I'm not sure that this is of the Lord and right and Scriptural...

Now, the Christian is the Lord's property and possessed by His Spirit. But of course, if he has some besetting sin, the Devil can use that thing to weaken him or to cause defeat in that particular area of his life that's still unyielded to the Lord. If you haven't got the faith for it and you go ahead and do it, then you are condemned because he eateth not of faith. For whatsoever is not of faith is sin.
If you believe "FF-ing is wrong it is because you refuse to believe the Word and to refuse to believe God's Word is even worse!"

I just don't have the faith for it!

Your real reason is that you're too jealous!

I don't want to have faith for it!

That's not it!

You gotta believe it, do it and testify to it!!

I don't want to pay the price for it!

"There are none so blind as those that will not see", that refuse to see! Your excuse is lack of faith, but the real reason is your jealousy!

It's hard for me, too, but I get more of a reward out of it because I'm seeing a life change, a beautiful happening!

It's a little bit like salvation or healing. You can't be saved without confessing Christ. Neither can you be healed without confessing healing and constantly praising God and giving your testimony and talking about it -- or you're apt to lose it. Now you can't lose your salvation, but the Lord can take away the blessing of healing because you failed to confess it and testify to it.

And I'm in the background. You enjoy the flesh side of it, because the Lord made it a pleasant thing to do.

"There are none so blind as those that will not see", that refuse to see! Your excuse is lack of faith, but the real reason is your jealousy!

All parties concerned have to have the faith for it and agree to it. Now if one does not have the faith for it and will not give consent, doesn't like it, doesn't want it, is jealous, or refuses, then the other party is going to have to work on him and try to convince him and convict him and try to persuade him, so that he will be convinced and persuaded and agree and consent.

It's a choice between trying to save somebody's weak conscience and saving a poor lost soul!

Well, I'm sorry, buddy, but this is the way we're doing it and this is what we're doing and this is what God has revealed to us should be done and what we have to do, whether you like it or not! If you don't like it and are not going to cooperate, then this is not the place for you.
In the movie "King of Kings" when Mary Magdalene was having the seven devils cast out of her by Jesus, it showed the names of each of these devils as they were being cast out, and one was "Jealousy" and one was "Greed" and so on.

THERE ARE

DEMONS OF JEALOUSY!

There are demons who play up certain sins and vices like demons of gluttony, demons...

...of drink and drugs, demons of gambling, demons of sexual perversion—

— and of course the demons of jealousy can do a lot of damage by making people insanely jealous.
Demons of jealousy have probably killed oodles of people, because they've inspired their mates to shoot them or knife them or kill them somehow.

Look what she did! She left you for another man!

No! You cannot forgive her anymore! You must...

Kill her!

When you submit to the Enemy at some point, then the Devil takes over! Unless you have the Lord. If you have the Lord and ask for His help, you can control it.

Get thee hence, demon of jealousy!

Help me, please! But of course, if you just let it take over and you don't ask the Lord for His help, it can get out of control.

Ah, see Jesus? He's yielded everything except this, his jealousy. So even a little bit belongs to Thee, to me!

As long as there's one little dark, unyielded corner of your life that you're not willing to yield to the Lord, if there's one little part of it, the Enemy can get at you there, like the camel's nose, and he can plague you with that one little thing! (*See "The Camel's Nose." TK-FC 23)
When the Enemy shall come in like a flood, I, the Spirit of Love, shall lift up a standard against him. (Is. 58:19)

You cannot be possessed by an evil spirit and the Lord’s Spirit at the same time. You’re the Lord’s possession now and the devils can’t have you! The Devil can tempt you only from the outside, if you haven’t yielded some area to the Lord, but he couldn’t get total control of even your besetting sin. It’s still possible for you, who are saved, to resist it!

Resist the Devil, and he will flee from you! (Jan. 4:7)

I rebuke you, demon of jealousy, and your lies, in Jesus’ Precious Name!

-- JESUS SAVES!

Take up that white-hot sword of the Spirit, which is the Word of God, and cut the Devil to the heart!

MEMORIZE SCRIPTURES AND RESIST THE DEVIL!
