Receiving Jesus is like sexually going all the way!
You can say to a guy you’re trying to win to the Lord, “It’s as if I were offering myself to you right now to love all the way and you look at me, you strip me, you caress me, you praise my beauty, you say I’m wonderful, I love you! Thank you, this is wonderful! and you even let me make you happy and love you and make you feel good...

But God said in Isaiah 26:4, “Let mercy be shown to the wicked and yet he will not learn righteousness!”

...But then finally rejecting Jesus is like if in love-making we’d get to the last step and you’d refuse to receive me or take me in!
--This is what Brian did!
Isn’t it insane?

With the rain and the sunshine and life and physical love and everything else God is showing mercy to the wicked every day, and yet they will not learn righteousness, they will not thank God!
So Brian and I, Maria, went to bed together, and got undressed. He lay across the bed and pretty soon...

People think nothing of rejecting Christ, but for a man to reject sex at the last moment, the final insertion when he is about to go crazy for it, this people can understand as absolute insanity!

It was getting late. So I, quick hurried and did his dishes...

You know, you understand, can't you, love?

Yes, I guess so.

He wouldn't even let me suck him off, because that is a form of total union too! He then just took it out and jack it off and I helped him. And then I laid down beside him and started asking him those questions:

Brian, I wish you would...

Will you or won't you?

If David weren't here?

If this is the last time you would see me?

Driving me home, I had my hand on his leg...

Well you know, if you don't mind, that's a little distracting. I am trying to concentrate!

I'm glad you told me, I like you to be careful and concentrate!
God is not so angry at the sinner for breaking the rules. He knows the sinner is a sinner and can't keep the rules. But for rejecting the free gift of God's love and salvation and happiness and joy and everything God has to give him in Christ his Saviour. Now he is not going to get anything, this stubborn sinner. Brian, I died for you. Please let Me in!

I don't believe it. That's a lie, it is not love!

But Arthur is just the opposite! Look at this beautiful little paper-weight he carved for me! "LOVE! PEACE!" The next thing to carving your names together on a tree! I, Maria, am "LOVE" and he's "PEACE!"

When I phoned Arthur this morning...

Thank you so much, Arthur. I want to come over one more time before we go on our holidays. Would you pick me up on your way home?

I didn't know what to give you! I got the inspiration from your ring! Do you think it would be alright?

Of course! Arthur just accepts it like a little child: Okay!
reminds me of the story about that famous criminal, wyer in Detroit, Michigan.

Mother and David went to a revival there in this big downtown church, and this was the last night...

Fred, our host, is already there with a whole bunch of his friends, millionaires, real estate men!

REvival Evangelistic Meeting

God bless him! He's a real good personal soulwinner!

Every night

Tonight Grandmother is going to give her life story about her conversion from atheism and her miraculous healing!

Really?

Good evening, sir!

There she is!

When the invitation came...

So would you too please come forward and accept Christ as your Saviour and give your life to the Lord? He loves you so and longs to come in!

That lawyer got up and almost ran out of the church!

What's the matter?

Oh my God! I made it!

She almost got a hook in my jaw but I made it! I made it! I got away!

Yes, he "made it" all right! About three weeks later he put a gun to his head and blew his brains out! "That woman almost got a hook in my jaw, but I made it!" -- and he shot himself!

Don't you be like him, or Brian, but accept God's Love in Jesus Christ!

Pray: "Dearest Jesus, please forgive all my sins and come into my heart! and fill me with Your love in Jesus Name. Amen!
