I, the undersigned, Cary Lewis Frouman, am the father of
Emmanuel (Manoli) Frouman, Daniel Frouman, Jonathan Frouman,
and Michael Frouman. It is my intent and desire for my
children to return to the United States to be with me as
soon as possible.

It is my intent and desire for the children to leave the sect
(religious organization) to which they belong. It is my
firm belief that the safety and well-being of my children
depends on their ability to leave this organization as well
as the company of Stuart Baylin. Their safety and well-
being are threatened as long as they continue to be with
the group or Mr. Baylin.

I want my children to be re-integrated with the family of
their now deceased mother, as she desired and requested
before passing away, and also with me and their family on my
side.

Therefore, any assistance you can provide for the safe return
of my children to the United States will be deeply
appreciated.

If I may be of further assistance, please feel free to
contact me by mail or by telephone.

Sincerely yours,
