

# OUR AUDIENCE WITH THE KING OF KINGS!

*-The Story of Heaven's Children!*

Chap.  
17  
P.O.

There it is!--The entrance to  
the Administration Level!

Praise  
the  
Lord!

Wow!

Thank You  
Jesus!

1. WELL, HERE'S GRANDPA AGAIN ON HIS SIMULATED TIME TRIP INTO HEAVEN IN THE FUTURE! I'm trying to show you all the amazing & wonderful & marvellous & glorious possibilities of this happy Forever-land for your encouragement & inspiration & to thrill you & excite you & give you a tremendous enjoyment of anticipation, to inspire you to do your best for Jesus wherever you are right now, so that you can bring as many more souls as possible with you when you come! Hallelujah! Thank You Jesus! Praise the Lord! Amen! (1Cor.10:11)

2. MY LAST STORY WAS ALL ABOUT "THOUGHT POWER!" & THE FLYING GOLDEN GONDOLA! ("Heaven's Children!" Chapter 16)--Although it seems to be gracefully made of beautifully carved wood, it's of that gorgeous golden blonde colour of the ash tree wood, which is so beautiful in furniture when wrought & polished with an expert hand! But I don't think Abner had to get out & polish our flying car this morning before he came to pick us up, because there's no dirt or pollution or scum or any kind of filth Up Here in our beautiful Heavenly City to make it dirty!

3. AS YOU RECALL, WE WERE SAILING ALONG IN OUR LOVELY COMFORTABLE LITTLE FLYING BOAT past the beautiful rows of mansions on the inside walls of this giant City, 1500 miles high & 1500 miles wide & capable of housing 500 billion souls in the future! But now we were spiralling up much more swiftly toward the top, as we had been invited to be there in time for a promised luscious midday luncheon feast with the King & His courtiers!

4. REMEMBER, IT'S 1837 MILES FROM THE BOTTOM CORNER WHERE WE LIVE TO THE TOP WHERE JESUS HOLDS COURT! So now we were really sailing swiftly along, as we spiraled

upward, upward, ever upward, still thrilling to the beauties of this gorgeous City on all sides! Now we were flying so high that its beautiful gardens below looked like a map of the countryside.

5. AT LAST WE BEGAN TO APPROACH WHAT LOOKED LIKE A GIANT DOMED ROOF inside the apex, nearly 100 miles wide, with a tiny round aperture in its center, which grew bigger & bigger as we approached. Finally we saw that it was very large indeed--large enough to accommodate the much increased flow of traffic passing back & forth through it, as a multitude of civilians & officials visit this area & its administrative offices on business for the King! They all are passing quietly & noiselessly to & fro on their assigned routes between the area below & their destinations above.

6. AS WE PASS THROUGH THIS AMAZING ENTRANCE guarded by yet more angels to prevent any unnecessary or unauthorised traffic, we look up & high over our heads see that the apex is still nearly a hundred miles away! But the walls of this pyramidal top of our giant City are still lined with the mansions of those who live & do business here, various officials of the Kingdom, who live here close to their work here on top.

7. SO ABNER, GOD BLESS HIM, KNOWING HOW CURIOUS I AM ABOUT EVERYTHING, GAVE US A QUICK FLY-BY past some of these glorious mansions Up Here in the top of our City, with residences of some of the most important officials of the Kingdom!--And they are beautiful indeed! The higher we rose, the closer the walls began to close in toward us, so that we could see even much larger buildings than the residences themselves, as we viewed the great spacious offices of the Kingdom where the various administrations

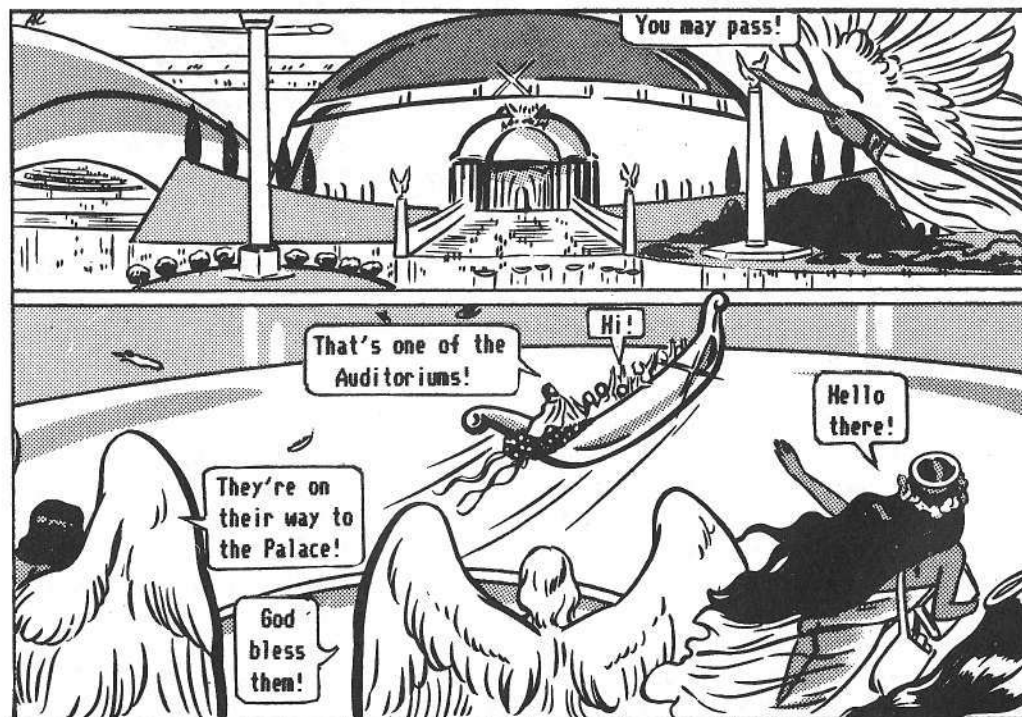

are carried on, overseeing this gigantic Kingdom of Heaven! Everyone is busy & floating to & fro. The pedestrians, or aerialists, as I guess you'd call them, flying short distances Up Here on their own between offices, while visitors like ourselves come in these tiny spaceships from great distances below.

8. I JUST CAN'T POSSIBLY DESCRIBE ALL THAT WE SEE HERE, but it is beautiful to behold the orderliness, the efficiency, the quietness & serenity with which everyone is going about his business for the Lord. They smile at us Newcomers as we pass by, waving a cheery greeting, knowing that we are coming up for the first time in this newcomers' airship. It's apparently a daily occurrence here, of course, with many others besides us aiming upward toward our final destination.

9. FINALLY AS WE APPROACHED ANOTHER OF THOSE DOMED & GUARDED DIVIDERS, the traffic

became much lighter, as access to the King & His Court & His courtiers & His various Councils & Counsellors & Judges, etc. is much more restricted Here. These are the very top administrative offices of all. As we pass through another angelically-guarded entrance in the top of this dome, we saw that we were in Seventh Heaven indeed!

10. OH, YOU DIDN'T KNOW THAT THERE IS A SEVENTH HEAVEN?!--WHY YES INDEED! Of course there is a Seventh Heaven! This is where all the most important people live & work around the King Himself. This is where they have their residences on the walls now so nearby, so close that we could see through the transparent golden crystal sides of the City itself beyond them out into the beautiful blue sky of the spherical crystal sea that surrounds & guards this great City, with its giant forcefield. These walls are not only lined with the homes of the administrators, but also huge Council rooms & meeting rooms

& spacious offices of the most important ministries of Heaven!

11. FINALLY, AS WE NEARED THE TOP, ABNER BROUGHT US TO A GENTLE SOFT LANDING on what appeared to be a sort of parking lot for other gondolas like ours, & we all piled out to follow Abner through a beautiful entrance-way, like the gate of a palace, stopping only to check our credentials with the Palace guards. Then walking on, or should I say floating on, our feet seem to barely touch the ground as we glide along with effortless ease, through gardens more beautiful than any I've ever seen, even by king's palaces! They're more beautiful than the formal gardens of the palaces of Italy

or Versailles or Europe!

