

GOD'S LOVERS!

You are God's Free Love Gift and you're giving them love they never had before, to show the beauty and love of God and pull them with the power they think is sex, but is sex and God, an irresistible power.

God is Love.

God is a good God, a loving God, who loves you and wants you to enjoy yourself, and wants you to enjoy me, and wants you to enjoy sex, which He Himself created for you to enjoy. And He wants you to enjoy love. He made it all for you to enjoy.

You are the representation of God's Love, they can see and feel and know it is the Lord and His Love.

Even before they feel your body, they look into your eyes and can feel the spirit. The spirit draws them, but they think it's your body, they think it's something in your eyes. But it's God's Spirit in you.

It's the Spirit of God using your body, your flesh, your eyes, as the bait to pull them to you, so they can feel His Spirit and His Love, and then you can tell them why.

It's the Love of God-- it's Jesus --that's the secret!

This is love I've never had before.

It's the Love of God you feel, it's God, it's Jesus. Why am I so happy, why am I so beautiful, why are you so attracted, why are you falling in love with me? It's Jesus, because I have Jesus! That's the secret!

Now God probably won't ask you to do all this if you don't want to, but He can put so much love in your heart for them, that you're going to want to.

You claim this is greater love than all the rest? Well, the Devil's women will go to bed with me, and they don't even love me. So why won't you if you love me so much?

I will!

How wonderful, what love. In one night you can show how sweet and humble and how unselfish you are...

... in comparison to these worldly selfish women who are only really thinking of themselves.

One hundred for the first half hour, plus two drinks, and fifty for every fifteen minutes more.

So tell them you love them
And give them what they need -
all kinds of love and even sex
if they really need it to show
them that you do love them,
but show them the Lord more
than anything and get them
hooked on Him. Amen?
-HAPPY HOOKIN'!
