

Did you know that you can use Aphrodite's love scarf to help others?

The boy above is praying for Aphrodite to send a special scarf full of love to help the other boy and girl learn to be loving to each other. Can you find the scarf in the picture? Color in all the shapes according to the colors indicated in the box on the right.

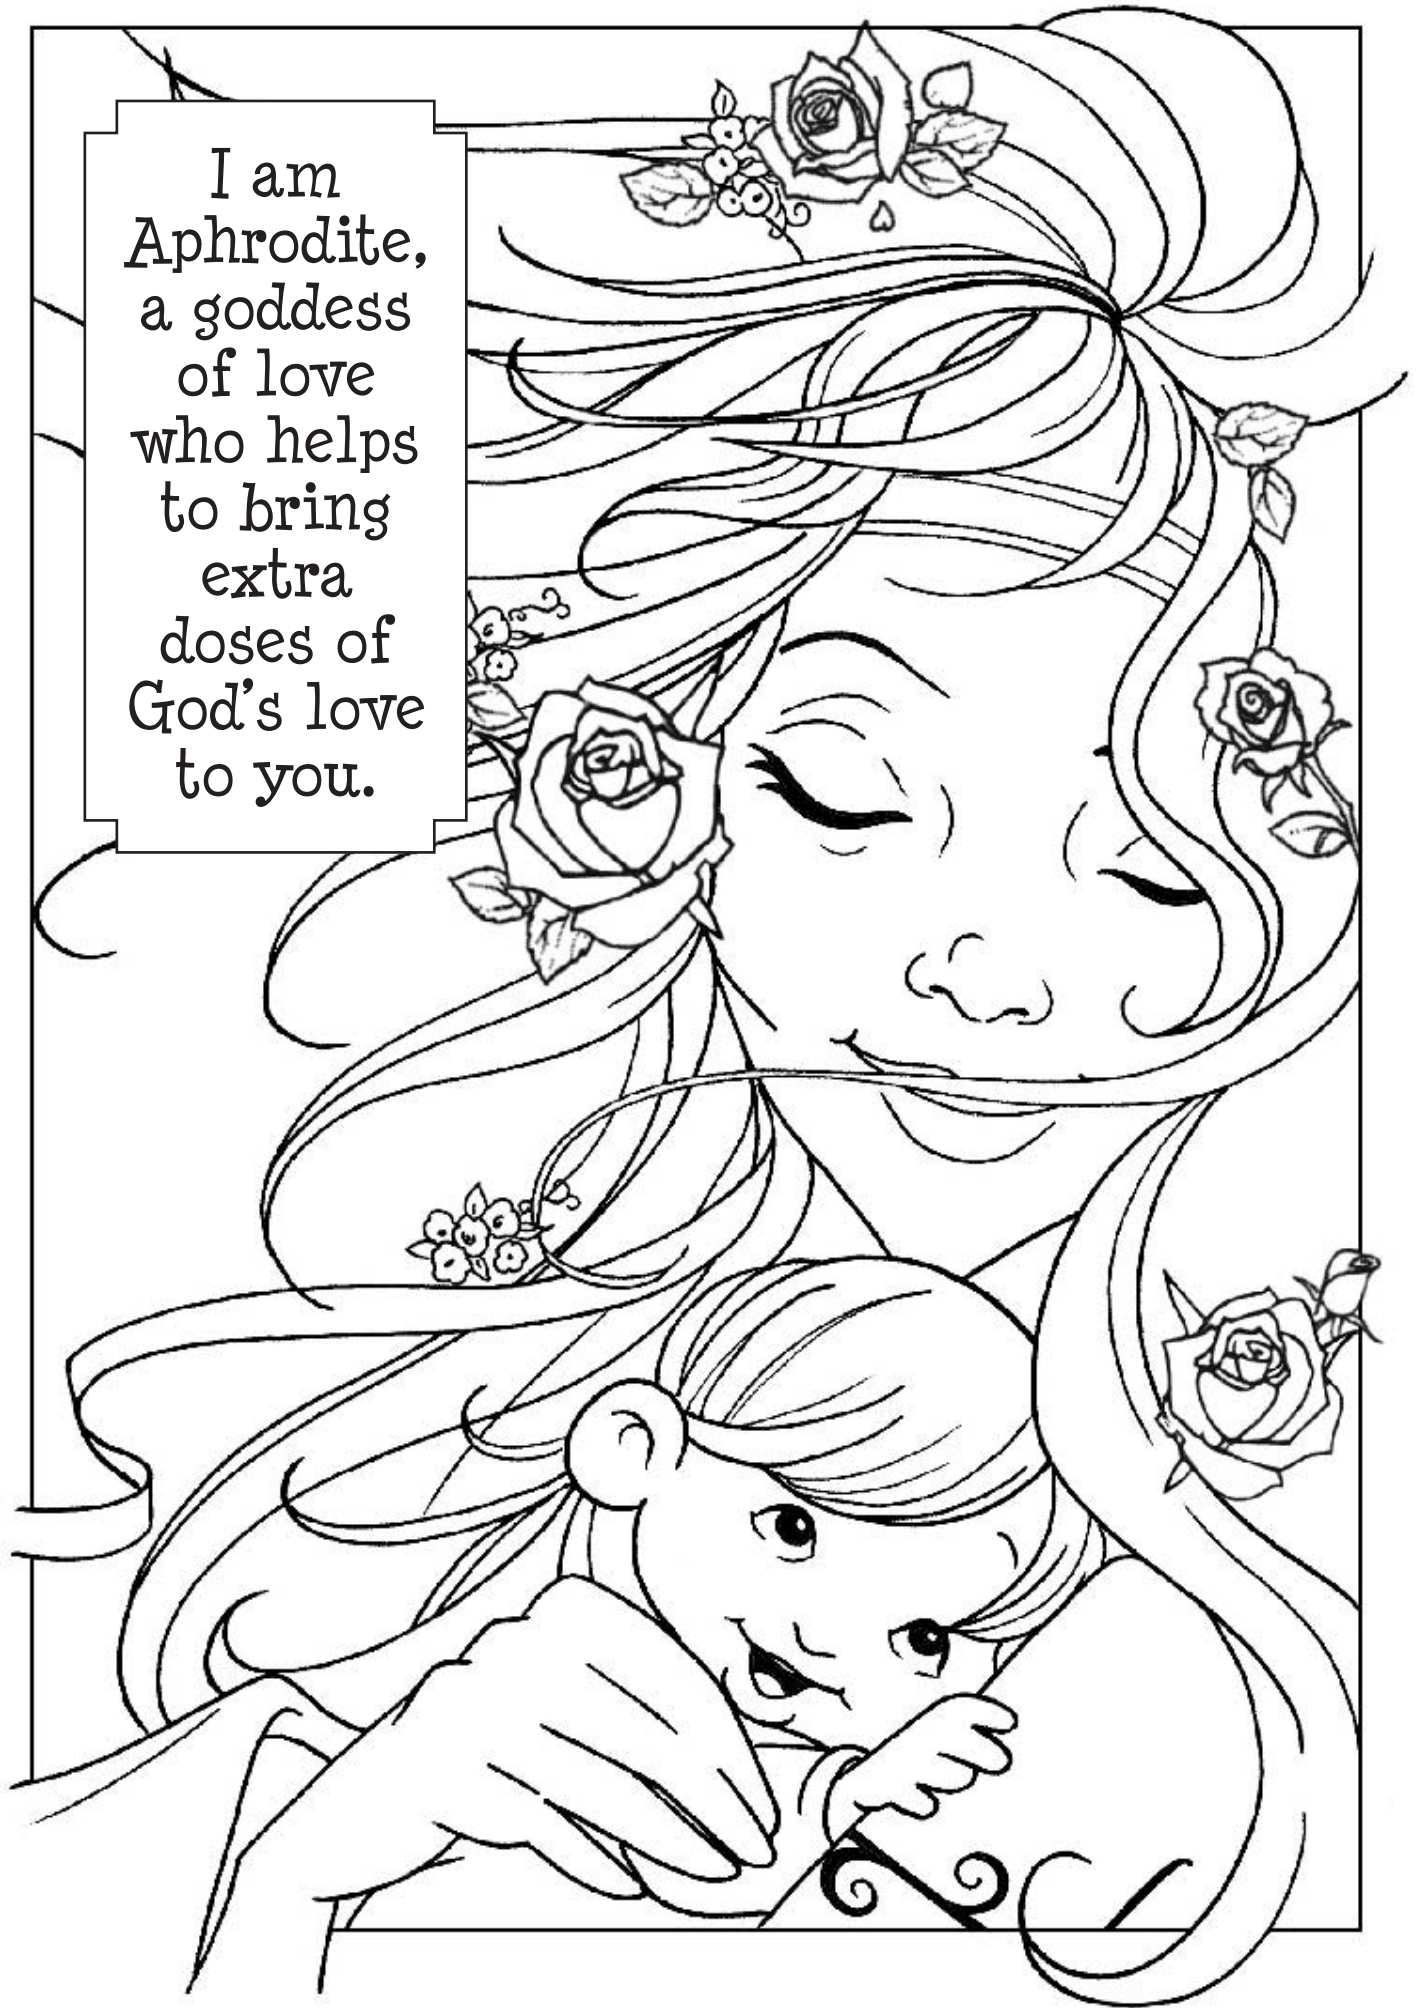

Aphrochite was created to help give extra

doses of Heaven's love to you, God's children.

If you know someone who needs to be encouraged with extra love, pray and ask Jesus to send Aphrodite to come and wrap one of her scarves around that person.

I am
Aphrodite,
a goddess
of love
who helps
to bring
extra
doses of
God's love
to you.

If you need help to be more loving to someone, you can ask for Aphrodite to be sent to you so that she can give you more of Jesus' love for that person.