12. WE THEN APPROACH AN ALMOST INCREDIBLY BEAUTIFUL PALACE, even more celestial than the Taj Mahal, which to me was always the most beautiful building on Earth, built in India by one of its greatest kings for his greatest love! This Palace too was built by a great King--the greatest of them all!--In fact, the King of Kings, Jesus Himself, the Ruler of the Kingdom of God! It has a lovely golden dome similar to that of the alabaster Taj Mahal, & ornate golden entrances & beautiful windows, such as I have never seen before!

13. I'M JUST PICTURING IT TO YOU AS I SEE IT! I want to describe it to you so

you'll know what it's like, for your thrilling inspiration & encouragement, to know what the home of our King looks like--the greatest King of all in the most gorgeous, beautiful & Heavenly Palace of all!--Not made of alabaster nor marble nor the most precious building materials of Earth, but of this same beautiful golden see-through crystal, of which it seems all Heaven is composed.

14. CHECKING OUR CREDENTIALS AGAIN WITH THE RECEPTIONIST ANGEL here, as he checked the guest list for this Newcomers' Luncheon feast, we passed on through its golden halls filled with soft, beautiful, angelic music & hymns & anthems of praise to the King! We finally came to a spacious waiting room, like a large guest lounge where we sat down for a bit to collect our wits & calm our almost reeling senses, as we tried to take in all this glorious beauty such as we had never seen before! We had come a little early to be sure we were on

time, because you don't keep a King waiting, & you don't come in late for Royal banquets!

15. MEANWHILE WE GAZED IN WONDER AT ALL THE GORGEOUS ANGELIC BEINGS who were passing to & fro, both Saints & Angels, in all of their radiant beauty--more beautiful than all the beauty contests on Earth put together! Our women meanwhile, as women always do of course, were adjusting their clothing & tidying their hair, making sure they were looking fit for a King!

16. AT LAST THE CALL CAME!--THE NEWCOMERS' FIRST LOVE-FEAST WAS READY to be served! So we rose almost trembling with awe as we followed our Hostess & Abner into the Great Hall of the King Himself!

17. HERE TO OUR AMAZEMENT WAS A HUGE ROUND TABLE heaped with all kinds of delicious & luscious fruits & viands of this Heavenly Kingdom! Of course all eyes were on the King Himself at the head of the table, as we looked in wonder on His glorious beauty & majesty! But He immediately put us

all at ease with a gracious smile & words of loving welcome, & motioned to us all to be seated. We then joined hands in thanksgiving & praise for the delightful meal before us & the wonderful fellowship of the Saints!

18. THERE WERE OVER A HUNDRED OF US present on this feast day, as these luncheon feasts are held each midday for the Newcomers to this great City. They usually arrive on an average of about 100 to 200 each day through its twelve Pearly Gates, & spend about a month before the Feast in getting oriented & settled in & accustomed to this amazing Celestial life!

19. ON THE SLIGHTLY RAISED Dais AT THE HEAD OF THE TABLE SAT GOD HIMSELF as the Ancient of Days, with His Son Jesus at His right hand & His beautiful Mother Holy Spirit on His left!--Indeed the Queen of Heaven looked even more ravishingly beautiful Here amid all this splendour than when we had seen Her in a few visions while yet on Earth! Again waving toward the food, Jesus said, "Enjoy yourselves & be refreshed before we have our fellowship together!"

20. SO DESPITE OUR AWED WONDER, IN OBEDIENCE TO THE KING WE BEGAN TO SAMPLE THE DELICIOUS FOODS before us, for our refreshment after our long trip. We were talking softly, but excitedly between ourselves as we ate, even as we did on Earth at our own humble Family tables, sharing the news & victories & interesting events of the day, between staring in awe & wonder at the Rulers Themselves! (Psa.133:1; Isa.33:17)

21. FINALLY WHEN OUR MEAL WAS OVER & the beautiful hostesses had cleared the table, we sat with great expectancy, wondering what was coming next! Suddenly an Announcement Angel arose & blew a trumpet, which brought us all to silence, as we listened to the list of names that he read with awesome solemnity, reading each one slowly & clearly, & calling them to the front before the King! As each one's name was read, we rose &

circled around the table as we lined up to be presented individually, one-by-one to the Heavenly Royalty Themselves!

22. AS EACH ONE'S NAME WAS ANNOUNCED AGAIN & THEY STEPPED BEFORE THE KING & HIS QUEEN & HIS PRINCELY SON, we knelt before them in worshipful wonder & adoring love, & rose to be embraced by each in a warm, tender, loving welcome of a few personal words for each one, as we kissed & hugged, just like we do in our Family on Earth!--And we began to feel just as at home with them as we do with our own humble ones! This Royal Family seemed to be just as natural & folksy & down-to-Earth as our own Family--and they are our own Family!--In fact the Heads of our Family! Thank You Jesus! Praise the Lord! Hallelujah! (Eph.2:19, 3:14,15)

23. I'VE ALWAYS WONDERED WHAT THE LORD WOULD SAY TO ME WHEN I FINALLY MET HIM, & hoped hopefully that it would not be some rebuke or reproof for my failures, to embarrass me before all!--And no, it wasn't, thank the Lord! But it was the Words I've always longed to hear from His loving lips, when I meet Him face-to-face:

24. "WELL DONE, DAVID, MY GOOD & FAITHFUL SERVANT, thou hast entered Here into the joy of thy Lord!" (Mat.25:21) Hallelujah! Thank You Jesus! I couldn't have heard any words that I would have wanted to hear more than those! It didn't seem that I had been so good, but He said so, "A good & faithful servant", & that I did try to be. And I certainly saw & felt that I was entering into more joy Here in the Lord's presence than I had ever felt before!

25. I THEN TURNED RESPECTFULLY & REVERENTLY TOWARD THE BEAUTIFUL QUEEN MOTHER OF ALL HEAVEN HERSELF, & I didn't know exactly what to do, but She solved the problem for me immediately by throwing Her own arms about me & warmly, lovingly Kissing & caressing & hugging me to put me at ease, to know that She really loved me as much as

ever, even when I only knew Her in the spirit!

26. AND I IMMEDIATELY EXPLODED IN A TREMENDOUS ORGASM OF THE SPIRIT as I felt as though my whole body were inside of Her!--There was such a surge of Power as I'd never felt before, but like those we'd had on Earth when under Her Power in the spirit!--It was almost embarrassing, but She smiled

reassuringly & comfortingly as I barely staggered on!

27. THEN LAST, BUT NOT LEAST, I TURNED TO JESUS HIMSELF & He smiled warmly & encouragingly as He clasped me in His loving, tender, gentle arms & hugged me close to His bosom & kissed me encouragingly as I burst into tears with joy, & He wiped them away with His Own dear fingers! Hallelujah! Thank You Jesus! Praise the Lord! He said, "There there now! You've got lots to be thankful for & so much to be grateful for, for all you've accomplished there on Earth to help others & win so many souls for My Kingdom--our Kingdom! So rejoice & be exceeding glad, for great is your reward in Heaven!" (Mat.5:12a) (Rev.7:17b)

28. HALLELUJAH! THANK YOU JESUS! PRAISE THE LORD!--THESE WORDS WERE SO ENCOURAGING! Now I knew what it was like to meet Him face-to-face! I was not nearly as frightened or terrified or nervous as I had always thought I might be when that hour came! But They all put us perfectly at ease & we felt almost as comfortable with Them as we do with other members of our Family!

29. THEN HE ANNOUNCED THE REWARDS that each of us were to receive for our faithful services.--Not only our Crown of Life & our magic namestone & that gorgeous Mansion which we'd already enjoyed, but special gifts & privileges which we would enjoy now, in recognition for our faithful services to Him below. (Rev.2:17; Jam.1:12; 2Tim.4:8)

30. AMONGST THESE I RECEIVED THE SPECIAL PRIVILEGE OF ACCESS to these Court Chambers of the Councils & Judges & even to the presence to the King Himself, if necessary, to plead for my people for any needy cause there on Earth, or Here in Heaven, where my petitions would be heard as quickly as possible & judgement given & decisions made to meet whatever situation might arise in which I needed Their help, either Here or on Earth. So the Saints do intercede for us in

Heaven & they can reach the highest Courts & even the ears of the King when necessary & urgent & important, with their prayers & petitions for you down there.

31. ON THIS OCCASION I HAD BUT ONE REQUEST! And He said, "Speak! You have My ear as always!" And I felt that wonderful, warm comforting feeling of His presence, the same as I had always felt it on Earth, as I made my petition known to Him. I said, "I have everything I need & my family has everything we need in Your bountiful provision Here in this Heaven-of-Heavens!"

