

## THE AGE of TRIBULATION?

We're now in the Age of Aquarius but there's going to be one more age.

Aries corresponds to the first month of the Biblical year, and then it goes around the astrological clock until the Age of Aquarius, the Age of Water, just before Pisces.

Pisces then is the last one, then begins Aries again.

We are at the end of this age, the Age of Aquarius, in which the water of the Word is being spread throughout the world.--

Water for the fish!

It was during the Sign of the Fish under the Romans, when the Christians were under persecution, that they used the fish as a secret, identifying sign.

Without ceasing I made mention of you always in my prayers, sister Priscilla!

Grace to you and peace from God our Father!

That fish must have been pretty important to these fishermen. Fishing was their most important business-- fishing for men!

Does this then represent the following age like the tribulation when the Church is under persecution again?

In the Age of the Tribulation and Persecution the fish are going to either submit

and yield and even deny their faith,

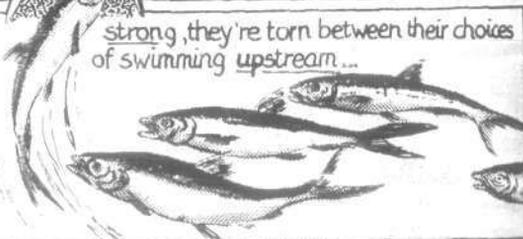

♪ Nearer, My God to Thee. Nearer to Thee! ♪  
or they're going to buck the current, swim upstream against everything!

Pisces can be either weak or

strong, they're torn between their choices of swimming upstream...

or drifting downstream.

Today we're flooding the Earth with our doctrine, our literature, but the day is soon coming that more and more countries are going to be closed where we can't give out literature anymore and we're going to have to win souls by flirty-fishing.

That's it Polly!—  
The Communist border!  
We'll have to be more  
prayerful now!

How are we going to  
get our income now, Francisco,  
when we can't give out our  
literature anymore?

Later:

God will supply our needs, sweetheart, as long as we're faithful witnesses whatever kind of witnessing we're able to do or unable to do, He supplies. I'm sure you can remember the years we travelled, two years on the road, when we never sold a piece of literature and God never failed to supply all of our needs, and we never missed a meal, right?

True!  
The Lord  
supplied.  
Thank You  
Jesus!

How  
are we going  
to witness  
now?

They just have to come  
and see our Family and  
how we live and see  
for themselves.  
You don't have  
to give them any  
names,  
they get the  
point.

I am God's Love for you!  
I was made for you, ?!

because  
God loves you!  
When I love you,  
that means that  
God loves  
you!

I am  
what  
God made  
for you!  
I am God's  
love for  
you!  
I love  
you!

Very smart of you, Fraulein Annemie, to be subject unto the powers that be!"

Jesus said to love one another Herman

(1 Jn 4:7) (Rom. 13:1)

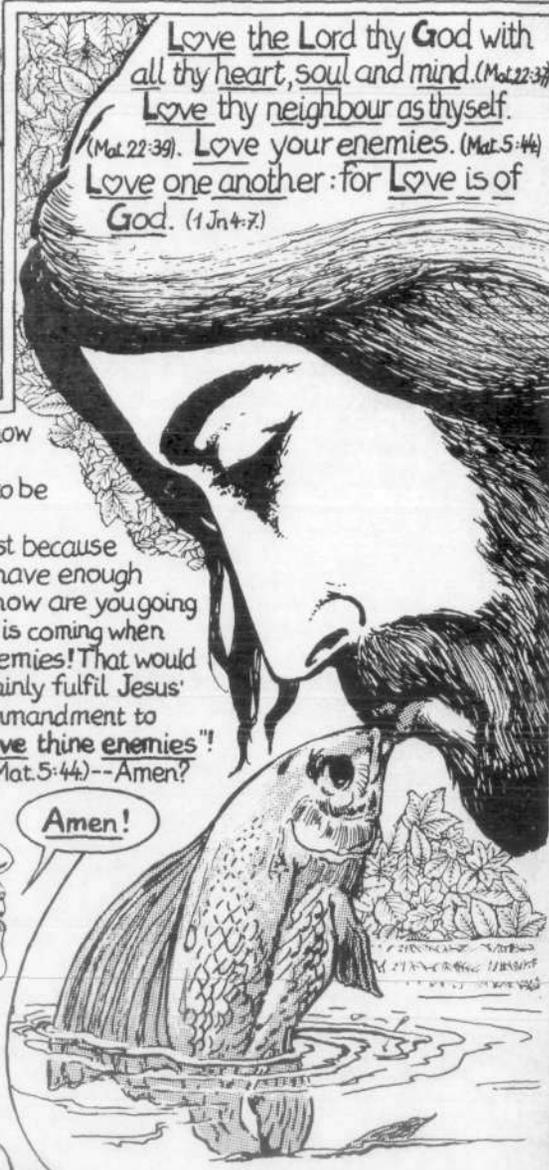

And the day is probably coming when, like that Dutch nurse in the Nazi prison camp, who ministered her body to those Nazi officials and won their hearts as a result, when you girls are going to have to do the same thing.

Love the Lord thy God with all thy heart, soul and mind. (Mat. 22:37)  
 Love thy neighbour as thyself. (Mat. 22:39). Love your enemies. (Mat. 5:44)  
 Love one another: for Love is of God. (1 Jn 4:7)

If you're not prepared to do it now and you're going to balk and balk against it now, you're not going to be any good then.

You're not going to change just because of the circumstances. If you don't have enough Love to do it now for your friends, how are you going to do it for your enemies? The day is coming when you may have to do it for your enemies! That would certainly fulfil Jesus' commandment to "Love thine enemies!" (Mat. 5:44)--Amen?

Amen!
