T.E.A.M. Foundation:

T.E.A.M. Foundation also works in partnership with The Family Mission -- by partnering together, thousands of dollars worth of materials have been donated to charities benefiting families and kids worldwide. Free administration of educational services has also been provided. The TEAM Foundation staff and Family volunteers hold in common the same motivation and desire: To reach out to those around us with God's love, and to work together to make the world a better place for everyone, especially our children. TEAM Foundation supports Family Missions in educational programs in more than one-hundred countries around the world. Dedicated Family volunteers and missionaries have pioneered, built & set-up hundreds of home-schools, missionary schools, schools for poor and underprivileged children as well as special schools for the deaf, blind or handicapped in the USA and in developing countries worldwide.