32. "SO I HAVE BUT ONE REQUEST, & that is that as soon as it could be possible & within Your will, I be permitted to return to Earth in the spirit to help & guide & minister to my little family there & to encourage & inspire them & whisper words of love in their ears & help give them direction & guidance & even protection, if possible, until their work is done & they join us

Here in our Heavenly Home!" (Heb.12:1a)

33. WITH A SMILE, HE IMMEDIATELY REPLIED, "OF COURSE! THAT IS GOING TO BE YOUR MAIN MINISTRY, TO CONTINUE TO LEAD & TO GUIDE YOUR PEOPLE THERE ON EARTH, as much as possible!--But", He said, "David, you still have much to learn Here in Heaven before you go, & to be briefed on our plans for you & your Family during the short time that they still have there before they join us!"

34. "SO, PLEASE BE PATIENT & LISTEN & LEARN & view all you can while still Here. Counsel & visit with other great Saints & men of our Kingdom who have been Here for a long long time, learning much that will be of great help to you there. Gain knowledge of your new powers in order to help those whom you love, & experience how to use them for their best good. So be patient, Son, & that time will come in due season, when you have learned all that you need to know before you go. (Heb.10:36)

35. "MEANWHILE, YOUR LOVED ONES WILL BE GREATLY COMFORTED by those of us who are visiting with them right now & watching over them & leading & guiding them & caring for them & protecting & providing for them. So you needn't worry for their safety, nor their comfort nor care. That is all of prime importance to Us Here! We are continuing to care for them & encourage them & inspire them & use them just as much as ever, & as we always have.

36. "SO COME YE APART, & REST AWHILE Here while you learn the things that you need to know before you return there, & you'll be glad you did! Let patience have its perfect work as you complete your present training Here before your return." (Mar.6:31; Jam.1:4)

37. I FELL ON MY KNEES IN GRATITUDE again & thanked Him again & again for His lovingkindness & tender mercies & all that He had done for us for so many years, in blessing & protection & provision & tender loving care! He provided every comfort & all that our hearts could desire, in making our ministry so fruitful--the Salvation of millions through our Family over the years gone by! I simply couldn't thank Him enough, until I almost had to be carried away by the attendants & gently led away so that the next could have their turns.

38. AS EACH OF US FINISHED HIS OR HER AUDIENCE WITH THE ROYAL FAMILY, we returned to our seats to enjoy watching those remaining complete their presentations, until all were presented & received & blessed & encouraged & given their rewards & assigned ministries & returned to their seats.

39. WE THEN ROSE IN ONE GREAT SHOUTING HALLELUJAH SESSION OF PRAISE TO THE LORD in this glorious Royal Family, Who have been with us always in spirit, though mostly unseen. We thanked Them & praised Them for having been so good to us & having so gloriously, wonderfully received us into this, our final reward! We felt so unworthy,

as we cried only tears of joy, the very tears that He had promised to wipe away, in this land of no sickness, death nor pain! (Rev.21:4) Hallelujah! Thank You Jesus!--Home at last!--And feeling at Home, even with the King Himself & His Royal Family!

40. SO AT LAST HE DISMISSED US WITH A BLESSING & BENEDICTION, as He waved us all farewell & we retired from His presence, each mounting our respective gondolas & chattering excitedly about this tremendous experience which we had just enjoyed! As we settled comfortably down in our little craft, Abner again skilfully manipulated it & piloted it back toward the spaceship entrance, or teleport, or whatever you might want to call it, the entrance to the Seventh Heaven! We passed again down into the Sixth Heaven & on to the other Heavens below, as Abner began to explain to us about some of the government of Heaven as we rode again on our long journey Home.

41. "AS YOU MUST KNOW," HE SAID, "IT TAKES MANY MANY POWERS & OFFICIALS & OFFICERS TO OVERSEE THE GOVERNMENT & operation of such a mighty Kingdom as this, with its billions of inhabitants! There are multitudes of all kinds of officials & officers Here in the Kingdom of God. (Rom.13:1)

42. "BEGINNING WITH THE VARIOUS GROUPS BELOW, EACH DISTINCT RELIGIOUS FELLOWSHIP HAS ITS OWN MEMBERS & AREAS Here in Heaven in which to live in close fellowship together in a similar type of organisation to which they were accustomed on Earth, with its immediate officers & governors & representatives supervising them personally in their day-to-day activities. They make sure that all is done in decency & in order, according to the rules of the Kingdom. (1Cor. 14:33,40)

43. "THEN THE HIGHEST OFFICER, OR LEADER, OR OVERSEER OF EACH GROUP, LIKE YOURSELF, DAD, is given the privilege of being the personal Representative of his re-

spective fellowship or local Family, with the privilege of access to the governing bodies & their officials & representatives above, even to the King Himself, if need be! (Isa.55:3,4)

44. "OF COURSE," HE SAID, "YOU ALWAYS HAVE ACCESS TO THE THRONE OF GOD IN PRAYER, so things have not really changed all that much! You still have the pervasive fellowship & love & warm, tender, loving care of His Mother Holy Spirit in your daily lives Here, as much as you had on Earth, & even more, as you feel Her presence even more strongly in this Heavenly atmosphere! (Heb. 4:16; John 14:26)

45. "THEN OF COURSE THERE ARE THE SECURITY MINISTRIES Here, mostly performed by the powerful Angels of God & their officers & Archangels & Cherubim. It's a very well organised & tightly-knit body of superpowers to guard the City & its entrances & its offices & officers & all its people from any outside interference. They guard against Satan or his demons or even evil & wicked Men who might try to approach this Heavenly City & damage it if they could!

46. "AS YOU KNOW, MAN HAS EVEN LANDED ON THE SURFACE OF OUR MOON, trying to investigate & see what's Up Here! But thank God, they can never penetrate this Planet, much less our crystal sea force-field, nor the walls, nor the gates of the City itself! All are impenetrable barriers against any invasion of alien forces from outer space! So thank God we're well protected Here & nothing interferes with the beautiful order of our wonderful lives in this Heaven-of Heavens! (Rev.4:6)

47. "THEN IN THAT FIRST SECTION THAT WE CAME TO ABOVE THE FIRST DOME, THE SIXTH HEAVEN, THERE ARE THE VERY MANY VARIOUS OFFICES of the various Departments & Ministries & their functionaries, with which occasionally we have some business to attend

to, or they summon us to their offices on some matter that we need to take care of.

48. "THERE ALSO ARE THE VARIOUS COURTS & JUDGES TO SETTLE PROBLEMS & differences of opinion, both Here & on Earth! For you know, we are still free moral agents & we are Here by choice, & sometimes there are differences of opinion. That's why we have these Judges to decide matters in only a peaceful way, of course, & in which all are ready to agree.

49. "THEN IN THAT SECOND SECTION AT THE TOP THAT WE PASSED INTO, THE SEVENTH HEAVEN, are the most Supreme Councils, which, upon necessary occasion, are presided over by the Lord Himself, or even the Royal Family! These councils are even spoken of in the Scriptures, as you know, as the Lord frequently summons them for counsel & advice & suggestions on how to solve & deal with certain matters, particularly on Earth.

