--DO YOU WANT A PENIS? OR A SWORD!

IF THEY WILL NOT HEAR THE WORDS OF THY FATHER, THIS MOUNTAIN SHALL BE A SWORD UNTO THEM!

Suddenly I see Maria and me making love last night!

You probably heard us—we were making enough noise! Did you hear us? Come on now, don't try to tell us you didn't hear us?

We were watching the fireworks! There were more fireworks going on in the bedroom than there were out there!
Maria said, "Oh, wouldn't you like to watch the fireworks? They're so pretty!

I don't want to watch the fireworks, I've got my own fireworks! I'd rather watch you, you're so pretty!

But what's that got to do with what I've been talking about? Oh, the Word, the Word! Abraham was yelling at the top of his voice, "Oika! Oika! Oika!" — which means "Listen, listen, listen!" You should listen to the words of your father like an explosion of God's Truth! You could certainly compare the explosions of those fireworks to the explosion of an orgasm, right?
He was comparing these bursts of truth from the mouth of God's prophet to those bursts of light and explosions of the fireworks!

He was also comparing it to the sexual orgasm that we were having, which is a burst of energy, a burst of love, a burst of feeling, a burst of the Spirit. The words of truth with which the prophet explodes are both like a sexual orgasm, an explosion of feeling, and also like an explosion of light, the skysrockets and the light of the fireworks!
That's sort of what it's like when the prophet bursts into a message, it's like he explodes in the spirit like an orgasm. He explodes and the truth explodes in a burst of light with these words of truth! The other picture was immediately related to it -- I know it was comparing it to my penis in your vagina.

It's like just now when I was seeing my penis being withdrawn from your vagina, I also suddenly saw a sword withdrawn from a wound and the blood pour out!
People either receive the Words or they reject them. If they receive it, it's like a woman making love: she receives the penis and the life-giving fluid, the semen, like the seeds of the Words, and it creates life. And she'll enjoy it, right? And it makes her happy! But those who resist it, the sword enters in anyhow!

If they won't believe in Jesus' blood, they have to shed their own blood to pay for their sins!

God enjoys fucking you with His Word! Your spiritual vaginas are sucking on my spiritual penis, and out pours the Word, the life-giving seed!
THE VOLCANO TEIDE -- IN TENERIFE!

OH GOD! FATHER DAVID WAS RIGHT! WE SHOULD HAVE BELIEVED HIM!

The Truth, the Word of God, has two effects: to some it brings life, but to others it brings death! We were talking about the vengeance of God, right? (Prophecy) "If they will not hear the words of thy father, this mountain shall be a sword unto them, that shall slay them, that shall devour them with fire from above!"
The places where I saw these things are important. I was just talking about that mountain a little while ago, and I said, "Maybe that legendary god up there is the angel of the Lord that rules this place!" -- And just like that I saw an angel standing up there with a sword! Ah, the sword! Ah, now I begin to understand it all better now!

So it depends on whether you have faith or not or whether you're in the will of God or not, how you're going to react when that mountain explodes!

The bed and the bedroom are symbolic of what?
-- Love and rest and peace, happiness, enjoyment, sweet intimate fellowship with the Lord!

How do you receive the Word of God -- as a sword or a penis? The sword kills the penis. Which do you want?
