# Gold Magic!

The commanding power of the keys!

*Art by Jacques*

It's time now to move forward,  
and claim the power of the keys  
for every need that arises!

Practice using the  
keys, and you will  
become skilled in  
their use.

Like a marksman  
must practice to  
become a  
sharpshooter, I  
challenge you, My  
children, to practice  
with the use of  
the keys.

Make a goal to use the keys every day, and soon it will become a habit for you to use these keys and their power for every need that arises!

In the power of the keys of the Kingdom you will conquer all.

If you ask anything in My Name in the power of the keys, I will do it and you will see miracles.

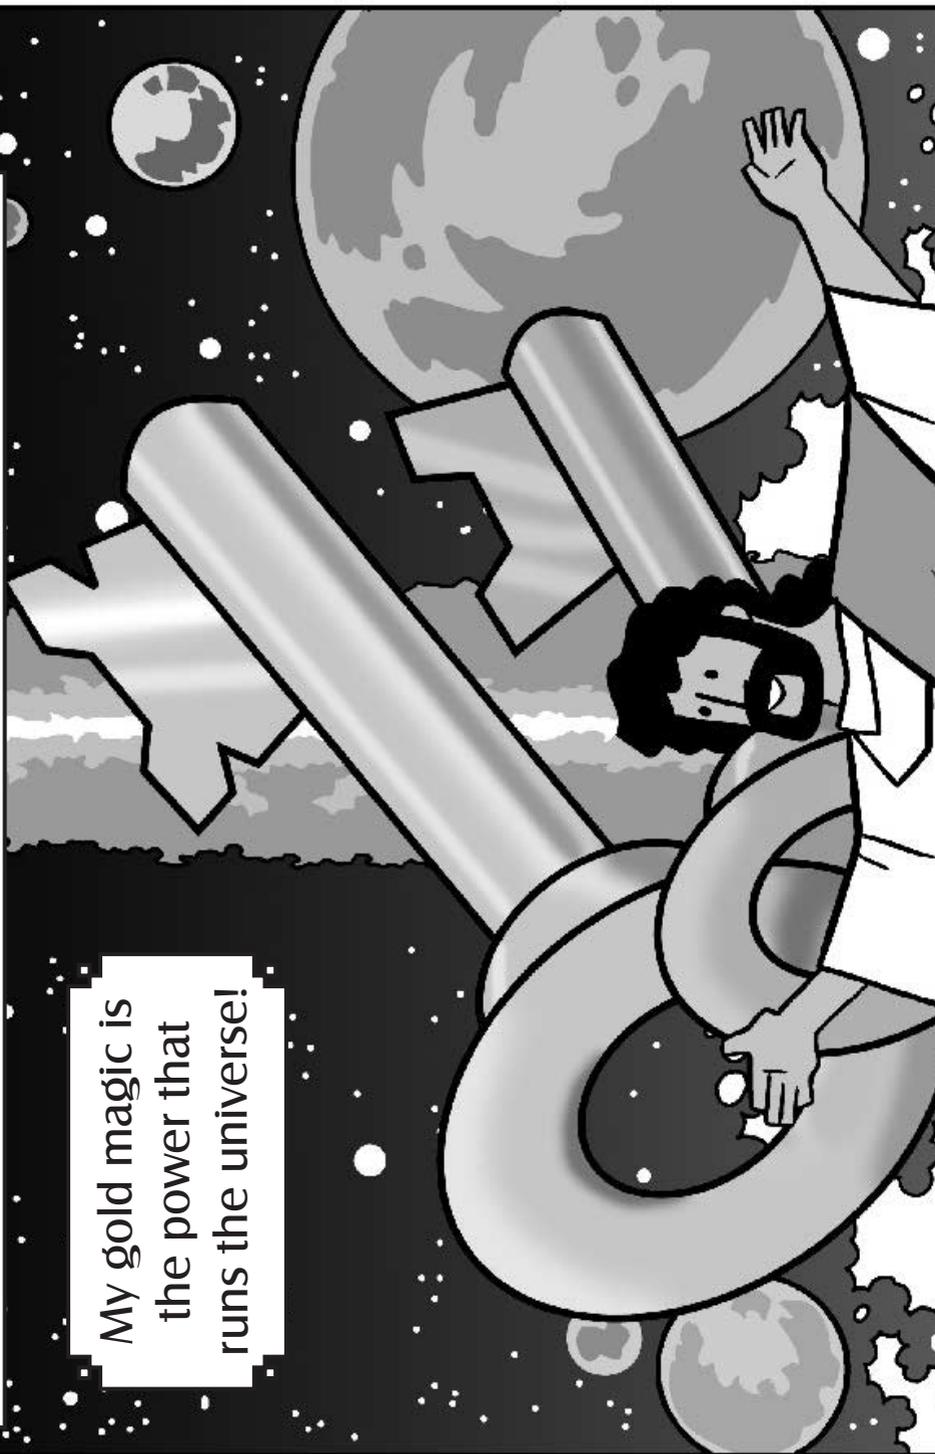

Whosoever will call upon the power of the keys will work miracles!

If you ask anything in My Name in the power of the keys, I will do it and you will see miracles.

Even if you don't fully understand everything about the keys, you can use them, and learn as you go.

Do you realize that through using these keys you have access to My powerful magic? My magic is gold magic! It's far beyond any magic the world has to offer.

My gold magic is  
the power that  
runs the universe!

It is the highest  
commanding  
power over the  
physical and  
spiritual realms!

My gold magic  
is power enough  
to control every  
circumstance, and  
every happening.

My gold magic is far more powerful than all the magic of the Devil. Nothing can withstand My beautiful, loving golden magic!

No magic in the world comes close to the magic I give you access to through the keys! The magic of the world's wizards and magicians is nothing in comparison to the golden magic of My power that you can access through the keys to My Kingdom.

My gold magic is the most marvelous,  
fantastic, powerful magic in the world!

And you have  
access to this gold  
magic through  
the keys.

Stay close to Me,  
so that you can  
access that power,  
that magic.

Read My Word and  
obey it, and you will  
be close to Me. Then  
I can give you My  
mighty gold magic  
power for you to use  
in whatever way you  
wish to further My  
Kingdom!

Through the gold magic of the keys you will find that  
nothing is impossible to you, My children of the End!