50. "THEY ARE ALL FORMER EARTH PEOPLE who have had considerable experience there as human beings & in the affairs of Man, & so are well-versed in the things of Earth & capable of giving wise counsel to the King in making decisions regarding certain matters there, as you'll find even described in the Bible. (1 Kings 22:19-22, Job 1:6-12 & Mat.5:22)

51. "THEN THERE'S THE SUPREME COUNCIL OF ALL, THE COUNCIL OF THE 24 ELDERS, the 12 Patriarchs & 12 Apostles of the Lord, whose seniority & priority of service makes them the supreme authority of this land, under the Royal Family themselves. They sit upon thrones, judging the tribes of Israel & the peoples of all the nations who live Here. Of course only the most urgent & vitally important matters of supreme concern which no other council is sufficient to deal with, come before them. (Rev.4:4,10)

52. "SO THAT'S A ROUGH SUMMATION FOR YOU," ABNER SAID, "OF HOW WE ARE PERFECTLY ORGANISED UP HERE to operate in such a beautiful way, with the utmost peace &

serenity & no turbulence of any kind. Everything is settled lovingly & amicably so that it seems good to all, & everyone is satisfied with the outcome. (Isa.60:17b,18)

**53. "ACTUALLY," HE SAID, "THE AFFAIRS OF EARTH GIVE US MORE PROBLEMS THAN ANY!"** Most of our time is spent taking care of our people there & bringing them through their difficulties, trials & testings, etc. We're guiding & counselling them & leading them in the spirit, to do things as they should, in order to receive the approval & blessings of the Lord on their ministries. If they obey our leadings & guidance & whisperings of our still small voices, they then always get results, things always come out right in the end, even though they don't always understand it at the time. (1Kg.19:12b; Isa.55:8)

**54. "BUT IF THEY DISOBEY OR DEPART FROM OUR WISE SPIRITUAL COUNSEL** that we give them in the spirit, then they have nothing but trouble & reap nothing but what they have sown in wilfulness & stubbornness & waywardness & disobedience, in not following our advice & counsel & leadings of the Spirit. (Isa.1:19,20; Job 36:11,12; Heb.1:14)

**55. "SO YOU SEE, DAD, WE STILL HAVE A BIG JOB UP HERE, & DOWN THERE** an even bigger one, because the World is the most unruly of all, with all the wicked they still have there & Satan & all his angels & demons & devils provoking them to do evil & iniquity! So Earth is still our biggest job! You, our Family & all of God's Children are our major responsibility, with whom we are the most concerned & involved most of the time & where most of our billions of ministering Saints & spirits & angels are engaged in overseeing the welfare of Heaven's Children on Earth." (Psa.34:7; 91:11,12)

**56. SO IT'S A TREMENDOUS JOB & IT TAKES EVERY ONE OF US, & WE'RE ALL NEEDED,** just as you're all needed there. So do your job & do a good job of it while you're there, because you'll be very glad you did, you folks on Earth, when you see your rewards in Heaven!--Especially those wonderful eternal souls you have saved forever! You'll see their happy, shining faces Up Here & hear their praise & thanksgiving for your love & sacrifice & hard work in winning them to Jesus & the Kingdom of God, & saving them for this wonderful Home in Heaven forever more!

**57. YOU'LL NEVER BE SORRY, IF YOU'LL KEEP YOUR MIND & HEART & EYES & SPIRIT STAYED ON THE LORD** & on this Heavenly Kingdom that you're coming to so soon! So keep going for Jesus & souls! Keep working hard to win them, so that you can save more millions of them for this marvellous Heavenly City that they can enjoy with us forever! (Rev.22:14; Acts 5:42)

**58. YOU'LL BE SO THANKFUL YOU DID WHEN YOU GET HERE** & see it & all of them thanking you for helping them find Jesus & His glorious Salvation & its wonderful rewards & beautiful, thrilling, marvellous, glorious life Here in our Final Home! So God bless you & keep you & make you a blessing till Jesus comes!--In Jesus' name, amen!

**59. DON'T MISS OUR NEXT STORY ABOUT OUR FLIGHT HOME** & the many more wonderful things that we're going to experience & learn in Heaven!--Amen? God bless you! I love you! I'll see you next time I get on my Heavenly Communicator, with more interesting experiences to tell you! So tune in & turn on & take up your cross for Jesus day-by-day until He comes!--In Jesus' name, amen!

# HEAVENLY COMMUNICATIONS!

--The Story of Heaven's Children!

Chap.  
18  
D.O.

1. ABNER LANDED OUR TEN-PASSENGER HEAVENLY GONDOLA SOFTLY & GENTLY ON OUR FRONT LAWN, & we all clambered out & rushed toward the Family who were running out to greet us, all of us talking excitedly about our trip to the Top & our marvellous audience with the Royal Family of the King of Kings! We could hardly stop talking as we walked together with them into the house, after our loving greetings, hugs & kisses & welcomes Home again!

2. THEY WERE THRILLED WITH OUR ACCOUNTS & our stories of the glory of it all, & the special attention that each of us had received, the individual rewards & kind words of recognition & instruction we each were given, & the commission & ministry to which each of us had been assigned. Though all of these Old-timers had been there before long ago, they were thrilled to hear the new accounts of us Newcomers in our first beautiful, thrilling, wonderful audience with that gorgeous Holy Family!

3. I TOLD THEM how that now that I was well oriented & settled in & becoming accustomed to the ways of things Up Here & this Heavenly new place, & getting a bit organised on a fairly regular schedule, I was now being assigned to a Heavenly educational programme to prepare me for my return to Earth to help those still there!

4. SO AS THE OTHERS WENT ABOUT THEIR HOUSEHOLD DUTIES, ABNER, PHOEBE, INDIA JOY & I SETTLED DOWN in that comfy livingroom before that giant 3-D TV crystal ball, & they became my first educators, explaining to me, one by one, all these wonderful new things about Heaven! They outlined its amazing educational system, which of course includes its phenomenal communication system, & even involves some of its transportation system. (John 6:45)

5. ABNER CHUCKLED A BIT AS HE REMARKED, "THIS IS QUITE A SWITCH, HUH, DAD?--WE'RE NOW YOUR TEACHERS & YOU'RE OUR STUDENT! Ha! But of course it's only natural that we should be, because we're more familiar with what's going on Up Here & how we do it. Most of us have been Here quite a few years already, & we've learned all these things in the course of our stay Here. But even we are still in training & are on a continued perpetual educational course constantly, all the time. (Job 36:22; Isa.48:17)

6. "FIRST YOU WILL RECEIVE HOME INSTRUCTION FROM US RIGHT HERE, just like we do back in our wonderful Homes on Earth, with our disciples & babes & other members there. We'll explain the simpler things that we can tell you about right here, then the more difficult & complicated things will be actually shown to you & explained to you on the Communicator here, including actual visits & chats with the famous characters of the Bible, God's heroes in His Hall of Fame, as well as a review of the true events of history, to refresh your mind & make sure you've got them all straight. The 'facts' that you now know were often distorted by Man, as history was usually written by its conquerors, & of course they never tell about all the bad things they did! (2Pe.2:1-2) So you're going to learn a lot about true history, for one thing.

7. "ALSO YOU'LL LEARN MUCH ABOUT TRUE SCIENCE, in contradiction to Man's theories & wild tales of his own imagination! You'll witness the actual creation of the Universe & its stars & Suns & Planets, including the wonderful Earth below, designed to be inhabited by Man, & everything in it created for his benefit! You'll even have a general re-education & review of the Bible & its stories & characters, to clarify any diffi-

cult passages or scenes or occurrences which may have previously mystified you.

8. "ALL YOU HAVE TO DO, DAD, IS JUST SIMPLY CONCENTRATE ON THIS CRYSTAL BALL & think hard about what you would like to see, or know, or hear, or view, or to whom you would like to talk, & they will appear within its globe! You may ask them questions & they will answer you & make suggestions & they will show you the various scenes you want to see. You may ask these questions orally, if you wish, or merely think them strongly, & your teacher of the hour will get the projection of your mental telepathy & can also answer you either orally or mentally."

9. "WHICH BRINGS UP THE SUBJECT, BY THE WAY," PHOEBE SAID, "OF OUR VARIOUS MEANS OF COMMUNICATION, both Here in Heaven & there on Earth. First of all, there is the perfectly natural method of communicating by word of mouth to your ears, to which you're accustomed in your Earthly life. But Here, &

there also, we can also communicate by thought, or what you Earthlings call 'mental telepathy'. We simply have to turn our face toward you & look into your eyes & concentrate on the message we want to give you mentally, & immediately the picture of it &/or the words of it will appear, or be heard in your own consciousness, mental images of what we want you to see, or the soft sound of our voices in your mind, even though our mouths are not actually speaking."

10. I SAID, "YES, I KNOW, I'VE HAD SIMILAR EXPERIENCES WHEN I WAS STILL ON EARTH, WHEN I WAS IN THE SPIRIT. I remember that sometimes in the night seasons when I was concerned & particularly when I was sick, the Lord comforted me by permitting me to hear Maria's thoughts, even in her sleep! All I did was turn my face toward her & it seemed I could hear her voice within my mind, speaking very softly--usually so softly I couldn't exactly always identify the words. But I heard it in a very familiar

tone of voice, just like she always speaks so softly & quietly. I could only identify a few words, but I remember I could always understand when she would say, 'I love you!', just as sweetly & beautifully as she says it out loud, but she was only thinking it! (Psa.16:7; Job 33:15,16)

11. "I KNOW I COULD ALSO TURN MY HEAD TOWARDS TECHI ON HER LITTLE TRUNDLE BED & I then could hear her soft little voice talking, it seemed, in her sleep. It was as though her thoughts were actually audible! I could actually hear her voice, although her mouth was not even speaking!

