

HOME COUNCIL NOTES - 4/20/00

- 1) Open House Critique:
 - A. Plenty of food leftover, but better to have too much than too little;
 - B. It had a good impact on Doug; he's friendlier than he has been;
 - C. When you're a greeter, it's good to stay fluid & turn people over to someone else to stay available to greet others;
 - D. Could possibly rotate greeters, but it went well the way it was done;
 - E. Good to direct them right away to the terrace via a sign in the front of the house.
 - F. People got confused with the parking situation. Should have had a sign at the acre "Park here". Maybe park our cars by the workshop & use the acre for overflow rather than the main parking;
 - G. Might be good to do something every 6 months (BBQ, etc.) for the neighbors
- 2) Announcement that FCF still needs 2 more secretaries and a web site person
- 3) IVM Fellowship on Saturday:
 - A. People go in own vehicle teams. Mark on chalkboard who's going in what vehicle & what time vehicle is leaving
 - B. Mari will be in charge of items needed to bring (chips, cups, dessert enough for all)
 - C. Can come any time, but if we're there for lunch, need to bring our own. Dinner will be at 5 p.m. Agreed to eat lunch here then go so morning can be free for work.
 - D. Dawnie has a map for directions.
- 4) Announcement: Sara Ireland & possibly Darren and/or Marie will come sometime next week for a day & possibly a night.
- 5) Announcement: Dawnie will be making a check for Tim & Deb on Monday, so if anyone wants to contribute towards their needed schoolbooks, be sure to give her the funds before then.
- 6) Prayer & time of hearing from the Lord for Larry's trip (leaving Sunday, returning Friday)
