OBJECTIVES 1. Train ALL Christian to win souls by DOING (Acts 5:42)
2. Teach new converts how to win souls by GOING (Luke 14: 23)
3. Reach THIS generation with the Gospel of Christ (Mark 16: 16)

BELIEFS As we are primarily an interdenomination soul winning school, we take a definite stand only on doctrines essential to salvation on which all fundamental Christians agree: (1) The Bible, the inspired Word of God, (2) The atoning blood, death, resurrection, ascension, and second coming of Christ. (3) Father, Son, and Holy Ghost. (4) Empowering of the Holy Spirit for service.

HISTORY Founded in February, 1955, a branch of Soul Clinic International. During the first two years of operation, 79 students were trained. Twenty-six of these went into full-time Christian Service.

SCHOOL POLICY A genuine, born-again experience of salvation, a sincere desire to win souls, and approved Christian character are the major entrance requirements. There are no charges made for room, board and tuition. All students are expected to give as they are able. Applications must be filled out and approved before a student is accepted.

WHAT CAN YOU GIVE TO MAKE THIS SCHOOL A BLESSING TO FLORIDA AND THE WORLD

Without your help we cannot go forward. God uses people to help each other in this great work of taking the Gospel to all the world. If each person, who will promise to pray for us each day, will write us a letter of encouragement, it will be a great help to staff and students. Regular financial help to this work will enable us to feed more students and develop Sharon Colony. Donations of food and clothing from the Miami Area will enable us to help others.

NEWS OF LOVED ONES FROM FAR AND NEAR (Our First Missionary News!)

Ted Williams, who attended our Youth Course in the summer of 1957, and continued his training at the Los Angeles school, assisted Brother Payne in a meeting in Jacksonville, Florida with the Christian Businessmen. He is expected to make a visit to the school.

David Goad has been helping at the school for the past two weeks. Since taking our course, he has traveled across the U.S., Canada and Mexico preaching Christ. David is a former Catholic who became a juvenile delinquent before he was wonderfully saved and healed in a Navy hospital. His testimony is a blessing to all.

Warren Tillyer, a Christian Jew, and our missionary cook is now in Cuba. Since taking the course he has spent most of his time in the Bahama Islands and Cuba preaching Christ.

Don Sands, with his wife Evelyn and daughter Nellie, send a good report from the Bahama Islands, where they have ministered for the past two years. Vernon Moscos, who also attended the Florida Soul Clinic is still their faithful co-laborer.

John Roth, a graduate from the Los Angeles school and a missionary to Brazil, visited our school last week. Three years ago we had a joyful farewell as he left for Brazil with his wife & 4 children.

Linda, Paul, Jonathan and Faith attend the Miami Christian School. Linda is singing with the girls Sextet who visits different churches each week. Paul is taking guitar lessons. All of the children still sing. Sara Veal, daughter of Mary Veal, also enjoys attending the Miami Christian School.

Irvine Robinson who spent eight months in the U.S. with us writes: from British Honduras ----- "It was a thrill to receive your prayer letter and to know that you are once again established in Miami. I always had a vision of Miami being the center of operations for the evangelization of Central and South America, with Br. Honduras as a beachhead. I sincerely believe that a great work can be done here but we need men with the know how and the necessary equipment. My prayer is that the Soul Clinic would catch the vision of lost souls here in Br. Honduras and come over and HELP US for the field is ripe unto harvest.

I now have a class of twenty in the Baptist church training them in tract distribution and soul winning.....and I am trying my best to bring this teaching in all the churches. Write soon
