CRASH IN 1985? D&M feel it's a one possibility the Crash could happen this year, or at latest, early 'ski with so many pubs nearing print, & the colour posters & DTD tapes underway, these next months are precious for producing & mailing them out. This will be extremely expensive, so any who may have inheritances, or monetary windfalls. please give all you can. This could be your last chance to use them for the Land's Work! POSTER PUSH CENTERS!—By Petter & Dad—By now you have received the first mailing of the beautiful

colour posters. Now we need Poster Push Centres (PPCs) in various parts of the world to print & distribute them to the Homes. We already have PPCs in the East, India & in L.A., & it is now time to expand to set up one for North America & one for Europe, & then let the NROs of the East handle the poster printing locally. WS has sent the first mallings free of charge, as Dad felt it necessary for you to get the feeling of the poster ministry, (without the extra cost to you) & to help you see their tremendous potential to become one of our most trultful ministries vet! But now local PPCs will take orders & distribute the posters to you, & it's up to you to send a glft with your order to cover the expenses of these posters. Begin to set aside funds for reprinting now! WS will now use the new posters as covers for your GNs so that you can see a sample of posters available for printing shortly thereafter. We pray that this new PPC Plan is an inspiration. The extra cost of these Posters is not covered by your Tithe. So please pay your PPC for your Posters! If your PPC doesn't recelive your cheque they can only assume that you do not want any more Posters. PPC's will be operat-Ing as a branch of WS to assure you of a dependable supply. Happy Poster Ingl

TO FAMILY MUSICIANS & SONGWRITERS! Thanks to all who have rough recorded your songs & sent them In with the lyrics. Now we are going systematically through all the material in search of new OP hits. as Maria suggested that we complie a new selection of songs for the GP "Touch of Love" tape, & so far we have songs to fill up over two tapes of new compositions! WS would like to give 20 extra free tages to each of you whose song or songs have been used. If you don't hear that any of your songs have been plaked for now, don't get discouraged as they may be put aside for possible future projects! On "Writing Hits" now published in FSM #11, we highly recommend that you thoroughly study this article. We need to pray that the Lord will

The days of one musician getting the tune, writing the words & reconding his own songs are now over The first prerequisite is to have. good tune. Then work together on the words.

THE WS WIND-DOWN TO PRINT THE PUBS! Dad is preparing WS for the Crash. Therefore WS Units & personnel are now being cut down. Funds previously designated for WS living expenses will instead be channeled directly into printing & mailing out the pubs before the Crash! D&M are doing everything they can to

raise the finances needed to print the Word. We desperately need your

prayers & help!

YOUR DESPERATE PRAYERS NEELED! A dozen major books are at W. Sprint or in the final stages: Children's BOF. KIDZ MOP 2, KIDZ True Komix Vol.4, DM Vol. 2, FSM 12, FSM 13. DB 2, How To Get Things Done, Life With Grandpa 2 & 3. Activity Books 3 & 4. the Memory Book, Growing in Love 2, the FN Encyclopedia & the Reference Index Book, which are all special pubs. The funds necessary to print even a portion of these books is an incredible amount, but D&M have the faith that the Lord usually supplies through Inheritances or other financial sindfalls. Because a number of Inheritances are being held up by System court rulings, unvielded relatives. etc. This is a request to the Fam. for desperate prayer that the Lord free these Inheritances & supply the funds! Pls pray & give! GBY! WLY & need you & your prayers! CHILDREN'S PUBS FOR THE CHILDREN! As usual these children's books are being mailed out to the Homes OP2D. The children need the specialised training that these

books offer. TY for putting the

children first. GBY! 10 TRANSLATING NAMES! New Posters are coming with the texts as dramatisations of real life experiences! But since names are very regionals ised, please feel free to change the name to adapt it to your field

POSTERING & POSTER TRACTS! As Dad mentioned recently, the posters are not just to be mass distributed but used in personal witnessing. It's not how many Posters you distribute but how many souls & disciples you win. But for situations where you do need lots of IIt, the new Poster Tracts, coming soon in Booklet from & on the cover of LIN, are good for use in schools, prisons, orphanages, etc. -- Something you can give to everybody!
