The Royal Family Childcare Index

NOTES & REFERENCES
This Index has been especially prepared for our busy families all around the world to give them fingertip access to Our King & Queen’s treasure house of life changing lessons, counsel, and precious jewels of wisdom, not only in the area of childcare but for many other areas of daily living for Jesus as well.

REFERENCES:

"D" references refer to THE STORY OF DAVIDITO & THE STORY OF OUR CHILDREN. For example, 99:14 refers to Chapter 99, paragraph 14. (Please note that the references are to chapter numbers, not to any other numbering used in these Letters. There are two DAVIDITO Chapters numbered 99; so for the sake of indexing them, we have referred to the chapter entitled, "Whoopin’ Gough" as chapter 99, & "El Canario" as 27A. The two paragraphs 9 in Chapter 47 are treated as 9 & 9A. In Chapter 7, the paragraphs are numbered incorrectly after 19. We have re-numbered these paragraphs 20-31 & ask the Reader to do the same.)

"T" refers to TECHI’S LIFE STORY. Please note that Techi Chapter 33 is printed in "The Story of Davidito" Ch. 81/3.

"MT" refers to MARIA’S TECHI STORY. These are found in ML785-790, 794, 795, 827, 863, 864, & are referred to here by the chapter number of the story rather than their ML number.

"FM" refers to FATHER’S LIFE STORY. The 14 chapters of Father’s story are found in Family News #50 (March 1982), & reprinted in the FN Encyclopedia (Beginning on pg. 1059.

"HD" refers to OUR FAMILY HISTORY by Hosea. Chapters 1-3 are found in Heavenly Helpers Volume 2, as well as the FN Encyclopedia (pg. 856). Chapters 4 & 4A are found in Kids Pages #14 & #16, as well as the FN Encyclopedia (pg. 856). Chapters 5 & 6 are in Family News #50 (March 1982), reprinted in FN Encyclopedia. (See pg. 1059).

"ML" refers to selected M0 LETTERS that contain information about children, childcare & childcare related topics.

ABBREVIATIONS:

f/h = footnote (or an additional section at the end of a Chapter)

p/c = picture (referred to by the nearest numbered paragraph)

inst = insert (material with no paragraph number that has been inserted into the text)

Letter or Chapter

Other abbreviations include: intro = introduction, w/ = with, w/o = without, 4 = for, PG = pregnant, CC = childcare, B4 = before, etc.

You will also occasionally find such entries as "home split/unite for D/", under the topic "devotions". The "D/" refers to "devotions". Under "Birthdays", the entry "1/2 year/2" refers to "1/2 year/2 birthday".

"T", "N" & "C" have also been used throughout the Index to refer to Dad, Maria & children.

GUIDE WORDS & CROSS-REFERENCES:

To help you find each entry quickly, we have printed the first & last topic you will find on each page at the top of each page. To be of further assistance we have included many cross-reference notations that suggest other related themes & topics found elsewhere in the index. (Note: For the most part people’s names have been indexed simply by their first name.)