12. "AND OF COURSE THE LORD HAS OFTEN SPOKEN TO ME THAT WAY IN MY HEART, as we say, or in my mind, He's given me pictures of the things He wanted me to see, in both dreams & visions. It seemed all I had to do was simply think about the question or my problems & immediately there would appear on my mental screen the picture of what I needed to know! Sometimes it would come

along with actual oral explanation or words!

13. "SO I'M ALREADY FAIRLY FAMILIAR WITH THAT METHOD OF COMMUNICATION, although it was not always as clear as I wanted it to be, or would have hoped for it to be. But as the Apostle Paul said, 'For now we see through a glass darkly; but then face-to-face.' (1Cor.13:12) So while I was on Earth, it seemed as though I was seeing through a glass darkly, or hearing softly & not too clearly sometimes through a veil or a wall between us. Although some messages did really come through loud & clear, & even woke me up from my dreams! In others, the mental image was so vivid & brilliant that I have not forgotten them to this day!"

14. "YES, DAD, BUT YOU'RE ONE OF GOD'S PROPHETS!" Abner explained. "Not everybody is as sensitive in the spirit as you are. Many are very dull of understanding & almost blind of vision, & their hearing is nearly deaf in the realm of the spirit. They are insensitive to spiritual voices & sounds &

mental pictures, much less spiritual feelings, which can be just as real & even more tremendous than those in the physical!

15. "FOR THEY ALSO AFFECT YOUR PHYSICAL BODY AS YOU HAVE THESE FEELINGS, such as your many occasions of sexual intercourse with some of your Heavenly Helpers & goddesses of the spirit world, when they appeared & came near to you. They actually caused you to have those tremendous, explosive, spiritual & physical simultaneous orgasms, in which you often burst into tongues & got interpretations & visions & messages in the spirit!

16. "IT ALL WORKS THE SAME WAY HERE," ABNER SAID, "EXCEPT THAT NOW IN OUR NEW SPIRIT-BODIES WE ARE FAR MORE SENSITIVE & conscious of these spiritual influences &

messages & pictures & feelings than we ever were before! Here we are all spiritually conscious & aware, like you Prophets were on Earth. Here everyone is like a Prophet & conscious of the messages in the spirit & mental telepathy & visions & the spiritual & physical sensations which we can doubly enjoy, therefore, in our communication & our intercourse Here in Heaven."

17. "YES," I SAID, "I REMEMBER SEVERAL TIMES IN THOSE GODDESS EXPERIENCES that I would have a tremendous spiritual & physical orgasm, even before they touched me! Sometimes just by looking into their eyes, such as happened with me & our wonderful Mother Holy Spirit at the audience with the Royal Family! She had done that several times before when I was in need of help on Earth.

She would suddenly beautifully appear & look into my eyes & I would explode instantly without even a touch or physical contact!

18. "THE HEAVENLY HOURS OFTEN AFFECTED ME THAT WAY AS WELL, usually when I was in the process of sexual loving with one of my own wives, for if I was tired or having a difficult time in reaching a climax, she or I or both of us would pray for spiritual help from our Spirit-Helpers, Goddesses, Houri's, or even the Holy Spirit Herself, & one or the other of them would appear to me in vision! Just by looking into their eyes I would suddenly explode in that marvellous, wonderful, fantastic double climax of both spirit & body! I suppose you could say mind too, my spirit, mind & body, because also I would suddenly get messages in tongues & interpretation or visions & prophecies, & my mind & mouth would be working too as I exploded! I would get some wonderful message or words of encouragement or instruction or a vision, even, of something supernatural!

19. "ONE TIME I SAW THE LORD LYING THERE MAKING LOVE BETWEEN MARY & MARTHA, & I was so shocked at how dark-skinned He was, compared to how fair Mary was, with her rather buxom body & golden hair! Martha also was rather olive-skinned with very dark, beautiful hair, customary for a Jewess, very Oriental looking. So apparently they must have had different fathers, although they're spoken of in the Scripture like they are sisters. (See No. 549:44-48)

20. "BUT JESUS HIMSELF WAS VERY JEWISH-LOOKING IN THAT VISION, the only vision I think I've ever had of Jesus, until I've finally actually met Him face-to-face! It was thrilling to see that He completely fulfilled the vision that I'd had of Him long ago! He looked identically like the Jesus that I saw making love to Mary & Martha! (Isa.33:17)

21. "SO I UNDERSTAND A LITTLE BIT ABOUT WHAT YOU'RE TALKING ABOUT, BEING SENSITIVE

IN THE SPIRIT, as well as the body & the mind, to these spiritual influences that can be projected by you Heavenly people & the angels & the Holy Spirit of God! So that communication is marvellous, & I can attest to that fact through many multitudinous experiences while yet on Earth."

22. "WELL, HERE," ABNER SAID, "WE HAVE DEVELOPED THOSE MENTAL & SPIRITUAL & EVEN PHYSICAL CAPACITIES TO A FINE POINT, to where we can use them at will, upon any necessary occasion, & make them extremely effective & very clear & not faint or partially obscured as they often came to you on Earth. You were still Earth-bound & physically bound & somewhat mentally clouded sometimes, often receiving static & interference from the Devil & his evil spirits themselves, trying to becloud your mind & dull your senses & keep you from receiving our broadcasts from Heaven. (Eph.6:12)

23. "THERE'S NOTHING REALLY SUPERNATURAL ABOUT IT, IT'S ALL A PERFECTLY NATURAL PART OF GOD'S CREATION, of your mental, spiritual & physical capacities & talents. Even your scientists on Earth have discovered these extrasensory perceptions do exist. Your radio & television stations use these basic principles all the time in their broadcasting on various wavelengths there on Earth, with music & visions & actions filling the air all about you. But they are only observed or heard when you have an electronic instrument with which to tune in to that particular wavelength or channel.

24. "SO THAT'S REALLY EXACTLY WHAT WE'RE DOING HERE IN OUR MENTAL COMMUNICATIONS, is that one concentrates to broadcast a certain picture or message, or even feeling, & the other, desiring to hear it, see it or feel it, tunes in & receives it. So it's very similar to those very primitive types of broadcasting & receiving that Earth has developed. It's because evil, wicked Men are beginning to discover these personal human

mental, spiritual & physical capacities & powers, that the Lord is going to have to stop them very soon, otherwise they could do a great deal of damage if they attained the same development of these marvellous natural powers of the human mind, body & spirit that we have Here!

25. "OF COURSE MEN DON'T CALL IT SPIRIT, they don't like to even use the words spirit or spiritual, because that sounds religious, so they call it 'consciousness' or 'sub-consciousness', or 'mental suggestion' or 'psychosomatic' or 'psychokinesis' & all kinds of other fancy scientific words to try to explain & identify the powers of the human mind & spirit.

26. "SO, DAD, WE HAVE THESE WONDERFUL & MARVELLOUS & PERSONAL MEANS OF COMMUNICATION HERE IN HEAVEN between each other when we so desire. We can either talk naturally to each other when possible, or if the occasion requires quiet, so as not to waken others or requires security & secrecy when we're on Earth, so as not to let others be aware of

what we're communicating, we can use any of these various methods of personal communication.

27. "WE CAN ALSO SPEAK IN VARIOUS LANGUAGES. We can speak in the language of Men on Earth of the various nations, or we can speak in our own Heavenly language, the tongues of Angels Up Here when speaking with either the Angels or other Heavenly beings, or persons of another culture & another language. So we have many means of personal communication with each other in this Heavenly sphere & our Heavenly culture.

28. "BUT THEN FOR EITHER SMALL OR LARGE GROUP COMMUNICATION, WE HAVE FOUND THESE HEAVENLY CRYSTAL GLOBE COMMUNICATORS VERY HELPFUL & effective, so that all can see the same image & hear the same message & sense the same feelings at the same time!

