar!

YOU INSPIRED US WITH THE GARDEN OF EDEN REVELATION,
We're so thankful you're the King of our New Nation!

And thank you for giving us the "World Series",
Not to mention all your Heavenly Hours!

FOR ALL OUR WOMEN ARE TRULY YOURS,
For you have opened up all the doors.
To greener pastures & still waters you have led,
And through the battlefields, from bed to bed!

YOU'VE LED US THROUGH THICK & THIN,
Because of you & your Words, we know we'll win,
The Holy War between right & wrong,
And we'll keep singing Moses' song.

SO ON THIS SPECIAL DAY YOUR WORLDWIDE FAMILY DOES UNITE,
To give honour to our source of "Daily Might",
And cherish in our hearts this special night,
For to please our King is our delight.

SO, "HAPPY BIRTHDAY" DEAR PRECIOUS DAD!
Your loving Words do make us glad.
For you're the best father we've ever had!
And we love it so when you shoot your wad,

AND INSPIRE US WITH YOUR HEAVENLY SPURTS,
Not pills, but a "Pilgrimage" heals all our hurts!
And turned all our girls into little fishy flirts,
Who've burned their bras beneath their shirts!

BEHIND EVERY GREAT MAN A WOMAN DOTH STAND,
Thank God for Maria, the finest in any land!

For your slightest wish is her command,
And with us all, she's in great demand!

SO DEAR DAD, THIS POEM MUST SURELY SOON END,
And we hope you feel all the love that we send,

To you & Maria, our King & Queen so true,
Have a very happy & healthy Birthday,...
DAD, WE ALL LOVE YOU!!!

Love, Bani

"I Want To Pledge My Love And Loyalty"

After a refreshing visit to the Creation's Staff Home!

From Ben; FC Staff:

Dear Dad & Maria,
I LOVE YOU BOTH SO VERY, VERY MUCH! & I want to show you in every way that I can! GBAYKA!

I WANT TO SAY HOW MUCH I APPRECIATE THE PRICELESS PRIVILEGE of being able to work for those few days at your Creations Staff's Home! It was such a blessing & so refreshing!

PATH & BONE & ALL THERE WERE SUCH A BLESSING TO BE NEAR, & were so loving & thoughtful--looking after my every need! GB'em!--& lovely Kitty too for all the

beautiful time we spent together! GBH!

EVERYONE THERE SURE WAS A SAMPLE OF GIVING THEIR ALL to get as much done as they could while the time is available to do so! They all sure are getting a lot done now & sacrificing to do so! GBT! Again, I can only say that I felt privileged to be asked to help out in what small way I did, & only want to say that I want to do more--anything, anytime & anyplace that my King & Queen call!

YOU BOTH MEAN SO MUCH TO ME--EVERYTHING NEXT TO JESUS--and I know that the love I experienced while at your staff's Home was only that they've learned from you & your sample to them! They love to live the Letters!

AND BEING ABLE TO READ SOME OF THE UP & COMING LETTERS, & see the vision of projects & things to come, was so exciting. There are so many books, maps, charts, etc. coming & being poured out to us all in these short months & weeks before the war! GBY for your vision to get so much out while you can, & LHU to not miss even one of 'em--each one is a complete revolution in itself & so vital to our work & vision! Whew! TYL!

I LOVE YOU, & AGAIN WANT TO PLEDGE MY LOVE & LOYALTY TO YOU in every way! I love you!

Love, Ben

A PRAYER OF REDEDICATION
--by David Livingstone

"My Jesus, my King, my Life, my All; I again dedicate myself to Thee. Accept me & grant, O gracious Father, that ere this year be gone I may finish my task. In Jesus' Name I ask it. Amen, so let it be." (The journal entry on his last birthday, March 19, 1873.)