29. "HERE, OUR COMMUNICATOR CAN NOT ONLY TRANSMIT SIGHTS & SOUNDS, BUT ALSO EVEN FEELINGS! One of your science fiction writers predicted this on Earth in one of his novels, & he said he was not just going to the movies, but he was going to the

'feelies'! At the movie projection theater or cinema, he simply grabbed these two knobs on the top of these two electrodes in front of his seat with both hands, & suddenly he even felt the feelings of the people on the screen who were making love, & he experienced their orgasm simultaneously, even while just sitting there in his seat!

30. "WELL, THAT IS WITHIN THE POWER OF OUR HEAVENLY COMMUNICATOR HERE, so that if you want to feel what you're seeing & hearing, you can both see, hear & feel it! So it's quite an experience! Would you like me to demonstrate it, Dad?"

"Well, of course! Thank you, son!"

"What would you like to see, Dad?"

"Well," I said, "I can't think of anything more beautiful to see than what I've already seen--the Lord & the Holy Family! But next to them, you know what I would like to see & feel the most, the most beautiful creatures that God ever made, a beautiful woman!"

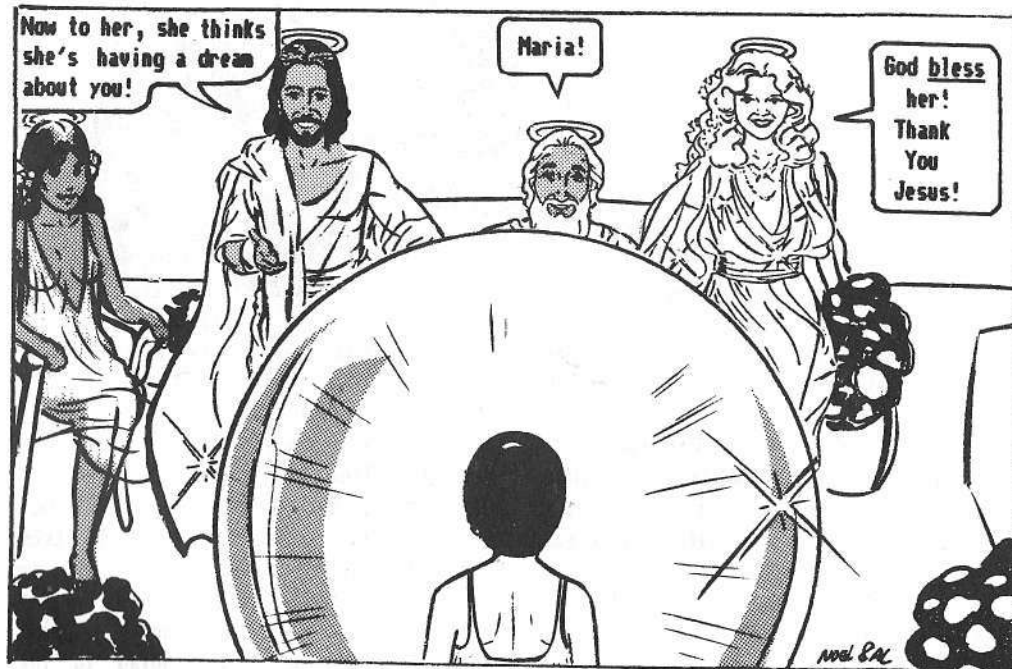

31. "WELL, YOU NEED TO BE MORE SPECIFIC,

Dad!" Abner said. "You need to specify what beautiful woman would you like to see?" "Well," I said, "you know what beautiful woman I would most like to see, of course, is my dear Maria! But she's far away on Earth & I presume that would be either impossible or difficult right now!" "Oh, no," said Abner, "we can do that for you! Just a moment, just be quiet & let's all concentrate now on Maria & bring up her spirit within our crystal ball!"

32. SO WE FELL SILENT FOR A MOMENT, & ALL GAZED INTENTLY INTO OUR AMAZING CRYSTAL COMMUNICATOR! And suddenly, sure enough, within its crystal globe began to materialize the image of Maria, inside that big globe, just as real as life!

33. "NOW TO HER," ABNER EXPLAINED, "SHE THINKS SHE'S HAVING A DREAM ABOUT YOU, as she sees you here in our Heavenly mansion. But you can see how thrilled & surprised she is by just looking at that radiant, wonderful expression on her face!"

"Hello, Dad!" Maria said, "You look

wonderful!--And you, Phoebe, & India Joy! My oh my! What a beautiful place you folks live in! Wow! How gorgeous! Thank You Jesus! I'm so glad to see you looking so well, Dear, & happy!"

34. "WELL, I'M SURE GLAD TO SEE YOU, SWEETHEART," I replied. "I've really missed you, but they've kept me so busy Up Here with all this new life & getting oriented & accustomed to it & learning so much, that I haven't had an awful lot of time to spend dreaming of you. But I'm sure glad to see that you're looking good too, thank the Lord! The folks must be taking good care of you down there!"

35. SHE SAID, "OH, YES, OF COURSE, AS ALWAYS! But especially the Lord has been extremely good to me & close to me & dearer than ever in your absence, as well as our other comforters & helpful spirits! I've been having marvellous dreams like you used to have, & wonderful communications & messages & prophecies & interpretations, & the Lord has anointed me with all the mar-

vellous talents & gifts that you had when you were here, in order to help our precious people & all of our Family!

36. "SO THEY'RE ALL THRILLED WITH HOW THE LORD IS HELPING ME TO TAKE OVER IN YOUR PLACE & IN YOUR ABSENCE! Things are still going strong & just as wonderful as ever, & even more marvellous, because we're having more difficulty operating now, so we need more miracles & more supernatural manifestations & more direct spiritual guidance. The Lord is supplying it in abundance, just as He always did whenever we needed it when you were here. So, praise the Lord, Sweetheart, I have not lacked for all the help that I need to carry on. I've only missed you & your presence." (Rom.5:20b)

37. I SAID, "WELL, HONEY, YOU'LL SOON BE ABLE TO HAVE THAT AGAIN TOO, after I receive my complete indoctrination & edification & education & revelations Up Here about how to use all of these spiritual powers & how they operate. When I understand the whole program of communication & education & transpor-

tation Up Here so that I will be able to be most helpful to you there, they're going to allow me to visit you in person once again! Thank You Jesus! Praise the Lord! Hallelujah!"

38. "GOD BLESS YOU, SWEETHEART! THANK YOU! I'LL BE LOOKING FOR YOUR COMING!" Maria said. "I really really appreciate that, & I love you just as much as ever & I wish I could love you right now!"

"Well you can!" Abner said. "All you have to do is reach out in spirit & feel his spiritual body close to yours & you'll have those same wonderful feelings that you had when you were still in his arms on Earth!"

Maria said, "Oh, really?--Wow!"

I said, "Yes, Honey! Come on quick! Let's get it on! God bless you! Oooh, Oooh, Oooh, Oooh, Oooh, Oooh! Wow! It feels just as good, if not better, than it did on Earth! Thank You Jesus!"

39. SHE & I SEEMED TO MELT INTO EACH OTHER'S ARMS & vibrated & pulsed with those marvellous oscillations of that greatest physical thrill on Earth, sexual communication!--Until we finally exploded in

a terrific orgasm of both body, mind & spirit! I was yelling at the top of my voice in tongues & then giving her the encouraging interpretation of how the Lord is always with her & I was with her in spirit, & that she had many helpers & hosts of angels about her & our Family members & her personal household! They are giving her all kinds of help & protection & provision in every way, so she had no reason to fear nor doubt, nor be concerned, but to just trust the Lord & all His Heavenly hosts, that He is going to bring her through & bring her out & soon bring her Up, together with the whole Family, when Jesus comes! Hallelujah! Thank You Jesus! Praise the Lord! (Psa.27:5; 91:10)

40. I WAS SO EXCITED THAT BY THIS TIME I WAS STANDING ON MY FEET, SHOUTING, until I suddenly sort of woke up & became conscious of where I was & what I was doing! I then saw Maria's image again within the crystal Communicator, smiling & laughing & waving me farewell. So she said, "I'll be back! You come as soon as you can! But we're still as close together in spirit as ever!" "--And we can have communication this way whenever you

need it!", I promised, "Bye! I love you!"

41. I SAID, "THANK YOU LORD, THANK YOU JESUS, HALLELUJAH, PRAISE THE LORD! I love you, Maria! God bless you, Sweetheart! Take good care of yourself, & I know you take good care of the kids & all the precious Family, as their faithful Shepherdess! I will be with you in prayer always, & in spirit as often as I can, & one of these days soon in spirit-body on my first return-trip to Earth! So I'll see you then & I'll see you even Here in our crystal Communicator, just as often as possible. Thank you for coming, Sweetheart!"

42. "NOW YOU GO BACK TO SLEEP & SLEEP WELL, & when you wake up, you'll remember you had a marvellous dream about me, that you saw me in Heaven with Abner & Phoebe & India Joy & Family, & that we talked & made love & had a wonderful little visit together! You'll wake up so encouraged & thrilled & inspired that it'll help you thrill through the day & know that I'm not so far away, but you can still be in close communication with me! Hallelujah! Thank You Jesus! Praise the Lord!"

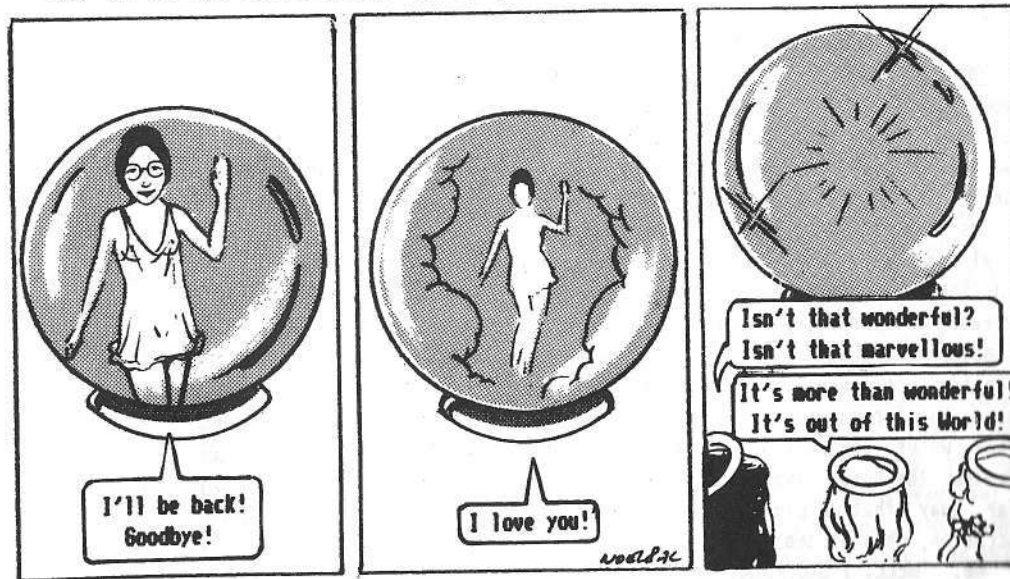

43. SO AS SHE SMILED & WAVED GOODBYE,

HER IMAGE FADED AWAY IN THE CRYSTAL GLOBE & I was thrilled to pieces!--I was just absolutely overjoyed that I could now communicate with Maria through our Heavenly Communicator & give her messages in the spirit & in dreams & visions, even from Up Here!--Even before I return in spirit-body to the Earth itself!

44. SO THE LORD DID NOT LEAVE ME COMFORTLESS, THANK THE LORD! He was giving me a means of communication with her that was quite direct & personal & even intimate! I could even feel her soft, warm body next to mine, & that marvellous spiritual sexual intercourse, & those physico-spiritual orgasms that we had so often enjoyed together there on Earth! We could still have communication & intercourse, even though far apart in body! So thank the Lord! Hallelujah! Praise God! Thank You Jesus!

45. "ISN'T THAT WONDERFUL?" ABNER EXCLAIMED. "ISN'T THAT MARVELLOUS!"

I said, "It is more than wonderful! It is out of this World!--Ha! It is terrific, marvellous! I just can't even find enough superlatives to express it! It's fantastic! Thank You Jesus! Praise the

Lord!--Isn't the Lord wonderful, isn't He good to us? Isn't He thoughtful to give us such wonderful blessings!--Not only all this Heavenly realm we live in Here & its blessings & pleasures & sweet fellowship & all the things we're learning, but we still have direct communication with our loved ones on Earth! We can still be close to them & feel so close, that we can even actually feel them in the spirit! They can still give us these actual physical sensations in our spirit-bodies!" (Rom.11:33)

46. SO THANK THE LORD I'M FAR FROM BEING TOO LONELY HERE! I not only have my loved ones Here all around me, taking such loving, tender care of me in every way & trying to fill your place as much as they can, dear Maria, but I even have you here on spirit-trips in the spirit! We can come together in our dreams & visions & speak & communicate with each other in our thoughts & in our minds & even our bodies! So we're never too far away from each other, but can be together whenever we need to through this marvellous Heavenly Communicator! Thank You Jesus! Praise the Lord! Hallelujah! Amen!

47. "WELL," ABNER SAID, "HOW DO YOU LIKE IT?"

"How do I like it?!--I love it! It's wonderful! Thank You Jesus! It's marvellous! Wow!--I'll never miss Maria too much again, because I know she's so close through this marvellous means of communication! She will never feel too lonely either, because she knows she can tune in to me whenever she really needs to, if she'll just concentrate in the spirit & ask the Lord to give her dreams & visions of me, where we can meet together & discuss any problems & answer any questions & even share any love that we need, in our marvellous loving relationship that we've always had! Thank You Jesus! Praise the Lord! Thank God she's not that far away that we can't visit together on occasion, when needed!"

48. "WELL, I UNDERSTAND," SAID ABNER, "I

knew that was who you'd like to see the most, so there you are! Praise the Lord! Now we can get down to a little more serious business regarding your new education. What's your next desire? What do you feel next that you need to know about the most? What questions do you have, beside the many other things we are going to teach you Here. What mysteries do you want solved, what facts do you need to know?" (Amos 3:7)

49. "WELL," I SAID, "SO MANY THINGS COME TO MY MIND, THAT I HARDLY KNOW WHERE TO BEGIN! I have questions about difficult Scriptures & problems about certain things which have occurred on Earth which I couldn't explain, & some of the ways you have of doing things Up Here, about which I'm very curious." And I went on & on.

50. "WELL," SAID ABNER, "THAT'S GOING TO TAKE QUITE A BIT OF TIME, & right now I hear the girls calling us to our supper. So perhaps we'd better wait for some of that until either this evening or tomorrow, as you say on Earth."

51. SO AFTER THESE THRILLING, EXCITING HEAVENLY EXPERIENCES that I'd been through today, I indeed felt like I was walking on air for sure! We gathered in our Family dining room & sat together, sang our song & prayed & thanked the Lord for all of His marvellous blessings, & prayed for our loved ones back on Earth, & then ate.

52. NOW I DIDN'T MISS MARIA QUITE SO MUCH, since I knew she was within easy reach by this Heavenly communication. I looked around the table, taking in with great joy & happiness all the lovely, happy, shining, smiling faces surrounding me!

53. I HAD BEEN SO ABSORBED & THRILLED & IN SEVENTH HEAVEN, filled with all the exciting experiences of the day, I had hardly noticed a new face at our table, but I looked over & I said suddenly, "Shuly! Shuly Bolivar! Honey! How did you get here?--When did you come?" And I rose from my chair & she jumped up & rushed around the table to

clasp me in her arms & I embraced her & kissed & hugged her & loved her & said, "Oh, I'm so glad to see you here, Sweetheart! I knew that you had come Here some years ago, but I was wondering where you were!"

54. SHULY SAID, "WELL, YOU KNOW, GRANDPA, I'VE GOT TO GO TO SCHOOL & I'm in an educational program too, & I also have many other duties & ministries, mostly involved in learning all the things that I need to know that I didn't learn on Earth! So I'm in a sort of a boarding school for young people like myself, where I stay most of the time. But now they're going to let me come Home & visit with you whenever possible. So this is my first visit since you've come, although I've been here before, visiting our Family on previous occasions, but living with my Grandparents."

55. I SAID, "I'M SORRY, FORGIVE ME FOR NOT NOTICING YOU SOONER AT THE TABLE! I was so excited, & there are so many new faces here that I haven't known before, & you yourself have grown & changed quite a bit! Although I remember you from photos of years

ago, you've grown to be quite a fully-developed woman! You were only a teenager when you passed on to be Up Here."

56. "YES," SHE SAID, "AND I'M REALLY ENJOYING IT HERE, TOO! I've fully developed in many more ways than that, & I'm much more mature spiritually than I ever was before. I've learned a lot of lessons & the Lord has explained to me now why I had to go through all that suffering on Earth, in order to humble me & purge me & make me pure & desire celestial things, rather than Earthly things. (1Pe.1:7; Col.3:2) Finally He gave me the desire of my heart, to come Home to Heaven! Hallelujah! Thank You Jesus!--And this was the next desire of my heart, Grandpa, was to see you! So as soon as they thought that you were ready & I was ready, they let me come! So here I am!"

57. "WELL, I'M CERTAINLY GLAD OF THAT, SWEETHEART, & I'M SO THANKFUL YOU CAN COME SEE US LIKE THIS! I just can't tell you how happy I am to see you looking so beautiful & healthy & perfectly whole & out from under that awful affliction of the Enemy, so that

now you can enjoy life to the full."

58. "--AND BOY, AM I, DAD!" SHULY SAID, "I'M HAVING A BALL UP HERE, such as I was never able to have on Earth! I'm not only in school & learning a lot, but I'm also having a lot of fun that I wasn't able to have before with the boys, & enjoy all the pleasures that I couldn't enjoy back then, including wonderfully sweet fellowship with the men Here, & sexual pleasures as well! In fact, I now have these two children, which I don't think you've met!"

59. SO SHE CALLED THE CHILDREN TO HER SIDE & there was this handsome little boy & the cutest little baby girl! She said, "I know you know I've been Up Here several years now, so I'm in what you would call the 'mid-twenties' down on Earth, as I left there when I was nearly 18, & I've been Here now for quite a few years. So I've had lots of time to learn a lot & have lots of fun & lots of experiences & love & fellowship & sex & even children! Hallelujah! Thank You Jesus!"

60. "WELL, WELCOME TO OUR HOME!" I said

to the little children as I picked them up, one in each arm, & loved & hugged & kissed them & told them how much I loved them & that I was proud to be their Grandfather! They said, "We love you, too, Grandpa! We're so happy to get to see you & visit here, & we have lots of fun when we come here for our visits!" I said, "Well, you come as often as you can, & be sure to see me if you can when you're here, & we'll have lots of fun together! Thank You Lord!"

61. SO SHULY GAVE ME ANOTHER SWEET, SOFT, TENDER, GENTLE, LOVING KISS & close, warm embrace, which gave me some more unexpected thrills & feelings & sensations in my marvellous spirit-body! She said, "I'm here, Grandpa, to do whatever you like, & help you with whatever you need in any way. So just let me know if you need me!" I said, "I surely will, Shuly! God bless you, & thank you for your sweet love & the offer. I'll certainly take you up on it whenever possible!"

62. HERE PHOEBE QUICKLY SPOKE UP & SAID, "GRANDPA, I'M SURE THAT SHE WOULD LIKE TO

HAVE YOU REALLY TAKE HER UP ON IT RIGHT NOW, after supper, since this is her first time to meet & greet you personally. She's been looking forward for years to being in your arms & making love to you, & you with her! We have time right now after supper, so why don't you two go right now! You don't have to wait while we clear things up down here & prepare things for the rest period to come."

63. SO I SAID, "ALL RIGHT, THANK YOU, PHOEBE, THANK YOU, SHULY! Is that what you'd like?" "Oh yes, Dad! Of course!" Shuly exclaimed. "That's what I'd love, & I've been dreaming of & looking forward to for years now, even when I was still on Earth! I always dreamed of being able to meet you & love you & make love to you & show you how much I love you!" So I said, "Well, Honey, I love you too & I'd certainly enjoy it, so let's get moving! Praise the Lord! God bless you! I'm so glad to see that you're Here & happy!"

64. SO WE BOTH IMMEDIATELY FLOATED UP THROUGH THE CEILING, DIRECTLY INTO MY BEDROOM!--It's the big one, you know, on this end of the house, above the livingroom. We landed immediately in bed in each other's arms & began to love & make love fervently & intensely! No more long waiting periods for me to be manipulated repeatedly to make me potent, no more lengthy preparations for her, the woman, because she was ready, & so was I! So we immediately began to undulate in those marvellous movements of sexual embrace! Hallelujah! Thank You, Lord, for these marvellous pleasures that God Himself invented to be used & enjoyed, as well as bring forth children! (Psa.16:11)

65. WE EXPLODED IN TERRIFIC ORGASM AFTER ORGASM--it seemed like it was almost non-stop! Finally Phoebe came & said, "All right now, you two, that's enough! Shuly has to return to her school for morning classes, so you'll have to kiss her goodbye, Dad."--And so I did, as we fondly embraced each other

once more, & hugged & kissed & loved & bade fond farewells until next time.

66. SO SHULY AROSE FROM THE BED & SAID, "I'LL SEE YOU LATER, DAD! THANKS A LOT! That was wonderful! It was even more wonderful than I had dreamed! I'll love you forever!" I said, "Well, come back again soon, & as often as you can! We'd love to have you, & I'll give you lots more, if you so desire!" She said, "I desire!--And I'll be back!"

67. SO I SAID, "GOD BLESS & KEEP YOU! I know you must be a blessing wherever you are!"--And she said, "Well, that's part of your education, Dad! As they explain the educational system, they are going to bring you by my school & show you some of our educational departments, & how we're training these young people for various services, both Here & on Earth, & for the Millennium!" "I'll love that!" I replied. "I hope that it'll be soon!" So she said goodbye, & I gave her one last little kiss & squeezed her hand & she departed.

68. SO I HOPE YOU FOLKS DOWN THERE are all working hard to get your jobs done, so you can come Up Here as soon as possible!--You'll love it! God bless you!--I love you!--Grandpa.

**(A Confirmation of "Heaven's Children!" - Chap. 18!)**

**COSTA RICA**

**SHULY COMFORTS HER GRANDMOTHER FROM THE SPIRIT WORLD!**

I would like to tell a true story to prove life-after-life! The Lord saw fit to take my lovely 17-year-old daughter Shuly to be with Him 3 years ago. It was a heart-breaking time for us all, and although the Lord gave us tremendous peace and assurance, I couldn't face seeing her buried, one of the reasons being I was afraid of getting too upset and affecting the new baby who was about to be born. So for a year I didn't go to the graveside. This is the story of what gave me the courage to go there!

**(Shuly's Grandmother!)**

Not long afterwards my mother-in-law contracted cancer and failed very rapidly. As she was in very little pain she wasn't hospitalised, but stayed at home with a couple of servants to look after her during the day, and a nurse at night. She was extremely fearful, and terrified of dying, all the time trying to get reassurances from us that she would get better.

One morning, three days before she went to be with the Lord, the night nurse said to my sister-in-law, "Who was the grand-daughter who visited the Señora late last night?" My sister-in-law happened to know that none of the grandchildren had visited that evening, and having had some spiritual and occult experiences in her life, she immediately suspected that it could have been a supernatural visitation from either my daughter or my brother-in-law's daughter who had died at the age of 15 a few years previously. So she closely questioned the nurse. The nurse told her, "I was sitting in my chair, dozing off, when I saw a very beautiful young girl dressed in white, come in. She was about 17, had long, wavy hair, and when she smiled showed lovely teeth. She went up to the Señora, took her hand, kissed her, and stayed talking a few minutes with her, then she turned to me, smiled, and said, 'Thank-you for looking after my Grandmother.' Then she turned and left the room!" My sister-in-law immediately communicated with my husband and myself as it was obviously Shuly.

Three days later, at my mother-in-law's funeral, we took a picture of Shuly with us to show to the nurse, and she positively identified it! Questioning her further we found out that she was a Christian and that she always had been a little psychic, and the reason why she had asked my sister-in-law about the visit was because she, herself, wasn't sure if it had been a flesh and blood person or a spirit. "Because", she explained, "I found it strange that a grand-daughter should visit her dying grandmother with such a radiant expression on her face, and also when she left the room, a strange sort of coldness entered in".

After this incredible experience, at the funeral I boldly went to the family tomb and when it was opened up to put my mother-in-law's body to rest I felt absolutely nothing except joy that Shuly and she were elsewhere, happy, alive and joyful in His presence!

*Rebeca Brivar*
